Dear Millie and Bob;

This is to thank you for your very nice letter and "contents." I am so pleased that you and your family like the painting and that you are having it appropriately hung. I also hope you like the frame. It's what is known as antique silver. I think it fits the picture well.

This is also to wish you and Bob "Bon Voyage" as you prepare to leave for Africa. Happy landing - and have fun and all the rewards such a trip can bring. Will write when you return.

Best to you both,  
as always

Dear Millie,

We're very happy that you like the painting so much, and that you have it!

It is good to know that all of the family likes it too. We hope it will add a new dimension to your home and daily living.

Have a wonderful trip! We envy you, for we remember so vividly our trip to Dakar.

Maybe we'll see you this fall — We hope so. In the meantime enjoy every moment of your vacation!

Cordially

Jed
