Dear Mrs. Stolling Aug 15, 1977

As I stated previously (I recently) to you - I think I am getting over my fears, (or my belief in my inability to take my thoughts) to face the taping machinery!

So I am going to send to you my taped responses to the questions and/or topics raised in your memo(s) of some days ago. I plan to reply according to your topical listing(s). Do not be misled if I stray a bit, or even circumvent your query, and offer some other bit of irrelevant information which may not be pertinent to your specific interest at the moment.

If you can provide me with information as to how I can obtain a copy (or whatever) of the M.A. thesis "Hale Aspac's Woodruff" as described by you in your recent correspondence, I would appreciate it. The thesis was developed by Doris Serena Crawford at Howard University.

Thanks very much - Sincerely, Hale Woodruff
