

AUC Votes is a coalition of non-partisan civic engagement-oriented organizations in the Atlanta University Center. This semester, we are creating a digital strategy to engage all eligible voters in the AUC before the 2020 election. Involved organizations include Spelman's Chapter of the Andrew Goodman Foundation, Spelman Social Justice Program, Spelman & Morehouse Chapters of National Action Network, Spelman & Morehouse SGA, Spelman's Chapter of NAACP, Fair Fight U, Collegiate 100, and CAU Votes. We are looking forward to engaging with students and answering any questions about voting!
