Dear Ms Storting:

Sorry for the long delay in sending this to you. The transcription was faulty in spots. I had to get retyping & Xeroxing done to fill in the gaps. Hope it will be useful. Also enclosed some material on a show back in Indianapolis.

Have been on the go lately - what with 2 full-length shows, an art conference, and getting out an edition of silk screen prints.

More later.

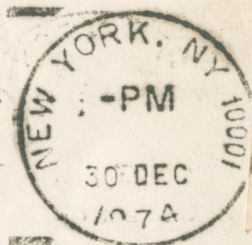

Good luck - and thanks
for everything.

Sincerely,

Hal Woodruff
