

Documenting the AUC Response to COVID-19 Collection

April 27, 2020

Nombeko Marshall, Clark Atlanta University

“The COVID-19 Pandemic has stolen my last semester as a student at CAU. The many activities and events that seniors get to enjoy, including graduation, for the time being, we cannot enjoy. Spending time with friends, seeing professors, and just being on the AUC campus are all things I would have liked to really embrace during the last few months of a school that I have been at for four years. On top of that, I just joined the Alpha Pi Chapter of Alpha Kappa Alpha Sorority, Incorporated and the one and only semester that I would have been able to host events and perform with my chapter so that has been taken away from me as well. The amount of things that COVID-19 has ruined is endless.”
