

I. It is both a challenge and a responsibility to talk to a group of young people.

A. A challenge because any ~~man~~ ^{sincere} man wants to be helpful. He ~~would like~~ ^{would like} to be able to say something ^{that} worthwhile, something ^{that} beneficial.

1. It's a challenge to the speaker because he is never quite sure what the most helpful thing is that he can say.

2. It is a responsibility because you are young - you represent the unknown in the mathematical equation of life.

a. you are ~~so~~ unpredictable

(1) I feel like saying: terrible.

(2) I feel like saying with

Tampson who viewing the

flower said: "Slower in

the crannies, I pluck you out of

my hand little flowers - but I could know under

stand
what you are,
not + all, and
about all, I should
know what good +
man is. So, I
do not know who you are

b. you are young - most of
you between 17 & 22. But
when you get 50, 60, 75, there
will be nothing unpredictable
about.

(1) you will be what you

Bennett

When I stand
before ~~you~~

are going to be. This is youth say.

B. It's a wonderful thing to be young

It's wonderful to be young.

1. ^{The thing I like about youth} you have a long time to dream to build air castles, ^{to reach the stars} to aspire to accomplish great things.

2. ^{But I warn you that} it is also a terrible thing to be young, a great responsibility to be young.

^{As you see} your life before you. you don't have it ^{yet} under you. you got to make it. (1) When you reach my age,

3. In the first 20 or 25 years of your life you are laying a ^{the} foundation.

a. If you build thought + security ~~nothing~~ now your future will be glorious. ^{how} (1) When the ~~time~~ ^{hour} comes

II. If I could look inside of your minds, I would judge you by your dreams, you ideals, ^{judge you by} the things ^{you} what you aspire to be.

III. I suspect if I should ask you what you aspire to be, what is the end of your striving, ^{Why H.S.} you would probably say, you

And that is why I always try to press the youth about that is kind of element in life etc. There is a time etc.

the tornadoes now etc. as the empty god.

want to be happy. And if I should ask you what ^{is} happiness, ^{ask you} to give me a recipe for it, a definition of happiness - you would probably say that happiness consists of ~~a sound mind~~

A. A sound mind in a sound body, housing ^{2a} + land, stocks + bonds, a fat bank account, position + prestige, marriage + children

flower in the Crannied Well,
I pluck you out of the Crannies,
I hold you here, root + all, in my
hands.

Little flower - But if I could
understand

What you are, root + all, and
all + all, I should know what
God + man is". Tennyson
