Dear Millie:

This is just to tell you that the painting was shipped out yesterday by air express. It should reach you in the next 3 or 4 days - if not earlier. As I said previously I wanted you to have it before you left for Africa in July. Please let me know if it arrives in good condition and, of course, what you think of it.

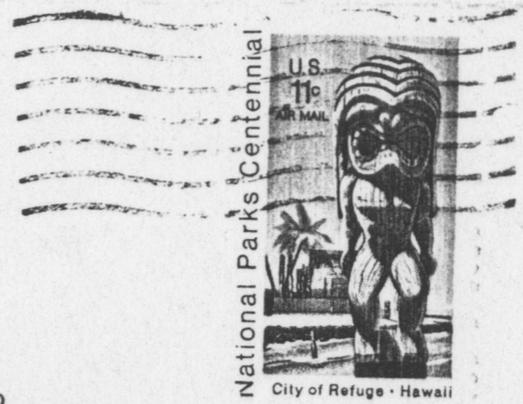

I'll drop you a more detailed note later about the picture. This is only to inform you that it's in transit at the moment, and that it should have a "happy landing" on Georgia soil!

Best to you and Bob,
Sincerely,
Hale
