

Black Man Someday, Will Come Into His Own, Wilson Foretells

Sides With President Against Candidate Who Professes His "Love" For Colored Georgians

By NANK WILSON

If I were passing out of this old sin smitten world and requested by Gabriel to give my parting interpretation on what people Christ had reference to when He said in his inimitable sermon on the Mount Blessed are the meek they shall inherit the earth.

My answer would be: "That group of faithful people who worked two hundred and fifty years without murmur nor complaint, the only pay they received as cruel and inhuman treatment in days of slavery.

The group who stayed at home and made crops took, care of the old homestead fed the men who shouldered guns on the battlefield to keep these faithful people in bondage. Hats off to these pious, patriotic sons of Ham, not a single fireside invaded by these meek Godly men notwithstanding wives, daughters and mothers of these soldiers were inmates of these homes.

ONLY THE NEEK

Men who will stand for taxation without representation, one has said this is tyranny and tyranny is hell, nothing but the meek would endure such tyranny."

In the forthcoming election September 14, thousands of colored men and women will not be permitted to vote in Georgia because of disfranchisement limitations based on color. None but the meekest of the meek would pay every tax required under the law and swallow this kind of treatment.

There is no wonder the Christian gentleman, Franklin D. Roosevelt is calling for godly men to come over in Macedonia and help him carry out a program handed down from Jehovah. He is "dead-right" in calling for the retirement of all "moss back," pork Barrell" politicians, the people should say Amen with their votes on election day and keep these oppressors of the poor at home where they belong.

FUNNY LOVE

One of these candidates for the United States Senate in a speech went on to say in his explanation as to why he voted against the Anti-lynch bill, he loved the Negro, which reminded me of a story I heard about a rich man who went up to heaven and dreamed entrance.

Peter after looking up the rich man's earthly record found that he had given fifteen cents to charity while on earth. Peter went to the cash register, got out fifteen cents

which he gave to the rich man and told him to get to hell with it.

We are ready to return this kind of love to any man that he might entertain for our group, that he can bestow it on demons in the lower regions. He that oppressteth the poor to increase his riches and he that giveth to the rich shall surely come to nought.

Let's pray for all our enemies, political, religious and others.

The Psalmist says, if a man's ways please the Lord, He will make even his enemies to be at peace with him.

Let this, the words of Jesus Himself as our pacifier, Matt. 5-11. "Blessed are ye when men shall revile you and persecute you and shall say all manner of evil against you falsely for my sake Rejoice and be exceedingly glad for great is your reward in heaven." Let us see to it that these things are falsely said against us, then we can rejoice.

DOGS ARE BETTER

How in God's name men can rejoice and be happy over a salary of ten thousand dollars, as United States Senators, per year, then legislate against the poor man to keep him from earning a minimum wage of forty cents per hour is a puzzle that is hard to understand.

It makes me think, the more I see of some men the better I like all dogs. For it is written, "I will

destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent." 1 Cor. 19. Let our group get right and stay right with God and God will make our enemies get right with us.

Fred Douglass said, "God and one man is a majority." Someday in the near future the black man will come into his own. Our worst enemies are now on their last legs. Like the boy going through the graveyard at midnight, they are whistling to keep up courage. James 2-6 "But ye have despised the poor. Do not rich men oppress you?"
