Dear Friend:

Enclosed is a petition to the United Nations to End Genocide.

We are sure that you agree that such a petition is both neces-
sary and timely and that you will join the effort to collect
one million signatures.

The petition campaign was a mandate from the Emergency Conference
to Defend the Right of the Black Panther Party to Exist, held
last March in Chicago. We are going to the U.N. on November 16,
with continued activities through the week culminating in a
massive rally on Saturday November 21, 1970.

FUNDS ARE ABSOLUTELY NECESSARY to make this a successful campaign,
we must have your help. Please send us your contribution in the
enclosed self-addressed envelope. If your organization, your
union, your church or your club is willing to help with the cam-
paign please solicit sizable contributions from them. The success
of this petition campaign depends on your help in collecting sig-
natures and funds.

We are asking all organizations and individuals to set aside an
extended week - OCTOBER 17 - 25 -- to collect signatures, we
hope that you will be a major part of the "END GENOCIDE WEEK".
All petitions must be returned by November 10. If you need more
petitions please let us know. Brochures are now available for
educational purposes.

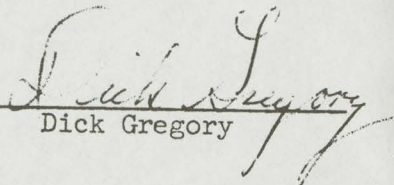

Please let us hear from you immediately. Make your checks payable
to: EMERGENCY CONFERENCE COMMITTEE. Thank you for your prompt
and meaningful support.

Very truly yours,

EMERGENCY CONFERENCE COMMITTEE
