

Documenting the AUC Response to COVID-19 Collection

April 23, 2020

Anne E. Streaty Wimberly, Interdenominational Theological Center

“In order to support, guide, and encourage individuals, church leaders and congregations involved in the ITC outreach programs, the staff of the Youth Hope-Builders Academy and Connecting With Hope Innovation Hub made contact through a letter sent from our office. We developed and sent to church leaders a list of resources and invited them to join in responding to "The Triple T Challenge" by providing their "Tips to Triumph Over Challenge. We received ways these leaders have engaged in ministries amid COVID-19 and developed a special edition of the YHBA and CWHIH Newsletter containing concrete ideas of how to: Keep in Touch, Create Occasions for Encouragement, and Look Forward. A list of tips given by leaders is included.”
