HISTORY

Ground Breaking Ceremony

HISTORY

The Interdenominational Theological Center, one of the most significant projects in theological education in America, was chartered in 1958 through the mutual efforts of four denominations, representing four schools of theology. The schools in order of their chronology are:

1. Morehouse School of Religion

"In February, 1867, a school for the training of ministers and other church leaders was organized in the Springfield Baptist Church of Augusta, Georgia, under the sponsorship of the American Baptist Home Mission Society." This school was known as the Augusta Institute until its removal to Atlanta in 1879, whereupon it was renamed Atlanta Baptist Seminary. Twenty years later the Seminary was authorized to offer college work and the name was changed to Atlanta Baptist College. Theological students continued to outnumber liberal arts students until 1923-24.

In 1904 attention was turned to the Divinity School which, though related to the College, had its own instructors who offered the B.D. degree in addition to the B.Th. and the Diploma in Theology.

The name *Morehouse* was adopted in 1913 in honor of Dr. Henry L. Morehouse, Corresponding Secretary of the American Baptist Home Mission Society, and in 1924 the Divinity School of Morehouse College became known as the School of Religion. This change was accompanied by a reorganization of the curriculum, and Dr. Charles D. Hubert, who had been a professor in the Divinity School since 1914, became the first Director of the School of Religion of Morehouse College.

2. Gammon Theological Seminary

Gammon Theological Seminary had its beginning as Gammon School of Theology, first, as a Department of Religion and Philosophy in Clark University in the year 1869-70.

Clark Theological Seminary was opened in February 1872 with twenty-six students. The Reverend L. D. Barrows . . . was selected to head the instructions at the seminary.

Gammon Theological Seminary was founded in 1883 by the Methodist Episcopal Church. Bishop Gilbert Haven and the officers of the Freedmen's Aid Society had purchased nearly 500 acres of high land in the southern suburbs of Atlanta to which Clark University was moved in 1881.

A department of theology was established in Clark University in 1882, through the efforts of Bishop Henry White Warren, resident

bishop, and the gift of \$20,000 for endowment from the Rev. Elijah H. Gammon, a superannuated Methodist minister of the Rock River (Illinois) Conference. The enthusiasm and cooperation of these two men led to the erection of Gammon Hall which was dedicated on December 18, 1883. In June of that year the Rev. Wilbur Patterson Thirkield was elected Dean, and "Gammon School of Theology" was officially opened on October 3, 1883.

Within four years Mr. Gammon offered to give the school more liberal support on condition that it become independent of Clark University so that it might serve the entire Methodist Episcopal Church and all her colleges in the South. In April 1887 the official connections between Gammon and Clark were dissolved, and in January 1888 Mr. Gammon added \$200,000 to the endowment fund. The School was granted a charter on March 24, and the name was officially changed to its present name on December 28 of that year. Dr. Thirkield was the first President.

When Mr. Gammon died July 3, 1891, he had willed the Seminary sufficient additional funds to bring his total gift to more than half a million dollars. In his plans, he intended the Seminary to be a central theological school of the Methodist Episcopal Church for the entire South, open to students of all races and all denominations alike. The Seminary offered without distinction of race, to all students for the Christian ministry, a thorough, extensive, and well-arranged course of study which is now the exclusive function of ITC. Gammon maintains a lectureship and varied activities in relation to its denomination from which she derives resources in addition to income from other basic resources.

3. Turner Theological Seminary

September 23, 1885, just before the doors of Morris Brown College were opened for the reception of students, the Rev. T.G. Steward, D.D., was elected Dean of Theology.

But it was not until 1894 that a Theological Department was formally opened with Dr. E.W. Lee as the dean. Twelve young men matriculated the first day and in three months twenty-four had enrolled.

On June 19, 1900, the Executive Board, by unanimous vote, changed the name from the Theological Department of Morris Brown University to Turner Theological Seminary in honor of Bishop H. M. Turner who had been influential in the development of the school from the beginning.

In the fall of 1957 Turner Theological Seminary moved into its own building apart from the College where it maintained lecture and conference rooms, offices, library and a student lounge.

4. Phillips School of Theology

In May of 1944, the Board of Trustees of Lane College passed a resolution in which it recommended the establishment of a separate seminary at Lane College. The recommendation was referred to the Annual Conferences concerned. In the fall of 1944 Lane College's supporting annual conferences approved the establishment of a seminary and elected trustees of the proposed institution.

The Seminary began operation under the name of Phillips School of Theology at Lane College with the winter quarter of 1944-45, offering the Bachelor of Divinity degree on the graduate level and the Bachelor of Theology for undergraduate students. The 1946 General Conference of the C.M.E. Church gave the Seminary connectional status.

Since 1969 three other institutions have joined the Center with one (Absalom Jones Theological Institute) having withdrawn. The others are:

1. Johnson C. Smith Seminary, Inc.

Johnson C. Smith Seminary was established April 7, 1867, as one of the departments of the Biddle Memorial Institute in Charlotte, North Carolina. In 1923 Mrs. Jane Berry Smith of Pittsburgh, Pennsylvania, generously endowed the institution and constructed several buildings on the seventy-five-acre campus in honor of her husband, Johnson C. Smith. In recognition of this benefaction, the Board of Trustees voted on March 1, 1923, to change the name of the institution to Johnson C. Smith University.

The Seminary moved to Atlanta, Georgia, during the school year 1969-70 on an interim basis. Official action of the University Board of Trustees and the One Hundred Eighty-Second General Assembly of the United Presbyterian Church was taken in May of 1970 and the Seminary became one of the constituent schools of the Interdenominational Theological Center.

2. Charles H. Mason Theological Seminary

Charles H. Mason Theological Seminary was founded March, 1970, and accepted into The I.T.C. upon approval of the trustees of I.T.C. and opened officially, September, 1970. Initial plans for the Seminary were begun in 1969 through the leadership of Presiding Bishop J.O. Patterson. Detailed planning was finalized by Bishop D.A. Burton, General secretary, and Elder Roy Winbush, President of the Church of God in Christ Publishing House.

The Seminary was named in honor of the founder of the Church of God in Christ, Apostle and Prophetic Preacher to our generation, the late Bishop Charles Harrison Mason.

Mason Seminary is hailed as the first Black accredited Pentecostal Seminary in America.

Interdenominational Theological Center

ITC is the school of theology here. It is the pivotal point for this cooperating ecumenical cluster. The Center's actualization was greatly helped by some magnificent grants from philanthropic foundations, especially the Sealantic Fund and the General Education Board. I.T.C. has been accredited by the Association of Theological Schools since 1960.

Faculty members have been chosen both for scholarly competence and for teaching ability. They constitute an outstanding group among the seminaries of the nation. The faculty-student ratio is very favorable, thus insuring small classes and individual attention and with opportunity for flexibility in instruction.

I.T.C. is located on a ten acre plot in the heart of the Atlanta University Center. The site is a generous gift of Atlanta University. The buildings and all other facilities are modern, providing every resource for effective instruction and comfortable living.

The Center is under the direction of a forty member Board of Trustees. Twenty-eight of these trustees come from the six participating schools. The remaining twelve are members-at-large chosen without regard to denominational affiliation. The Trustees employ the faculty and administration, set the policies, and manage the physical and financial resources of the Center.

Dr. Harry V. Richardson served as the first President of The Interdenominational Theological Center from 1959 to 1968; Dr. Oswald P. Bronson served as President from 1968 to 1975. Dr. Grant S. Shockley became President in January of 1976 and served until the end of December 1979. Dr. James Deotis Roberts became President in August, 1980—April, 1983.

NATURE, PURPOSE, OBJECTIVES

Nature, Purpose, Objectives

NATURE

The Interdenominational Theological Center is a graduate/professional school of theology. It is a cooperative venture in theological education with commitment to God as revealed in Jesus Christ and to the Christian Church as Christ Living Body. There are currently six denominations participating in the ITC experience. They are:

African Methodist Episcopal
Baptist
Christian Methodist Episcopal
Church of God in Christ
The United Methodist Church
United Presbyterian Church

Through its interracial and international as well as through its interdenominational character, the Center fosters an atmosphere of ecumenical fellowship. The Center is fully accredited by the Association of Theological Schools, and is actively related to the larger academic community in theological education. In addition, it is an integral part of Atlanta University Center and participates in programs of higher learning with other institutions in the Atlanta area.

PURPOSE

Since its inception the Center has confirmed the appropriateness of its unique venture in interdenominational theological education, a uniqueness that makes it the primary locus of black theological education in America. The Center affirms its pursuit of the entire course of theological education from the perspective of the Christian faith as expressed in the black witnessing community.

The affirmation of this perspective is a matter of dire historical and existential necessity, if the church is to be supported in its continuing struggle for the liberation of oppressed people and for the reconstruction of all people.

Consciously affirming the Gospel of Jesus Christ, the Center explores the theological dimensions of the motifs of liberation and reconciliation, and prepares men and women for Christian vocations in a pluralistic world.

OBJECTIVES

1. To introduce the student to the theological curriculum and its significance for ministry;

2. To increase knowledge of the Christian faith and competence in ministry;
3. To enhance understanding of the relevance of the Christian faith for ministry in the contemporary world;
4. To raise the consciousness of the community regarding the ongoing and significant contribution of women in ministry;
5. To continue to promote research directed into the black religious experience, broadly conceived;
6. To become a liaison institution between theological schools in the United States and the Third World, in Africa and the Caribbean;
7. To expose students to the richness of other religious and cultural traditions.

ATLANTA UNIVERSITY CENTER ROBERT W. WOODRUFF LIBRARY

I.T.C. is an interracial, international, interdenominational center for theological education which proclaim its intention "to pursue the entire course of theological education from the perspective of the Christian faith as this faith has been expressed in the black witnessing community."

In order to accomplish the above purpose the necessity of an adequately staffed, equipped and supported theological library was recognized immediately at the inception of the Center in 1958. Historically, the ITC library has sought to support and further the purposes and objectives of the ITC through the accomplishment of three primary goals: 1) to undergird the theological curriculum of the ITC, 2) to support the special emphasis of the ITC in its service to the black church, and 3) to house the archival material of the constituent denominations of the Center. From 1959 to 1982, ITC has its own library. More recently, the ITC library has merged with the libraries of the Atlanta University Center to create the new Robert W. Woodruff Library of the AUC, Inc. The new library facility houses approximately four hundred thousand volumes, including major reference resources and contemporary academic journals in theology, education, arts and sciences. It has extensive archival space for the constituent members of the AUC at large as well as the constituent members of the ITC. In addition, the new library structure has the very latest computer, microfiche information capabilities, adequate space for faculty and student research, seminars, lectures and colloquia and an effective maintenance and security system. A full-time theological librarian with degree in both theological studies and library science manages the theological collection of the new facility and also holds faculty rank in the ITC.

With the formation of a new library extensive interdisciplinary and related holdings are now readily available to ITC faculty and students. Indeed, the very formation of a single, center-wide library creates the logical setting in which to foster serious interdisciplinary study and research along the characteristics of black theological education in general.

The library is bounded by Beckwith Street on the north; Parsons Street on the south; Chestnut Street on the east and Jephtha Street on the west. The site is two and one-half blocks from ITC and approximately one mile from downtown Atlanta.

LOCATION

The Center's location in Atlanta offers many advantages. The black community of Atlanta is one of the most progressive in the nation with abundant commercial establishments, industries, and professional services. The churches of the city with their social service programs, the welfare agencies, hospitals, and penological institutions all provide a laboratory for the student preparing for the Christian ministry. Atlanta is easily accessible by all forms of transportation and is the hub of Georgia's Interstate highway system. Its airport is one of the busiest in the nation.

INSTITUTIONAL AFFILIATIONS

Atlanta is a major educational center. Six institutions of higher learning in the city form the consortium known as the Atlanta University Center: Atlanta University, Clark College, The I.T.C., Morehouse College, Morris Brown College, and Spelman College. The Atlanta University Center Corporation has greatly increased cooperation among the schools and is providing expanded educational opportunities in which The I.T.C. shares.

I.T.C. maintains close cooperation with the Chandler School of Theology in Emory University, Columbia Theological Seminary in Decatur, and Erskine Theological Seminary in Due West, South Carolina. Students in any one of these schools may take courses in the other without extra cost. Arrangement to take courses on this exchange basis must be made with the Vice President for Academic Services in The I.T.C.

Interdenominational Theological Center cooperates more specifically with the Atlanta University School of Education in offering a dual competency degree.

ATLANTA THEOLOGICAL ASSOCIATION

Through the Atlanta Theological Association, Interdenominational Theological Center enjoys academic and professional affiliations with Candler School of Theology, Columbia Theological Seminary, Erskine Theological Seminary, Georgia Association for Pastoral Care, the Urban Training Organization of Atlanta and the Hinton Rural Life Center. Among significant promising cooperative endeavors are cross-registration, sharing of faculty, library and lectureship in resources, inter-seminary courses, and experimental programs in various academic disciplines and professional specializations. Among these significant cooperative endeavors are the Doctor of Ministry and Doctor of Sacred Theology degree programs.

GEORGIA ASSOCIATION FOR PASTORAL CARE, INC.

Interdenominational Theological Center (ITC) is one of the founders of the Georgia Association for Pastoral Care, Inc. (G.A.P.C.), and participates in the governance of the association in cooperation with Columbia Theological Seminary, Candler School of Theology, the Christian Council of Metropolitan Atlanta, Inc., and Emory University School of Medicine.

The association has a twofold aim: (1) to provide Christian ministry to persons in special situations of need and (2) to provide clinical education in pastoral care and counseling for theological students and ministers.

The association sponsors a number of ministries in Atlanta institutions, including Grady Memorial Hospital and Wesley Homes. It also sponsors the Pastoral Counseling and Referral Service, which has eight pastoral counseling centers in the greater Atlanta area, including one near Emory at 1700 Clifton Rd., and one in ITC.

The G.A.P.C. is an accredited training center of the Association for Clinical Pastoral Education and the American Association of Pastoral Counselors. Several G.A.P.C. supervisors are also approved as supervisors by the American Association of Marriage and Family Therapists.

Several levels of clinical pastoral education are available through the association. A full unit of clinical pastoral education (400 hours of supervised clinical pastoral work) is offered during the fall and spring semesters as well as during the summer. Advanced clinical pastoral education is offered for seminary graduates. For students specializing in pastoral counseling, up to six semesters of pastoral counseling experience are offered at the G.A.P.C. center under the supervision of the association staff.

In addition to its relationship to the G.A.P.C., ITC is a member seminary in the Association for Clinical Pastoral Education, a national organization with centers in hospitals, correctional institutions, community mental health centers, parishes and a wide variety of other community agencies and institutions. Students may elect full-time work in any of these clinical centers for an appropriate amount of credit, usually 8 semester hours.

URBAN TRAINING ORGANIZATION OF ATLANTA

The Urban Training Organization of Atlanta (U.T.O.A.) is an ecumenical body that provides clinical educational experiences for theological students in the Atlanta area. In addition to its training role, U.T.O.A. is also an action agency which works closely with other

community and religious groups to deal more effectively with major issues of social change in an urban setting.

At present U.T.O.A. is involved in three different but related types of action/training in the metropolitan Atlanta area. First, in programs focused on the community at large, U.T.O.A. provides leadership training for community organizations, develops city-wide coalitions and collaborates with government and private agencies. Second, many religious bodies (denominational groups, boards and agencies) faced with problems of urban change, including those rooted in racial and economic transition, turn to U.T.O.A. for training and consultation. Third, in recent years U.T.O.A. has become increasingly involved in the training of seminary students for ministry in its social setting. Such training includes both placement and supervision responsibilities for students at I.T.C. and other seminaries in the Atlanta Theological Association.

C. NON-CREDIT STUDY - AUDITORS

Persons who do not qualify academically for admission to a degree program, or who though qualified do not wish to enroll in a course for credit, may be admitted as auditors to some classes with special permission and upon payment of designated fees. Such persons must have approval by a denominational dean of one of the affiliated Seminaries or by The I.T.C. Dean in charge of non-affiliated denominational students. They may be admitted to any one of the following categories:

1. Theological Inquirers with qualifications normally required;
2. Theological Inquirers without qualifications normally required;
3. Persons who need exposure to theological education in order to serve in certain denominational capacities and who are recommended by their respective denominations.

Grades are not to be reported, nor in any instance may credit be granted for work taken by audit.

D. D.MIN AND S.T.D. APPLICANTS

Applicants who would upgrade the proficiency of their ministry may register for either the degrees of Doctor of Ministry or Doctor of Sacred Theology In Pastoral Counseling. Both degrees are designed for post seminary students who have demonstrated superior professional leadership as well as academic achievement. (See pages 54, 57).

REGISTRATION

Registration should be made on the day announced in the calendar. A course may not be entered after the first week except with the approval of the Vice President for Academic Services and the instructor concerned.

Changes in registration must be made with the Registrar within the first week of the semester and after the student has secured the approval of the instructors concerned and the Vice President for Academic Services.

Registration in a course is usually for credit, but a student, with the consent of the instructor, may register as an auditor.

Credit cannot be earned in a course unless the student has registered for credit in a regular way.

Courses in other Atlanta University Center schools for which credit is desired must have prior approval of the Faculty, after recommendation by the particular Field in which a given course may be regarded as suitable. Experiences outside the published curriculum may receive credit - *provided that upon recommendation of a given Field the Faculty grants prior approval.*

Where a transcript indicates that a student has had certain courses that are parallel to I.T.C. required courses (Core), the student may request to have an examination in such area(s), and upon the successful completion of such examination(s) the student is exempted from that course(s) and may be permitted to take advanced courses. It is to be noted that *no credit will be given for courses from which the student has been exempted.*

Withdrawals. A student is enrolled in a course after having registered for it, unless and until withdrawal from it according to procedure as stated in the *Catalog*. Privilege to withdraw from a course is the student's until the date stated: after this date further privilege may be granted for Providential reasons as stated. *Instructors are required to report an earned grade for each student who does not withdraw officially, keeping in mind attendance requirements.*

A student may withdraw from the *institution* at any time, and records are to indicate such withdrawal including the date. **Anyone who does so withdraw must submit an application for re-admission and pay the application fee.**

Regular Sessions

The academic year includes two semesters of sixteen weeks each. The unit of credit is the semester credit. Twelve semester credits are the minimum and sixteen the maximum for the regular student. Anyone who has been admitted as a regular student with an A.B. or equivalent degree from an accredited college will be limited to fifteen credits during the first semester of study, sixteen credits thereafter.

Summer Session

Conditions that obtain in regard to the Summer Session are the same as those in effect for the Regular Semester Sessions except in the matter of credits for which one may register, the frequency of class sessions, making changes in registration, and time for withdrawal from courses. The maximum load for Summer School will be twelve semester credits.

For further information, write to Mrs. Edith Thomas, Registrar, The I.T.C.

WORK LOAD

A full-time student must carry a minimum of eleven or twelve credits or a maximum of fifteen or sixteen. This is a work week for the becoming scholar of 33-45 hours. A normal work week is 40 hours. If you add to the above work for pay because of necessity limit it to ten hours plus travel. However, if your needs make this suggestion inadequate you need to adjust your learning schedule downward and take more time to complete requirements for the degree sought. A semester or year experience together will enable student and advisor to plan appropriately for the other years.

Attendance

All Juniors are required to attend class sessions, without exception. Class attendance is essential to the learning of Middlers and Seniors also. Individual professors may require full attendance of all students in special classes such as seminars.

Chapel attendance is expected.

Classification

Junior: Candidates for either the M.Div. or the M.R.E. degree with fewer than 28 credits and 56 quality points.

Middler: Candidates for the M.Div. degree who have completed 28 semester credits with 56 quality points.

Senior: Candidates for the M.Div. degree who have completed 58 credits with 116 quality points including all first-year required courses; and candidates for the M.R.E. degree who have completed 30 semester credits with 60 quality points.

Definitions

Auditor: Anyone permitted to attend a course without credit or grade.

Dean's List: A student whose performance at the end of a semester is 3.50-4.00.

Exchange: Students enrolled in The I.T.C. and taking courses elsewhere for credit here; and those taking courses here for credit elsewhere.

Exemption The student's I.T.C. transcript shall indicate those courses from which the student has been exempted by examination.

Graduate: Candidates for the S.T.D. or D.Min. degree.

Honor Roll: A student whose performance at the end of a semester is 3.00-3.49.

A student's classification may change in mid-year. All classification lists must conform to the Registrar's records.

Part-Time: Students regularly enrolled for fewer than 12 credits toward a degree.

Regular: Students who have met all academic requirements for admission; and who are enrolled for 12 or more semester credits toward a degree.

Special: Those who are enrolled in courses for credit toward a degree but have not qualified for full admission because of incomplete undergraduate work. Persons who have completed basic degree programs and are doing work for enrichment and academic credit.

Standards

At the close of each semester, each instructor reports the grades of each student in his/her classes to the Registrar. The grades are permanent.

Grades are awarded as follows: A, Excellent, 90-100; B, Good, 80-89; C, Fair, 70-79; D, Poor, 60-69; F, Complete Failure; I, Incomplete; W., Withdrawn. For a rating of A-F, the teacher may follow a different model. E.g. The scientific approach.

Quality points are reckoned as follows: A-4; B-3; C-2; D-1; F-0; I-0; Withdrawn-None.

Core courses for which a final grade of "D" or "F" was received may be retaken until the course is passed with a grade of "C" or better. Only the better grade will be used in computing the GPA

although both grades remain on the transcript. (Effective September 01, 1983).

Grade Point Averages are computed by dividing the total credits for which a student is officially enrolled into the total number of quality points earned each semester.

Not more than 15 semester credits of the total 90 for the M.Div. degree or 10 semester credits of the 60 required for the M.R.E. degree may be of D grade. A grade of D can be changed only by repeating the course.

Elective courses for which a final grade of "D" or "F" was received may be retaken once. Both grades remain on the transcript but only the better grade will be used in computing the GPA.

All courses are to be completed within the period during which they are offered and for which the student is registered. However, for Providential reasons, **and at the discretion of the instructor**, a student who is not on probation may apply for an incomplete grade for the course.

A formal request (secure petition form from Registrar's office) must be made in triplicate in order to obtain an "I" where needed in a course. If granted the applicant will be given additional time to complete the course (not to exceed four weeks from the date of application). The cost for this privilege is Fifteen Dollars (\$15.00) payable to the I.T.C. controller on the contract date. Then, on presenting receipt to the office of the Registrar the change of grade will be processed. In case of default (no report) the grade becomes "F."

Probation, with load limited to 12 semester credits during a regular semester, is automatic when a student's cumulative average is below C. It may be imposed by the Educational Policy Committee or the Vice President for Academic Services.

Any student whose performance at the end of the first year is below a cumulative average of D will be dismissed.

Any student whose performance at the end of the second or mid-dler year is between the cumulative average of 1.00 and 1.99 or less than C will be dismissed.

A student dismissed for academic reasons (failure to maintain the required grade point average) will not be readmitted.

Christian character is as much a part of a minister's equipment as his/her ability to minister in any or all of its functions or his/her academic training. Graduation from the Center will depend upon character as well as academic excellence. A student may be asked to withdraw from the Center whenever his/her conduct is unbecoming a candidate for Christian leadership.

Additional Provisions

A student transferring from another accredited seminary must complete at least the last 30 semester credits, or a year's work, at the Center.

Courses in denominational history, polity, and doctrine are required by ITC for the constituent denominations. For students in the S.T.D. and D. Min. programs, such courses are regarded as preliminary.

In order to continue as a candidate for a degree, a student who is not enrolled for courses must pay the semester maintaining matriculation fee required by the Center.

Degrees will be granted *in absentia* only upon formal application by April 1 and approval of the Vice President for Academic Services.

THE COST AT INTERDENOMINATIONAL THEOLOGICAL CENTER

The Interdenominational Theological Center is aware that the cost of an education is a major expense for a family, and it makes every effort to keep its charges as reasonable as it can without sacrificing the quality of its program.

The tuition and other fees paid by the students cover only a small portion of I.T.C.'s total operating budget. The balance is received in the form of gifts from friends and foundations. A major portion of the budget is affiliation fees paid by constituent seminaries. The Center has an endowment which has been invested for the purpose of earning income. This income is also applied toward the operating cost of I.T.C.

STUDENT EXPENSES AT I.T.C.

Student expenses at Interdenominational Theological Center are moderate. *Tuition and fees are subject to change annually.*

†See "Basic Expenses" on pages 56 and 58 for D.Min. and S.T.D. programs.

**Dormitories are operated by member seminaries and fees are paid to the operator.

POLICY OF PAYMENT OF COSTS

The registration of a student signifies the assumption of definitive obligation among student, constituent seminary and the I.T.C. It is an agreement by all parties to fulfill the terms of the registration contract. All outstanding bills and current charges for the I.T.C. are payable in full at the beginning of each semester. However, a 50 per-

cent partial payment plan is available for current charges provided their application for credit is approved by the Controller. *All old charges (unpaid bills) must be paid in full before registering for the following semester.*

Under the partial payment plan students will be required to pay at least 50 percent of their total semester school charges at registration. The remaining balance will be required before final examination permits are issued.

NO EXCEPTIONS TO THIS POLICY WILL BE PERMITTED.

A STUDENT WILL NOT BE ALLOWED TO REGISTER FOR ANOTHER SEMESTER, WILL NOT BE GRANTED A DIPLOMA OR CERTIFICATE; NOR WILL HE/SHE BE FURNISHED A TRANSCRIPT OF RECORD FOR ANY PURPOSE UNTIL SETTLEMENT OF HER/HIS FINANCIAL OBLIGATIONS.

The deposit for the dormitory is payable prior to June 15, for students entering the Fall Semester. It is due November 15th for those entering Spring Semester. The fee is non refundable after these dates. This fee should be submitted to the respective seminary dean.

The deposit for the apartments and trailers is applicable to above payable dates; *however*, the deposits are payable to I.T.C. Business Office.

FINANCIAL AID

Financial Aid is available both through constituent seminaries and through the I.T.C.'s Financial Aid Office. All students interested in receiving financial aid should file an application with their Dean and the I.T.C.'s Financial Aid Officer before April 1. Delay beyond this date may hinder their chances of receiving financial aid. The parental information must be completed by your parents.

It is the aim of the I.T.C. to provide financial assistance for every needy student. The financial assistance is made within the Center's resources together with those from federal and private agencies.

The major forms of financial aid to our students are provided by the federal government. These programs are College Work Study (CWS) and National Defense Student Loan (NDSL).

HOW TO APPLY

Students who wish to receive financial assistance must complete the Graduate and Professional School Financial Aid Service (GAP-SFAS) application, and mail directly to GAPFSAS, Box 2614, Princeton, N.J. 08541.

A decision for financial assistance on a new student's application is made after admission has been approved to the Center.

Receipt of Financial Aid in one academic year does not automatically mean financial assistance will be given the following year. You must make a GAPSFAS application each year.

TYPES OF ASSISTANCE

CWS - COLLEGE WORK STUDY - This is a program that provides part-time work at the Center. It is designed to assist students in their school expenses. Students may work a maximum of 15 hours per week while classes are in session, and 35 hours per week during the summer. The rate of pay varies but is at least equal to the minimum wages set forth in the Fair Labor Standards Acts.

GSL - GUARANTEED STUDENT LOANS - This is a program of borrowing that is designed to assist students in obtaining financial assistance necessary to continue their seminary education. A student may apply if he/she is enrolled or has been accepted for admission for at least a half-time student. Normally the annual loan maximum is \$5,000.00. However, some states have the option to decrease their maximum.

For an application contact your local bank and/or the Financial Aid Office.

NDSL - NATIONAL DIRECT STUDENT LOAN - This program is funded by the federal government. Funds are available to both new and returning students. A student must be enrolled or have been accepted for enrollment in full-time or at least half-time studies and must demonstrate financial need. A student may borrow up to \$2,500.00 a year with no interest accruing while in school. Interest is charged at the rate of 4% per year, and begins to accrue 6 months after attendance ends. There are deferments and cancellations advantages with this program.

Institutional Aid

Teagle Grant is a grant offered to students who demonstrate a financial need. Funds are made available through the Teagle Foundation.

Denominational gifts and grants are available through respective seminaries.

REFUNDS AND WITHDRAWALS

Students who officially withdraw voluntarily or involuntarily from I.T.C. within the time specified after the scheduled registration date may receive refunds. Board charges will be refunded on the basis of food costs only on the remaining unused portion. Students service fees and all other special fees are non-refundable. Formal application for withdrawal must be made to the Registrar and permission granted by the Academic Dean and Controller before students may leave I.T.C. at any time during the semester. Students who withdraw unofficially at any time during the semester will be charged for the entire semester.

When students withdraw within the time specified, all unused financial aid will be returned to the appropriate program sources (federal and non-federal) and not refunded to students.

Upon official withdrawal refund of tuition will be made according to the following schedule:

During first week of semester	80%
During second week of semester	50%

ACTIVITIES

STUDENT AFFAIRS

The community of I.T.C. offers more than just a formal education. Every student has the opportunity to participate in a variety of religious, social, cultural, and recreational activities that the city of Atlanta offers. Student Organizations

The Student Christian League is the representative body of the entire I.T.C. community of students. It is responsible for directing a wide variety of seminarian activities. Students are represented on all institutional committees to which they are elected by the student body.

CHAPEL SERVICES

Services of worship, which are held regularly throughout the school year, are planned and directed by a joint Faculty-Student Committee. These services provide for the deepening and enriching of the devotional life of students and faculty, and for participation in the conduct of public worship.

STATEMENT OF THE PHILOSOPHY OF THE ITC CHAPEL

Worship is response to the experience of the presence, power, love, and guidance of God revealed in Christ to us personally and corporately, and the practicing of that presence in personal and social life.

In The I.T.C. it is more than the Chapel extending as it does to the total life of the community. As a complete experience, its forms and freedom are many: communication between God and God's people; praise and adoration; and God speaking to us through proclamation of the word, dialogical sermons, drama, lectures, music, films and other audio-visuals - all with an emphasis on instruction and experiencing.

The Chapel experience is the most important aspect of our seminary community. It is the one place where we may all gather as a family to worship God, to lift up the Son as the Lord of our lives and the Source of our nurture, and to accentuate our unity of dedication and purpose in ministry through the power of the Holy Spirit, whom we all share. The Chapel is the church of our particular community, where the welfare of the total family is the theme of all that we do and say.

Our unique community reflects its unity in diversity, which is a quality of life that provides every person access to the total experience and work of the Center. In this setting, we are informed, inspired, and instructed:

- a. by the local and churchwide implications of our common life,
- b. by the life and thought of students, faculty, and dedicated religious leaders,
- c. by the discipline and diversities existing in our common life.

Therefore, our commitment is to establish and maintain our Chapel as an expression of the "Beloved Community", where we seek to capture in each service the beauty and warmth of biblical faith which transforms us into a community of God's family here on earth. In worship one may see our unification in the Spirit as our purpose for Worship.

The Chapel can provide the opportunity for a systematic, continual, and intentional integration of our diversity as a dynamic process of growth in unity that does not seek to culminate in assimilation.

Programs of Study

The Center offers five degree programs, one of which is dual degree or double competency programs. These programs are: Master of Divinity; Master of Religious Education; Master of Religious Education and Master of Education; Doctor of Ministry—In Career; and Doctor of Sacred Theology.

The Doctor of Sacred Theology and Doctor of Ministry degrees are offered in cooperation with other seminaries and agencies in the Atlanta Theological Association (ATA). The M.R.E.-M.A. degrees in Education are offered jointly with the School of Education of Atlanta University.

1. Terms of Admission

a. Graduates of accredited liberal arts colleges, whose personal and academic credentials are satisfactory, usually are admitted without conditions.

b. Graduates of non-accredited liberal arts colleges, or of accredited state institutions, such as teachers' colleges, and technical schools, will be considered on the merits of their personal and academic records.

A. Master of Divinity

2. Requirements for the Master of Divinity

a. The minimum requirements for the Master of Divinity degree are 90 semester credits completed with a grade point average of not lower than 2, or C. Not more than 15 semester credits may be of D grade. All requirements for the M.Div. must be completed *within five years* from the date of first registration. If work has not been completed within this period, a candidate may apply to the Faculty for readmission. *If a student returns after an absence of two years, the requirements will be those current at the time of return.*

Of the 90 semester credits required for graduation, 56 are distributed among the five fields of the curriculum, and constitute a core. This core must be taken by all candidates for the M. Div. degree. In addition, each student is required to elect an area of concentration among the five fields of the curriculum. *Eleven credits* are required for the concentration. There are two options—one may satisfy the concentration requirement by doing eleven credits of course work only. The other option is to do *nine* credits of course work and a Senior Critical Essay for two credits.

All courses in the concentration must be completed with a grade of "C" or better.

Courses on the graduate level offered outside of the I.T.C. may be taken for credit in the I.T.C. provided students express interest in them and they are recommended by the several fields and approved by the Faculty. A student concentrating in the Biblical Field will choose 3 credits each in the upper level Old Testament and New Testament courses, and 5 additional credits in one Testament or 3 additional credits in one Testament and write a critical essay in that Testament for 2 credits.

Critical Essay.-Each candidate may write and present a satisfactory **critical essay** during the Senior year. The Essay carries two semester credits. The student's topic must be approved by his or her Advisor and the Vice President for Academic Services by the first Thursday in November. The first draft of the Essay must be submitted by the student to the Advisor by the first day of class of the second semester; the final draft by the first Thursday in April. The approved final draft of the Essay must be submitted to the Vice President for Academic Services by the Advisor no later than the third Thursday in April, with appropriate letter grade. Any student who chooses *not* to do the Senior Essay must do an additional two-credit course in his/her area of *concentration*.

A Manual for Writers of Term Papers, Theses and Dissertations, by Kate L. Turabian, is to be used as the official standard for style for all written work.

c. Distribution of Credits

C. M.R.E. AND M.A. IN EDUCATION DOUBLE-DEGREE PROGRAM

(The last date for admission to this program is September 1, 1983)

This program is offered jointly by I.T.C. and the School of Education of Atlanta University. The student can enroll in either institution first and then apply for participation in the dual-degree program with the other institution. The M.A. in Education is awarded by the A.U. School of Education, and the M.R.E. is awarded by I.T.C.

If the student first comes to I.T.C., he or she must achieve an average of "B" in order to be considered for the dual-degree program; and the student must be enrolled in the M.R.E. program.

Students from I.T.C. may work in any of the departments at A.U.'s School of Education as long as they meet the requirements of that department. A possible program for the student could be as follows:

First year and summer	32 Semester credits at I.T.C.
Second year and summer	39 semester credits at A.U. School of Education (Thesis optional)
Third year	26 hours at I.T.C., and M.R.E. Senior Essay

Special Note: All financial arrangements must be made by the student in relation to each school as attendance in each is planned. There is no overall funding of the program or general scholarship covering all three years and from one source. Additional information about the M.A. in Education should be obtained directly from the A.U. School of Education.

D. THE DOCTOR OF MINISTRY PROGRAM (D. MIN.) (In-Career)

The Doctor of Ministry degree program is offered to qualified men and women currently engaged in ministry, through the Atlanta Theological Association, which is composed of the Candler School of Theology, Columbia Theological Seminary, Erskine Theological Seminary, and Interdenominational Theological Center.

The In-Career Doctor of Ministry program is designed to continue the education of persons for their practice of ministry in the church

and in related institutional settings. It is intended to provide an advanced, yet flexible, education for those whose vocation as servants of people and servants of Jesus Christ implies their further disciplined reflection upon, and possible their further specialization within, their own ministry.

The program rests on a base of general theological preparation, and moves toward an area of concentration that permits the student to explore the conjunction of theory, experience, and professional intentions in ministry. A distinctive feature of the D.Min. degree is the doctoral project, which focuses that exploration upon an aspect of the future professional work of the student. As a doctoral degree, the D.Min. differs from the Ph.D. and the Th.D. in its professional character and in its design to prepare persons for ministries other than research and teaching in institutions of higher education.

One major aim of the program is the achievement of an integrated understanding of ministry from Biblical, historical, theological, social and personal perspectives. A second major aim is to focus academic and experiential learning around those tasks of ministry significant to the ongoing ministry of the student.

The D.Min. objectives are complex because they touch several levels of an educational process concerned not only with disciplines but also with persons and institutions. Governing all goals, however, is the aim that the program directly strengthens a student's own servant ministry. All other purposes lose their significance unless that intention is understood and honored.

The In-Career Doctor of Ministry program for the working minister is administered by the schools participating in the Atlanta Theological Association. The program has been designed to continue the education of persons for their practice of ministry in the church and in related institutional settings. It provides an advanced, yet flexible, education for those whose vocation as servants of people and servants of Jesus Christ implies their further disciplined reflection upon, and possible their further specialization within, their own ministry.

General Requirements

Applicants must hold the M.Div. or equivalent degree from an accredited college with a superior academic record and/or professional performance. One year of involvement in professional ministry must have elapsed between receiving the M.Div. degree and applying for admission to the D.Min. program. *Applicants who have three or more years of professional experience in the ministry will be given preference.*

Basic Expenses

Application Fee	\$20.00
Tuition	\$80.00 per credit
Registration Fee	\$10.00 per semester
Library Fee	\$5.00 per semester

Curricular Requirements

Thirty-six semester credits are required for the completion of the Doctor of Ministry program. Of the thirty-six credits, eighteen are fulfilled in elective course work in one of the A.T.A. schools of theology. The remaining eighteen credits are comprised of a D.Min. Core Seminar, an approved clinical experience, and a concluding doctoral project/dissertation. Program requirements are spread over a four-year period to enable occasional part-time study.

The Electives. The eighteen seminar credits of elective courses are chosen by the student, with the counsel of his or her Advisor, in light of personal needs and interests and as determined by the student's overall intentions for the program. Care must be taken, however, to include some work from each of the three basic study areas: Normative, Empirical, and Functional. As much as one-third of the elective requirements (6 semester credits) may, with permission of the student's Advisor and the A.T.A. Graduate Professional Studies Committee, be fulfilled in an accredited institution of graduate education outside the A.T.A.

The D.Min. Core Seminar. Early in the program all students are expected to participate in a Core Seminar which seeks to facilitate the interchange of disciplinary perspectives around particular issues of contemporary ministry and professional development. The seminar is team-taught by faculty from several curriculum areas, and students themselves are responsible for much of the seminar's content. One specific aim of the seminar is to aid the student's formation of his or her own Ministry Theory; another is to provide a forum in which the three basic study areas of the program - normative, empirical, and functional - can be experienced.

Clinical Experience. One quarter of supervised clinical experience is required. An additional quarter may be elected by those for whom this is a special need or interest. These may take place in settings as diverse as a teaching hospital (administered under the Clinical Pastoral Education Program); a business, governmental or voluntary agency (administered under the Urban Training Organization of Atlanta), or in a church agency where appropriate supervision and learning opportunities are available. One important feature of the clinical experience is that it takes place in a setting outside the stu-

dent's ordinary work situation to enable him or her to achieve some new perspectives on self, profession, and the relation of both to the needs of other persons and institutions.

Doctoral Project. The above three elements of the study program are intended to converge in the development of a doctoral project. Proposals for the project are welcomed at any time in the student's progress through the program, and such proposals can serve as an integrating focus for the individual's overall study program design. Plans for the project are not considered final until the other parts of the program are completed. Ordinarily the project is to be undertaken in the setting where the student is carrying on his or her own ministry. Scheduling of completion of the project is flexible.

Application

Formal application documents in triplicates include biographical data, academic records, and a personal statement of not more than ten double-spaced pages describing the applicant's interests and goals for his/her D. Min. program. These data will be assessed by the Admission Committee who will make its recommendation to the Director of the program for report to the applicant of approval or disapproval.

Along with these other data are sent a non-refundable fee of \$20.00 to the ITC.

A personal conference must be arranged with the Director of the program as a basic step in the process toward achieving the D. Min. degree.

INFORMATION PERTAINING TO VETERANS*

Proposed changes to VA Regulations were published in the Federal Register, dated May 27, 1975. Four of these changes are listed below:

1. Educational benefits should be discontinued when the veteran or eligible person ceases to make satisfactory progress. No student will be considered to have made satisfactory progress when he or she fails or withdraws from all subjects undertaken (except when there is a showing of extenuating circumstances) when enrolled in two or more unit subjects.
2. Any changes in the number of credit hours or the clock hours of attendance or instruction or any other modification in the course as certified at enrollment must be reported promptly to the Veterans Administration.
3. Information regarding any changes or an interruption or termination of training must be reported during or immediately after the end of the month in which the event occurred.
4. An official withdrawal date under policies of the school will not serve as the effective date of discontinuance of training allowance if actual attendance ceased before the withdrawal date.

In summary, it appears that:

1. The VA will no longer pay students who are failing, not attending classes, or not otherwise making satisfactory progress toward an educational objective.
2. If a student stops attending a class or classes, it must be promptly reported to the Veterans Administration.
3. Such changes must reach the Veterans Administration the first of the month after the student stops attending.
4. The effective date is not the official date of withdrawal, but the last date of attendance.
5. Failure to comply with the above may jeopardize further VA benefits.

* For information regarding the grading system, class standing, scholastic standing, class attendance, conduct code and special studies see the entire section on *Academic and Special Programs*.

Alumni Association

The Alumni Association of Interdenominational Theological Center seeks to be a viable and vital instrument for mobilizing alumni into a productive source of financial and moral support for the Center. It aims to promote ecumenical fellowship and unity of efforts in harnessing vast potential of alumni goodwill, concern and support for I.T.C.

As the Alumni Association looks to the future, it is with hope and anticipation of a major change in organizational structure, with an Administrative Council replacing the present elected administrative officers. This hopefully will lead to a more effective alumni organization.
