

**ENGLISH AVENUE STUDENTS SERVE AS PAGES
IN GEORGIA GENERAL ASSEMBLY** —

Three students of English Avenue School have recently been honored by serving as pages in the recent Georgia General Assembly. Not only were these students able to gain first hand information concerning important issues presented to the state's legislative branch of government, but in addition, they received valuable experience in viewing the deliberations and procedures neces-

sary to make bills into laws.

Shown with Reepresentative Grace Towns Hamilton are (left to right) Rial Cash III, who served in the House of Representatives for Mrs. Hamilton; Michael Barnham, who served in the Senate for Senator Horace Ward; and Henry Jackson, who served in the House of Representatives for Representative William Alexander.
