Dear Dr. Locke-

I saw Countee last night
and he told me you were in Paris.
I just returned from the country
yesterday and will be here till the
end of the week. Then I plan to
go out again, probably Monday.
I should like very much to see
you. I'd be pleased if you'd leave
me your address or drop me a word.
I'm stopping at the Hôtel des

Terrasses, 74 rue de la Glacière, just below
Mr. H.O. Tamers' studio. I should be delighted
to have a word from you.

Very sincerely yours

Woodruff.
