Dear Fellow Citizen of House District 137:

On Wednesday, May 5th, you will have an opportunity to help build a more representative government in our State. It will now be possible to elect members of the State House of Representatives closer to the people because the House was recently "reapportioned".

I am a Democratic Candidate for Representative of this District 137, where my family and I have lived for many years. I pledge to serve the best interests of our District and our great metropolitan area, as your Representative, just as I have tried to do as a private citizen.

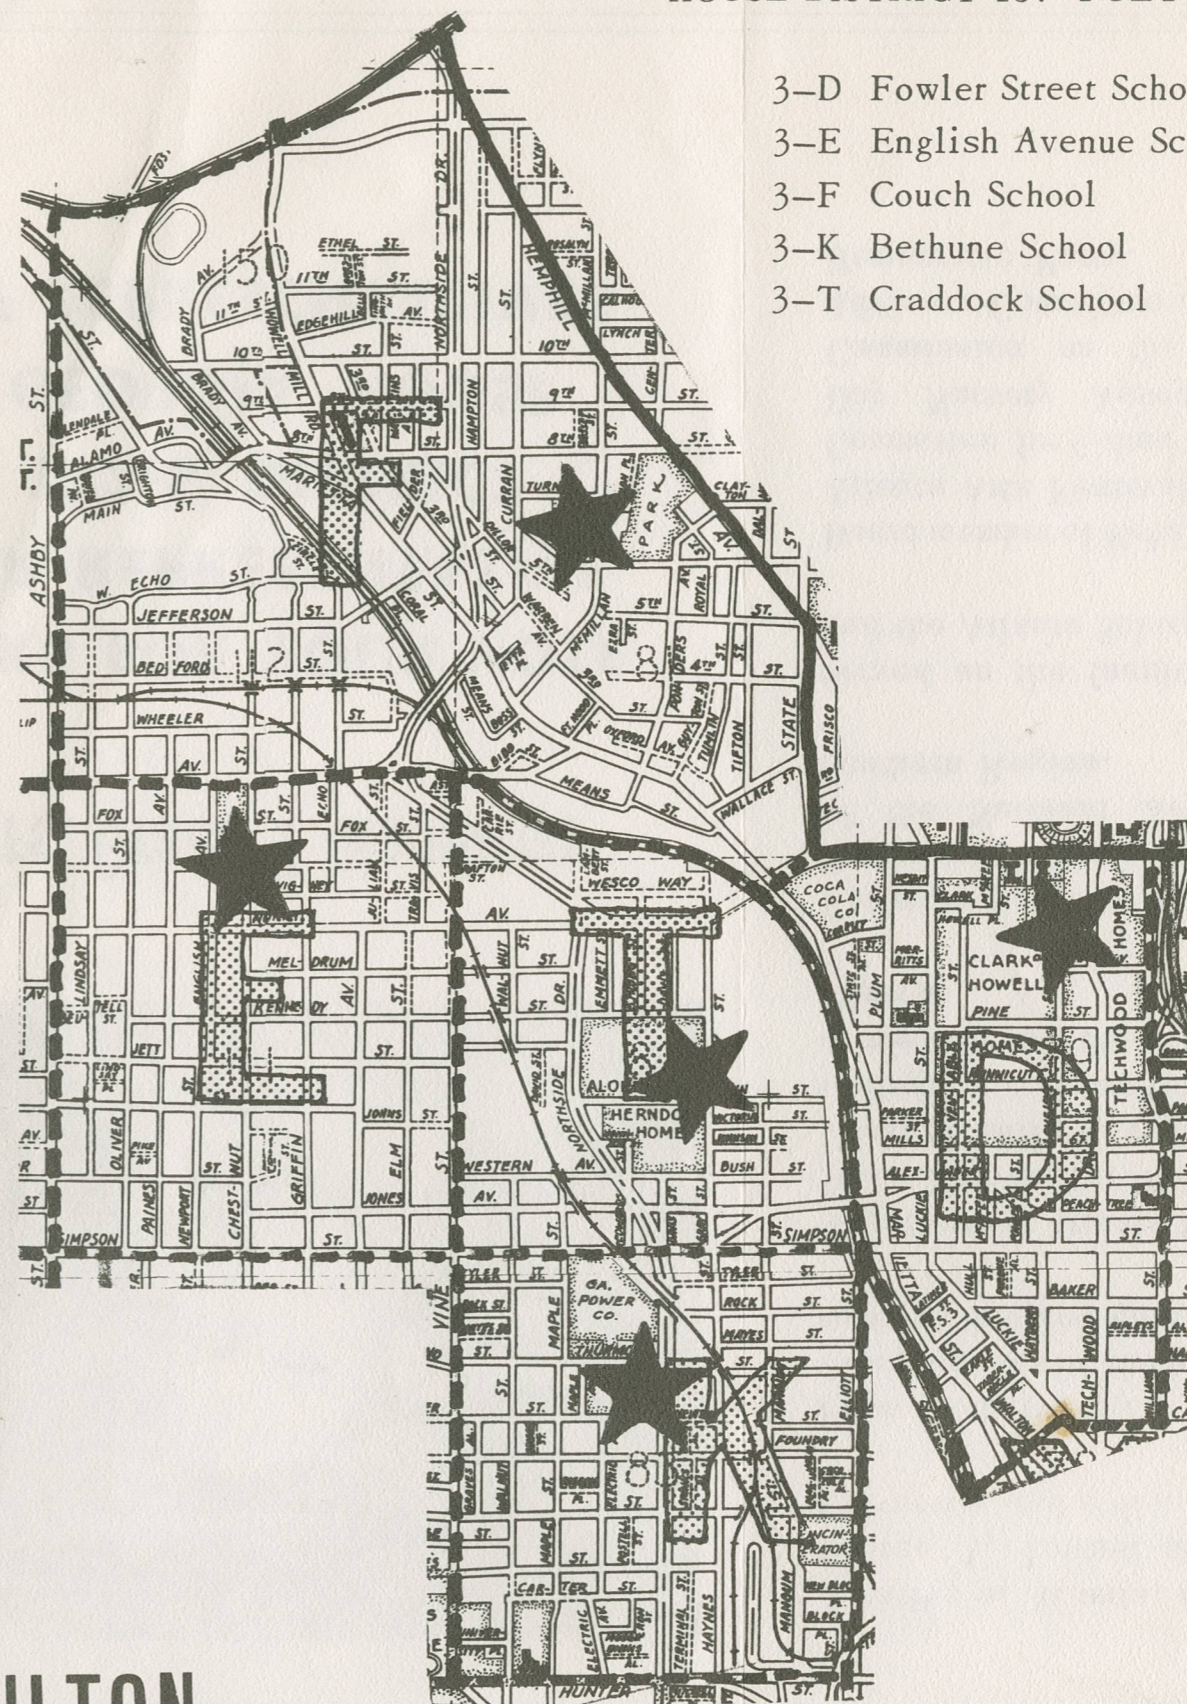

The map at right shows the area included in House District 137 and lists the polls in each precinct.

Please mark WEDNESDAY, MAY 5th, as a special day and vote for MRS. GRACE T. HAMILTON in the Democratic Primary.

This is your first opportunity to elect a State Representative virtually from your own neighborhood, and I will work to be worthy of your vote.
