Dear Dr. & Mrs. Bacote:

On June 2, 1978 I will announce my candidacy for re-election to the Georgia House of Representatives. The 1978 session of the Georgia General Assembly adjourned on March 8th, and this marked the completion of my second term as State Representative. During this past legislative session I cosponsored and helped pass 25 bills and resolutions. I believe my major accomplishment was serving as a member of Governor George Busbee's Atlanta-Fulton County Study Commission and co-authoring a package of 20 bills and resolutions which reorganize county-city responsibilities and provide for more efficient and effective delivery of services in Atlanta and Fulton County. We have accomplished a great deal in the last four years, but there is still much to be done in areas such as education, consumer protection, tax reform, new revenue sources, and so on.

The people of the 39th District were pleased with my legislative record during my first term and returned me to office with 79.4 percent of the vote in the 1976 election. I think they will also be satisfied with my accomplishments and work on their behalf during my second term of office, but I need your financial support to inform them about these matters. If we can do this, I am confident that I will again be re-elected by an overwhelming majority of my constituents. Any financial contribution that you can make, \$5, \$10, \$15, \$25, \$50 or \$100 will be greatly appreciated. Please make checks payable to "Bob Holmes Re-election Fund."

I am grateful for your friendship and support in the past, and I hope that you will be able to assist me in my re-election campaign. If I can be of assistance to you in any way, please contact me.

Thanks in advance for your donation. With best regards, I am

Sincerely,

*Bob*
