# Morris Brown College 120th. Anniversary

## Mission of the College

Morris Brown College, founded in 1881 by the African Methodist Episcopal Church, is a private, coeducational, liberal arts college engaged in teaching, research, and public service in the arts, humanities, education, professional programs, and social and natural sciences.

The primary mission of Morris Brown College is to provide educational opportunities in a Christian environment that will enable its students to become fully functional persons in society. In accomplishing this mission, the College prepares graduates to live meaningful and personally rewarding lives, therefore enabling them to make socially constructive and culturally relevant contributions to society. In fulfilling this mission, the College accepts the obligation to place events and points of view in the context of humanity's long intellectual history and to expose both to the light of humanity's best thinking. To that end, the College must maintain the distance that will permit engagement with contemporary events only to the extent that such a focus does not interfere with the ability to study with objectivity and to reflect upon such events dispassionately.

Morris Brown College, in its commitment to academic excellence, provides experiences that faster and enhance intellectual, personal, and interpersonal development for students who have demonstrated potential to complete a challenging undergraduate liberal arts program of study.

Moreover, since educational endeavors may not be circumscribed by the limitations that students bring with them to the institution, the College, in its commitment to a liberal admissions policy, provides access to personal development and intellectual growth for students who show potential for sustained study at the undergraduate level. The College recognizes that variables characterizing students admitted on this basis often reflect experiences that may not be indicators of capabilities of future accomplishments.

## MBC Facts

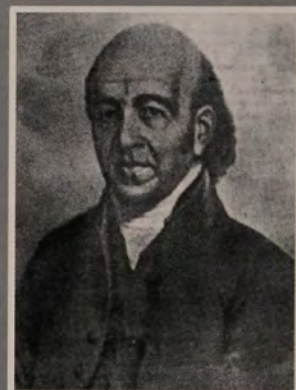

Morris Brown College, founded in 1881 by the African Methodist Episcopal (A.M.E.) Church, is the only private, four-year, coeducational, residential liberal arts college in Georgia to be established by African Americans for the education of young African Americans. Today's enrollment reflects a diverse population of students from across the nation and around the world.

The College offers baccalaureate degree programs in more than 40 different areas, including business administration, mass communications, marketing, mathematics, art, accounting, paralegal studies, computer science, chemistry, biology, psychology, engineering, architecture, landscape architecture, hospitality administration, and therapeutic recreation. Morris Brown is unique in that it nurtures the talents and abilities of students with high intellectual capacities and meets the needs of all other students who show academic potential.

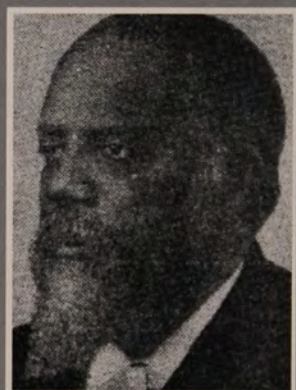

The student/faculty ratio of 20:1 ensures that each of Morris Brown's more than 2,000 students who come from more than 40 states and over 30 foreign countries has access to personalized assistance. There are approximately 20 students from foreign countries attending Morris Brown. Many are attracted to the institution through the hundreds of African Methodist Episcopal missions around the world.

Located on a 21-acre campus near downtown Atlanta, Morris Brown has eight academic buildings, six residence halls, a campus center, an athletic field and stadium complex, and a recreational complex and gymnasium. The Georgia capital boasts a world-class orchestra, ballet, art museum, and numerous galleries; it is the convention and visitors center of the Southeast; and it has four professional sports franchises. The College, which is part of the Atlanta University Historic District, is near the Martin Luther King Center and birthplace, and the historic Herndon Home — built by the founder of the Atlanta Life Insurance Company — is adjacent to its campus. During the 1996 Summer Olympic Games, Morris Brown College's Herndon Stadium was replaced with a new state-of-the-art facility that hosted the Olympic field hockey competition.

Morris Brown is accredited by the Southern Association of Colleges and Schools. Morris Brown College is one of six institutions that make up the Atlanta University Center, the world's largest consortium of higher education institutions serving African Americans. The College is also a member of the Council for the Advancement and Support of Education; the National Association for Equal Opportunity in Higher Education; the Council of Independent Colleges; the United Negro College Fund; and many learned societies.

## *The Morris Brown Story*

On October 15, 1885, just 20 years after Abraham Lincoln signed the Emancipation Proclamation, 107 students and nine teachers walked into a crude wooden structure at the corner of Boulevard and Houston Streets in Atlanta, Georgia, marking the formal opening of the first educational institution in Georgia under solely African-American patronage. That institution was Morris Brown College, named to honor the memory of the second consecrated bishop of the African Methodist Episcopal (AME) Church.

The circumstances that evoked the founding of Morris Brown are traditionally linked to a visit by a group of Clark College trustees to Big Bethel Church to interest the AME supporters in furnishing a room in their institution. In response to the proposition they presented, layman Stewart Wiley said, “If we can furnish a room at Clark College, why can’t we build a school of our own?” These words ignited a flame in the mind of the Reverend Wesley John Gaines. On January 5, 1881, during the North Georgia Annual Conference at Big Bethel, he introduced a resolution calling for the establishment in Atlanta of an institution for the moral, spiritual, and intellectual growth of Negro boys and girls. The steps between the

resolution and the opening were few and simple: The Georgia Conference was persuaded to join in the endeavor. As assembly of trustees from both conferences convened in Big Bethel Church and selected the Boulevard site as the school’s home. In May of 1885, the State of Georgia granted a charter to Morris Brown College of the AME Church.

The fact of its founding as a child of the church not only determined the institution’s philosophical thrust, but also created a system of support which functioned to channel its early energies toward developing programs to serve the needs of students from low socioeconomic backgrounds. The College, at that time, was largely dependent upon a denomination whose constituency was primarily unskilled, untrained, and economically unstable. In order to survive, the College had to absorb into its enrollment a large segment of underachieving students whose parents were loyal supporters of the Church that kept its doors open. What began as survival strategy of Morris Brown in 1881 became the liberation cry for Black masses and the country at large in the 1960s. At that point of higher education, that cry was heard in all colleges — Black and White, large and small, state and private — in the form of pressures to develop programs

in tune with the needs of economically disadvantaged youth. For Morris Brown, however, it was a matter of doing what came naturally — better and more effectively.

If there is uniqueness about Morris Brown, it is perhaps a kind of institutional flexibility, based on the assumption that a college can serve the needs of all students with the desire and the potential to earn a college degree. In a campus atmosphere — conducive to well-balanced growth, and an academic program consisting of course content, course requirements, and teaching methods geared toward the preparation, motivation and achievement levels of both types — the College not only has inspired average and better-than-average students to great heights of achievement in competition, but has also transformed sensitive “high risk” students into performers far better than their credentials suggest them capable.

Morris Brown College now stands as a thriving institution, fully accredited by the Southern Association of Colleges and Schools, with majors offered in more than 30 areas of study, including Business Sciences, Computer Science, Chemistry, Biology and Hospitality Administration. The College currently is under the capable leadership of President Dolores E. Cross, Ph.D.

# BROWNITE 60TH ANNIVERSARY

One Hundred-Twenty Years of Morris Brown College,  
Sixty Years of Brownite Yearbook Cover-  
age:

This History Belongs To All of Us

**E**ver stop to wonder just what it is that sustains the momentum that Morris Brown College is so well known for? Has it ever occurred to you that Morris Brown College always managed to pull another miracle out of its hat just when things seem darkest? Morris Brown College is famous for its ability to prove itself capable of conquering insurmountable odds, and surviving under the most trying of circumstances. Years of 'triumph over trial' have marked Morris Brown's history, and have left the school stronger than ever.

Morris Brown College is one hundred and twenty years old this academic year. For one hundred and twenty years, church leaders, academicians, community officials, and concerned citizens have pooled their collective resources and talents to provide an educational institution that truly has the best interests of African-Americans at heart. The school is to be commended for its efforts to recognize, display and promote the many hidden talents of academically stellar as well as under-represented students within the state of Georgia and across the world. The very fact that a college with this focus exists is a testimony to the courage, insight, and vision of the African Methodist Episcopal Church, and the Founding Fathers of our institution.

Morris Brown College history has been a series of accomplishments, challenges, creative solutions, and celebrations. The school has had to repeatedly remind the world that an autonomous African-American organization is indeed a force to be reckoned with, despite very competitive markets. In the midst of it all, the Brownite yearbook has played an integral part in the effort to alert the world to the many wonderful opportunities that are available for students at the school. Since 1941, the Brownite has provided documentation of the rigorous academic programs, colorful student life, and proactive administration present at Morris Brown College. It has served as a memoir, a marketing piece, and a personal diary to our students.

A brief walk through the pages of previous yearbook editions would show Morris Brown College as a work in progress. One would witness the addition and renovation of infrastructures throughout the campus. One would see the transition the school has made from an institution with a modest student population to its present swell of over 2,500 students. One would see the transformation from a paper-and-pen college to the major techno-

logical center is now, equipped with state-of-the-art computers, as well as a production studio.

However, one would also see the intimate traditions that make Morris Brown so dear to us all. One would see the pride on students' faces as they trek across campus. One would see alumni gathered on the yard during Homecoming—holding hands and regaling "Dear Ol' Morris Brown" in song. One would see the beanie caps that have marked the beginning of the Morris Brown College journey for years. And one would feel the love that comes from professors who have spent their professional lives making sure that Morris Brown College students have nothing short of the best they could offer.

On this very special anniversary for both Morris Brown College and the Brownite, let's take a moment to reflect on what the institution, the family, and the tradition has meant to each of us. And let us remember to always live in ways that reflect the value system of our school, our legacy, and the faith that has carried us this far. Happy Birthday to Morris Brown College, and the Brownite Yearbook! Thanks for all that you have done!!!

— Serena C. Wilson  
Former Brownite Editor

idea was born and the formation of Morris Brown College came into being. Independence is what most Freshman seek and our Founding Fathers sought it, too. Who should attend our school, what courses should be offered, what will be the mission of our institution, these are few of the questions our Founding Fathers pondered. No matter what thoughts of making educated young black citizens was the primary focus. Is that not why most of us choose to attend college, because we know by attending and completing Morris Brown College we will make a better life for ourselves and our race.

## SOPHOMORE

This can be a tricky time. Why am I really here? Is it for me or my parents? I really do not want to be here. Why did I choose this major? What do I really want to do with the rest of my life? Am I wasting time and money? In what extracurricular activity do I want to be involved?

College *burnout* may describe this year for some. Doing so many things at one time can be damaging. Getting used to structuring oneself can be hard and push one overboard. Some give up and walk away, others keep marching hoping to find their way through the smoke. Those who choose to keep marching soon stop, regroup, and try another way. Changing majors will usually be top priority.

Our Founding Fathers reached a point where they had to stop and regroup. Every Brownite knows the famous "soup-selling event" where much needed funds were raised to keep the college doors open. Some opponents said our Fathers needed to give up. They were wasting precious time. Others comments did not stop the Founding Fathers. The money in the early 1800's was raised and our doors remained open. Now it has been 120 years and Morris Brown still holds its head up high.

## JUNIOR

What? The harder classes are coming! I am ready to learn all about the profession I choose to go into. Can I get an internship? I need a part-time job. Nope I can't hang with you tonight, got a heavy test tomorrow, but Friday's cool. I know it is hard but God is going to see us through.

As a Junior dedication, finishing the task is goal number one. Nothing is going to stop us now. We have found our road lighted by God and it is time to settle down, trust in Him, and get on with the business of graduating. Our Founding fathers went through a trial of uncertainty, trusting in God, and He saw them through.

God's light led to the Theological department becoming the Turner Theological Seminary. Our Founding Fathers felt not only should we be educated young black citizens but good Christians too. Later when our Fathers turned the Turner Theological Seminary into TTC, Interdenominational Theological Center, we once again showed our trust in God.

Joining new alliances can be scary. Will they take our identity away from us? Will we have to stop being ourselves and become what others want. The answer to the questions is, NO! For us it can be joining a sorority or fraternity, choosing to be involved in a club, running for SGA or class office. Morris Brown College took a chance and joined a new alliance. It was with the Atlanta University System, now better known as the Atlanta University Center (AUC). The Atlanta University System came into being in 1929. In 1941, twelve years after its initial founding, Morris Brown took a chance and joined this alliance. With the previous trial of becoming accredited behind them Morris Brown needed this alliance. More unity and power. God once again saved the day.

## SENIOR

Well, it is almost time to depart from these guided halls. Mom said she has already brought her graduation dress. I have got to pay my Senior fees. When is the measuring for caps and gowns? What day is Senior Pictures? Am I really prepared for the career field I have chosen? I have to take the GRE. I am not ready for graduate school right now. I need a full-time job. When is graduation? I CAN'T WAIT TO BE AN ALUMNI!!!!

This year depends on where you are. For some it is fun and games time. With only three or four classes to go, we take this year with stride. For others the pressure of taking those avoided classes at the last minute, will either make or break us. We began to take time to reflect on our history at Morris Brown and decide whether we hated it or loved it. We look at all the fun and bad times. We began to realize it is time for another change, becoming a real adult. We think of all the friends we made. Blush over embarrassing mistakes. Began to look forward to husbands, wives, families, homes, and good paying jobs. We realize that our parents are actually proud of us and have supported us all our college lives.

Our Founding Fathers realized that changing administrations, college catalogues Boards of Trustees, classes, the mission of our school, and the other major and minor trials have done nothing but made us stronger. We are now ready to face the world. Morris Brown College is living proof. 120 years of living proof of how one man's dream can become a reality. With much strength and ingenuity the dream can live long and prosper.

## ALUMNI

Alma Mater, pride of earth... Celebrating 120 years of dear 'ol Morris Brown and 60 years of the award winning Brownite is exhilarating. Our historical and remarkable institution continues to produce year after year challenged, prepared, and profound black citizens. We can not say we progressed and continue from our own God saw us through! With all the obstacles presented one would think we would have fallen, given up, turned our backs and walked away, seen no way through the smoke; I am not just talking about Morris Brown the college but the Brownite and even you and me. When times get hard and one can see no way through, just look at the history of the college you chose to attend. Morris Brown's history in itself should give you the strength to withstand. So when I see students, Alumni, faculty, staff, family and friends of dear 'ol Morris Brown as we celebrate 120 years and the award winning Brownite celebrates 60 years we can look at each other and say, "We knew God was going to see us through!" And bow and thank the gracious Lord, for dear 'ol Morris Brown.

— Monica V. Spann  
Former Brownite Editor

**W**ell Brownites with the publication of this yearbook, I am closing in on my second year as an Alumna. The feeling is great. Being asked to write once again for a book to which I dedicated five years, as a student, reminds me of how minute yet honorable my tenure was at dear 'ol Morris Brown. As I sit and meditate on what to say and how to say it, I think of all the ups and downs, the friends I have made and lost, the good and bad times, the laughs until you burst and the never ending flow of tears (graduation for me), favorite teachers and staff members, long papers, finals, typewriters, undergarments and Senior pictures, layouts, and the like. I pause and think the 120 years of Morris Brown College and the 60 years of the Award Winning Brownite are similar to my life and history at Morris Brown.

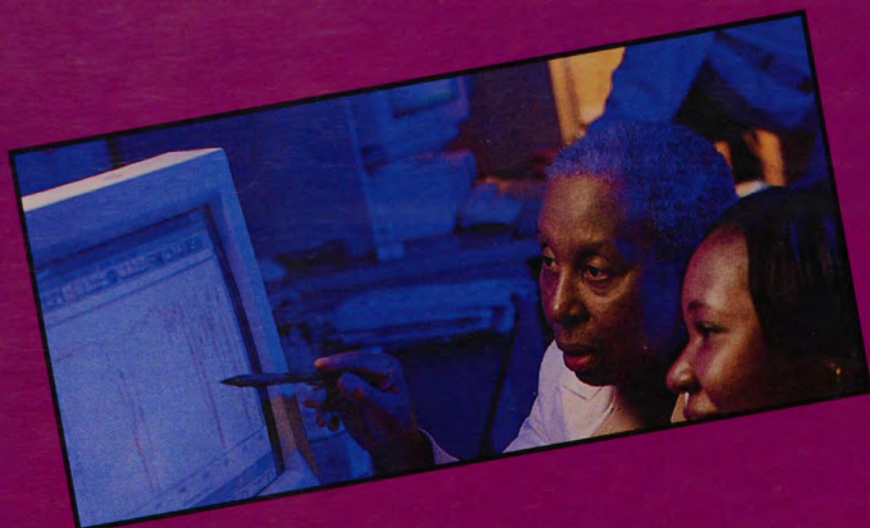

## FRESHMAN

Yes, I made it through high school. I am not a baby anymore. I can do things on my own. I am going to college, but to stay or not to stay with my parents, that is the question? What should I study? Are the classes going to be hard, fun, easy, long? What else can I do, yearbook, choir, band, newspaper, debate, track, clubs, sororities and fraternities?

Thoughts of a Freshman, but our Ancestors thought them, too. Steward Wylie said, "Mr. Chairman, if we can furnish a room at Clark University, why can't we build a school ourselves?" An

## MICHAEL THURMOND Keynote Speaker

Michael Thurmond was born in rural Clarke County to the late Sidney and Vanilla Thurmond. The youngest of nine children, Michael distinguished himself academically in the public schools. He graduated Cum Laude with a B.A. in Philosophy and Religion from Paine College in 1975 and later earned a degree from the University of South Carolina of Law. In 1991, he completed the prestigious political executives program at the John F. Kennedy School of Government at Harvard University.

In 1978, he returned to Athens to practice law and took an active role in that city's civic and political affairs. In 1986, he became the first African-American elected to the Georgia General Assembly from Clarke County since reconstruction. During his legislative tenure, he was

the only African-American legislator elected from a majority white district. While serving in the General Assembly, Representative Thurmond was elected chairman of the Georgia Legislative Black Caucus and authored major legislation that has provided over \$100 million in tax refunds to Georgia's low-income working families.

In 1994, Governor Zell Miller selected Michael to direct Georgia's historic transition from welfare to work as head of the 9,000-employee Division of Family and Children's Services (DFACS).

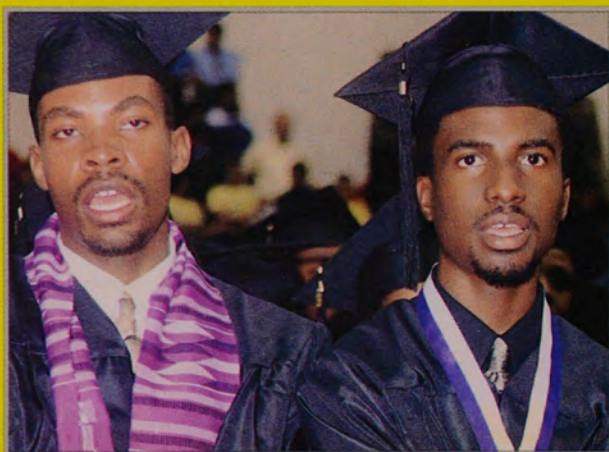

Mr. Thurmond created the innovative "work-first" program. Workfirst has helped 67,000 welfare-dependent Georgia families move into the workforce, saving Georgia taxpayers over \$200 million. These savings have been reinvested in childcare, training and other support services.

In 1997, he left DFACS to become the distinguished lecturer at the University of Georgia's Carl Vinson Institute of Government. On November 3, 1998, Michael Thurmond again made history by

becoming the first African-American to be elected Georgia Labor Commissioner.

Mr. Thurmond is the author of *A Story Untold—*

*Black Men and Women in Athens History* and serves on the Board of Curators of the Georgia Historical Society. He is a member of the Ebenezer Baptist Church in Athens. Mr. Thurmond and his wife Zola are the proud parents of a daughter, Mikaya.

PRESIDENT, DOLORES E. CROSS Ph.D.

## COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

The Honorable Jennifer M. Smith, JP, MP  
Doctor of Humane Letters

The Honorable Jennifer M. Smith has achieved an outstanding number of firsts in her career, including becoming the first elected female Premier of Bermuda in November 1998. Her extraordinary skills in effecting a political consensus made her a popular choice by the people to be Premier of Bermuda. In April 1999, Premier Smith gave up the portfolio as the first Progressive Labour Party Minister of Education to better concentrate on her role as Premier.

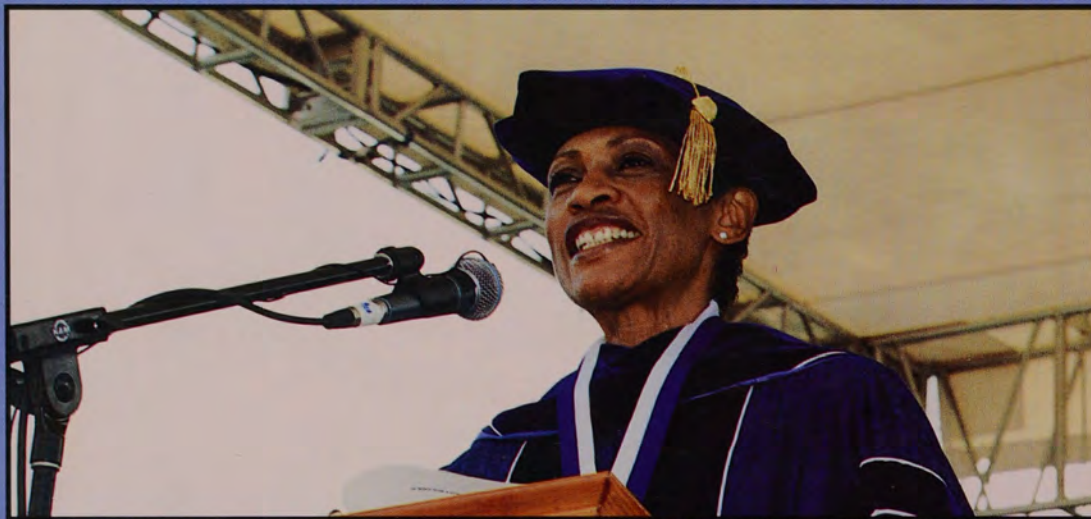

Her background, both by training and experience, is business, the arts, journalism, and a wide spectrum of cultural and community projects. Currently, the Premier is a member of the Bermuda Society of Arts; the Bermuda Business and Professional Women's Club; Richard Allen African Methodist Episcopal (AME) Church and Gospel Choir; Bermuda Zoological Society; Bermuda Heritage Association; Amnesty International; and Bermuda Debate Society. She is a member of the Board of Trustees of Bermuda National Gallery, the Bermuda Biological Station, and the St. David's Relief Fund. Her own personal activities and interests have found expression in her painting and in

dance.

Among the many awards Premier Smith has received are: Outstanding Woman in Journalism; Outstanding Community Achievement Award by Richard Allen AME Church; Ambitious Associates Role Model Award; Black Family Productions Inaugural Black Achievement Award; and a Citation for Significant Accomplishments from the late Pennsylvania State Representative David P. Richardson. She is a graduate of Harvard University's John F. Kennedy School of Government's Program for Senior Executives in State and Local Government.

Premier Smith is gained a wealth of experience from 18 years as a Parliamentarian and more than 25 years in politics. She has dedicated her life to Bermuda and few people doubt that she will cap her career as an outstanding Premier. She brings dignity and distinction to the House of Assembly, dedication and diplomacy to her constituency, and hope and optimism to Bermuda.

DOLORES E. CROSS Ph.D., PRESIDENT

## FRESHMEN CLASS OFFICERS

# Class of 2004

*"I'll aim for the sky; but if I fall among the stars I'll still be on high"*

Freshmen Class Officers: From Left To Right: Littron S. Cole, President; Jacare J. Hogan, Vice-President; Antonio J. Lovette, Treasurer; Kellye A. Lloyd, Secretary

Sabrina Adams  
Therapeutic Recreation  
Thomson, Georgia

Lolita A. Alford  
Fashion Design  
Detroit, Michigan

La'Shawn  
Criminal Justice  
South Bend, Indiana

Ria Alexander  
Clinical Child Psychology  
Brooklyn, New York

Lembe Ambe  
Chemistry  
Bamenda, West Indies

Toyia Amy  
Computer Science  
Atlanta, Georgia

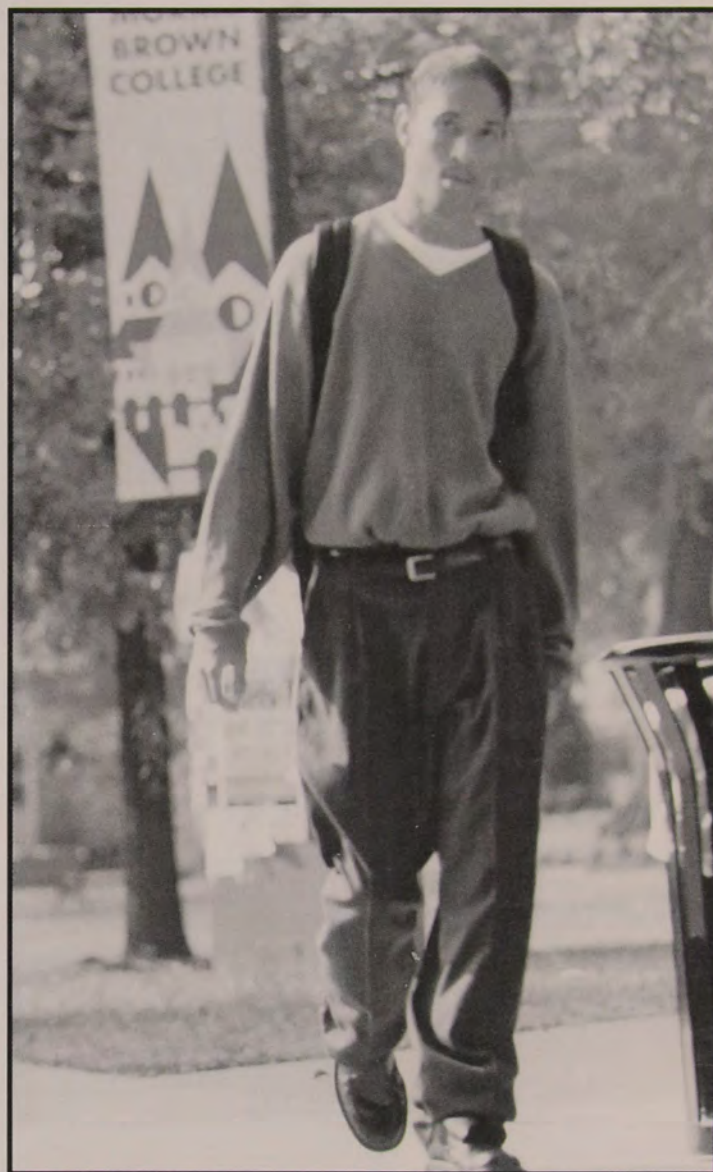

Amy Ashmore  
Art Design  
Calhoun Falls, South Carolina

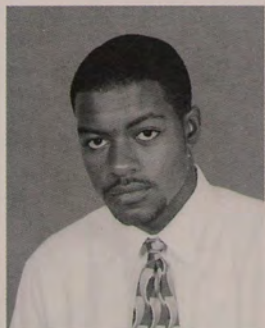

Shade' Awokande  
Psychology  
Providence, Rhode Island

Yaschica Barber  
Psychology  
Riverdale, Georgia

Algernon Bargie  
Architecture  
Lithonia, Georgia  
Bettina Bartlette  
Accounting  
Hamden Connecticut  
Tynisha Bernette  
Legal Studies  
High Point, North Carolina  
Unity Bell  
Industrial Engineering  
College Park, Georgia

Latoya Black  
Broadcast Journalism  
Indianapolis, Indiana  
Katrina Boston  
Biology/Pre — Med  
Brunswick, Georgia  
Natalia Brazil  
Business Administration  
Brooklyn, New York  
Valerie Britt  
Biology  
Augusta, Georgia

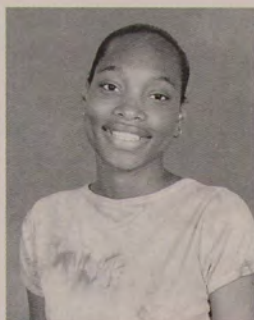

"But be not ye called Rabbi: for one is your Master, even Christ; and all ye are brethern.  
And call no man your father upon the earth; for one is your Father, which is heaven."

Matthew 23:8-9

## Sophomore Class of 2003

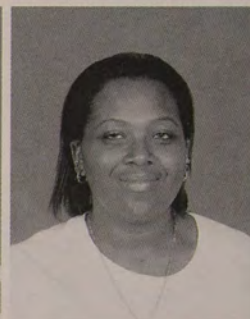

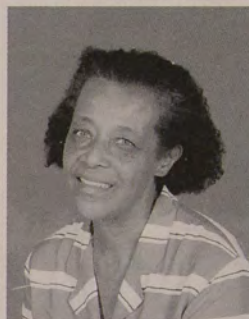

Arnice Brown  
Communication  
Los Angeles, California  
Monique Browder  
Psychology  
San Diego, California  
Margarett Buchanan  
Accounting  
Columbus, Ohio  
Demia Carson  
Psychology  
Charleston, South Carolina  
Malinda Caudle  
English  
Williamsville, New York

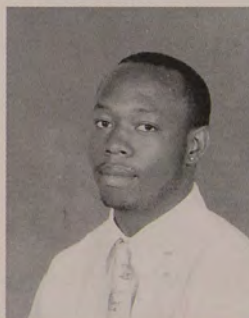

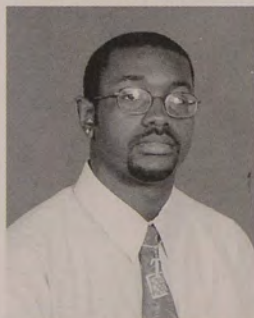

Lorraine Chipere  
Biology  
Atlanta, Georgia  
Tasha Clemmons  
Accounting/Chemistry  
Long Beach, California  
Carlotta Cloud  
Criminal Justice  
Macon, Georgia  
Laquita Cobb  
Physical Theory  
Dallas, Texas  
Kerri Coleman  
Education  
Greenwood, South Carolina

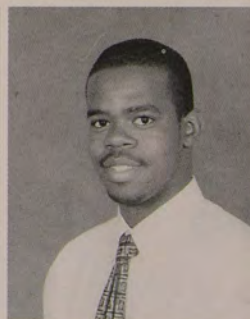

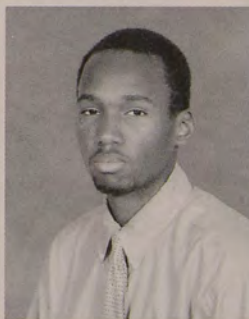

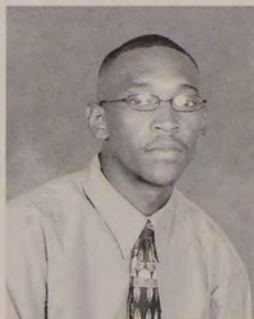

Terri Coleman  
Education  
Greenwood, South Carolina  
Kassidy Collins  
Education  
Columbus, Georgia  
Hafeezah Cook  
Accounting  
Ellenwood, Georgia

"Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?  
And then will I profess unto them, I never know you: depart from me, ye that work iniquity."

Matthew 7:22-23

Department Chairperson

Vonda Echols  
Program Coordinator

Angela Wimes  
Academic Counselor

Ronald Rhodes  
Credit Prior Learning Coordinator

Cynthia Kamasa-Quashie  
Academic Counselor

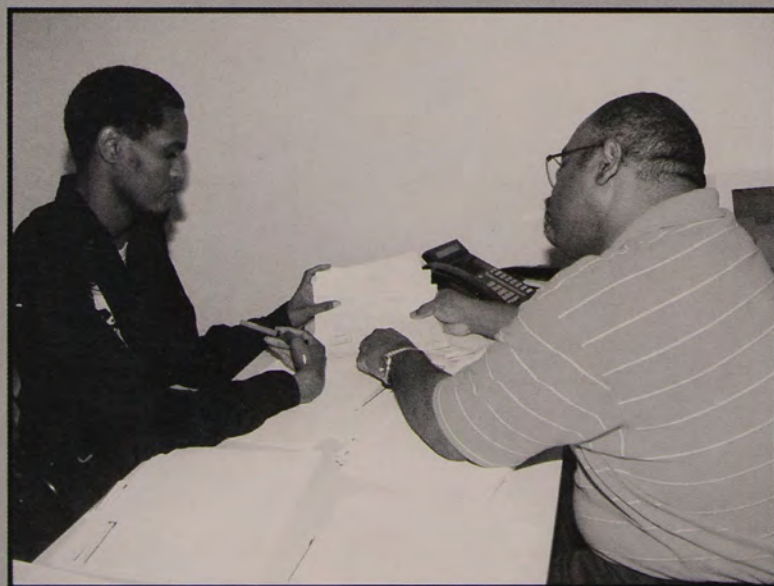

**T**he Morris Brown College, Adult Education Department offers a unique alternative to the traditional method of pursuing a college degree. The program is designed to enhance employed adult learners' leadership and technical skills for successful competition in a global workforce. The uniqueness of this program is the cohort approach to learning, which promotes group cohesiveness, goal-orientation, open communication, and peer support.

The Program has been in existence since 1996. The initial cohort started with six brave students during the 1996 Summer Olympic Games and reached a record enrollment number of 131 in the fall of 1997. To date the Adult Education Program has 96 graduates to become Alumni.

The Department is currently working to expanding its curriculum offerings to include Computer Science and Information Technology, Legal Studies and more.

# M.B.C. Organizations 2000—2001

## Beta Beta Beta Biology Honor Society

**B**eta Beta Beta formally defines itself as "an honor and professional society for students of the biological sciences." Its time of birth (1922) accounts for both its Greek letter name and its original emphasis on a role as an "honorary." However, it has never been a secret society and, from its beginning, many of its activities have been those of professional society. Since it is a society of and for students, particularly for undergraduate majors in a biological science, it is not inaccurate to describe it as a professional society for apprentice biologists. The constitutional restrictions, few though they be, and the activities of chapters, varied as they are, given the structural and functional basis for the claim to professional stature.

## Beta Kappa Chi Scientific Honor Society

**T**o foster and maintain worthy ideals and ambitions, to bring together in closer fellowship and association men and kindred spirit and compatible minds, similar background and common interest. To promote closer contacts and exchange of ideas between those possessing congenial qualities of cultural growth. To establish assurance that the young and old; intellects that are matured and maturing; men of today, and those who will be men of tomorrow, shall progress and walk together in unity, harmony, dignity, and mutual respect; without just fault in the eyes of a critical world. To the end that these things may come to pass, the following pledge is exacted from each and all.

## Psi Chi Psychology Honor Society

**P**si Chi is the National Honor Society in Psychology founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Membership is open to graduate and undergraduate men and women who are making the study of psychology one of their major interests and who meet the minimum qualifications. Psi Chi is a member of the Association of College Honor Societies and is an affiliate of the American Psychological Association (APA) and the American Psychological Society (APS). Psi Chi's sister honor society is Psi Beta, the national honor society in psychology for community and junior colleges.

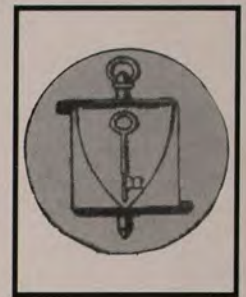

Psi Chi functions as a federation of chapters located at more than 857 senior colleges and universities in the USA.

## Phi Sigma Iota Foreign Language

**P**hi Sigma Iota was founded in 1922 at Allegheny College by Dr. Henry W. Church, member of his department of languages, and advanced students, who used to meet to discuss linguistic and literary matters. It became a national society when Beta Chapter was established at Pennsylvania State University in April 1925, followed less than a year after by Gamma Chapter at the college of Wooster. With these three Chapters as the nucleus of the national organization, the first Convention was held in May, 1926, at Allegheny College. Since that time expansion has been steady.

## Golden Key National Honor Society

**G**olden Key National Honor Society is a nonprofit academic honors organizations founded for the purpose of recognizing and encouraging scholastic achievement among students from all academic fields. The Society was founded at Georgia State University on November 29, 1997. Morris Brown College was the first Historically Black College and University (HBCU) to join Golden Key and the second college to become a member of the Society. Since that time, Golden Key has established itself as a positive force in higher education. The Society has 214 active chapters from across the country and Australia.

In addition, over 500,000 lifetime members and 5,000 honorary members, have been induced. Golden Key is a dynamic organization committed to meeting the needs of scholastic achievers.

## Morris Brown College Student Government Association 1997-1998

**T**he Student Government Association (SGA) is a unique organization officially representative of all undergraduate students enrolled at the College. Its primary objective encompass the task of fostering intellectual programs that may be informative instruments, providing a means through which students become more familiar with the college, its objectives and aims, its role in our constantly changing educational structure; our gov-

ernment both state and national level, the part they play in shaping our lives and issues of world-wide importance that serve as guidelines to determines the future of man.

Election to the student government carries with it many obligations and responsibilities.

The Student Government is the working body of Morris Brown's student organization. It voices the needs of students to the administration and coordinates student organizations and activities.

# *Kappa Kappa Psi, National Honorary Band Fraternity*

*Iota Rho Chapter: Founded May 9, 1992*

National Convention in Clemson University

Miss Kappa Kappa Psi Sharon McKenzie and Brother Gregory Anderson

In the years that followed World War I, a movement developed among college and university bands, searching for some motivating force that would create a greater interest in band music. This movement sought expression in an effort to develop good will, fellowship and understanding among bands and their members, and to recognize the value of dedicated leadership. Seizing upon this lead, ten members of the Oklahoma A & M College (later to be known as the Oklahoma State University) Band, led by William A. Scroggs and their director, Bohumil Makovsky, drew up a plan for a national honorary society for college bandmen.

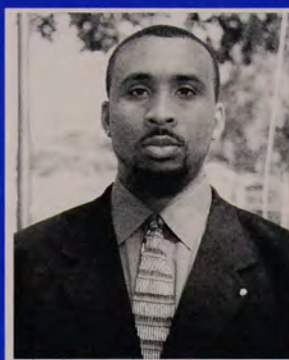

• This act was the birth of Kappa Kappa Psi, Inc. On November 27, 1919, the vision became a reality. Nationally recognized as an honorary social fraternity, our membership stretches across seven districts with chapters in every state. On May 9, 1992, the Iota Rho Chapter was founded on the campus of Morris Brown College. The vision of the 10 Founding Fathers continues.

Be it known that Kappa Kappa Psi, National Honorary Fraternity for College Bandmembers is an organization operating exclusively in the field of the college and university bands, and for the following several purposes:

- To promote the existence and welfare of the college and university bands and to cultivate at large a wholesome respect for their activities and achievements.
- To honor outstanding band members through privilege of membership extended as a reward for technical achievement and appreciation for the best in music.
- To stimulate campus leadership and promulgate an uncompromising respect through the medium of the college band for gracious conduct, good taste, and unswerving loyalty.
- To foster a close relationship between college bands and promote a high average of attainment by the performance of a good music and the selection of worthwhile projects.
- To provide a pleasant and helpful social experience for all engaged in college band work and to cooperate with other musical organizations in any manner consistent with the purposes of the institution at which chapters are located.

*Gamma Zeta Chapter: Chartered May 17, 1942*

Tasha Whitley—Miss Crimson and Creme; Brandie Carolina—Miss Delta Sigma Theta; Lori Allen—Miss Gamma Zeta

Using the Power and Blessings of God's good favor, the strength of Sisterhood, Scholarship and Service as well as the creative vibrancy found in the African American woman, **Delta Sigma Theta Sorority, Inc.** has continued to uphold the legacy that the founders set in motion. **Delta Sigma Theta Sorority, Inc.** was founded on January 13, 1913 by twenty-two women at Howard University whose ideology was that the Black woman served as the backbone of the community since the days of our pre-Middle Passage residence in the matriarchal Mother country. **Delta Sigma Theta Sorority, Inc.** continues to contribute hours upon hours of service in order to change the face of the world in which we reside. She provides the impetus and energy needed to combat many of the issues faced by the African American community. The founders used their collective strength to promote academic excellence and to provide assistance to persons in need; also, to create and mold an organization that has evolved into the largest, most politically active and publicly involved association of African-American women in the world.

The Gamma Zeta Chapter of **Delta Sigma Theta Sorority, Inc.** was chartered on May 17, 1942 by five dynamic women whose desire was to bring this same commitment and enthusiasm to the Black community and society at large to the campus of Morris Brown College. While **Delta** on a national level has fought illiteracy, political misrepresentation, and health care issues through it's five programmatic thrust, Gamma Zeta has brought the passion home to Atlanta by initiating health awareness fairs, hosting political forums, leading the efforts to curtail the harsh effects of homelessness on area residents, providing the campus with wholesome examples of leaders, etc. In it's 58th year, the chapter has continued to offer the campus of Morris Brown College and the Atlanta community the public awareness needed to make a significant difference, and a vibrant arena in which to accomplish these goals. **MAY GOD CONTINUE TO RICHLy BLESS AND WATCH OVER OUR SORORS!**

# ORGANIZATIONS 2000—2001

## Sigma Gamma Rho Sorority Inc. Beta Lambda Chapter

Beta Lambda Chapter

**T**he History of Sigma Gamma Rho Sorority dates from November 12, 1922 when the first chapter was organized at Butler University in Indianapolis, Indiana, by seven young school teachers.

More than 350 undergraduate and alumnae chapters have since been established throughout the United States, in Bermuda, Africa, the Bahamas and the Virgin Islands. As a non-profit collegiate organization. Sigma Gamma Rho's focus is on community service as expressed in its slogan, "Greater Service, Greater Progress."

The national organization, youngest of the 9 member National Pan Hellenic Council Greek-letter sororities and fraternities is governed by the Grand Chapter which meets biannually where directors and officers are elected. Officers of the organization are elected from the undergraduate and alumnae membership.

We believe in Sigma Gamma Rho, symbolized by royal and gold which represent the true spirit of Sigma, a sorority devoted to motivating youth to greater achievements, wholesome living, inspired actions, and exploring new Horizons.

## Morris Brown College Laptop Media Day A Success

by MBC - College Relations

ATLANTA—Black Entertainment Television (BET) and three of the major network local affiliates (WXIA, WGCL and WSB) covered Morris Brown College's "Laptop Media Day" held in Cunningham Auditorium. As the first historically black college or university (HBCU) and one of the few institutions of higher learning in the nation to have a mandatory laptop requirement, Morris Brown completed its second and final week of student laptop training and dissemination on Friday, October 6.

Morris Brown College President Dolores E. Cross, along with several other senior administrators, were on hand to discuss the merits of the College's mandatory laptop requirement. The new requirement paves the way for students to acquire technological adeptness and problem-solving skills.

"We are extremely pleased with the response we received from the media," said Morris Brown College President, Dolores E. Cross. "I believe it is a manifestation of our excitement about this initiative and an acknowledgement of our willingness to take bold steps toward helping our students use technology as a means to becoming creative, critical thinkers and problem solvers in our community."

Key partners, including Prosys Information Systems and Cisco Systems, were available to discuss the impact of the mandatory laptop initiative with media. Prosys negotiated with Toshiba to enable Morris Brown to receive 2,750 laptops with significant specifications at half the cost students would pay if they purchased the same laptop on their own. Cisco Systems provided the wireless Internet cards, which enable students to access the Internet remotely (without wire connections) from any location on the campus. This capability is made possible via high-speed data drops strategically located throughout the campus. Dr. Reginald Lindsey, Vice Provost for Strategic Planning and Technology, addressed the role of Convene.com, providers of the software package called Academe, and online teaching and learning application.

### Death by Resurrection (for the works of Gwendolyn Brooks)

By Angela McDowell

Why do we wait for the legends to die  
To pay tribute to the lives best lived  
Why do we settle for the deathbed "Goodbye"  
And the funeral cries to make our amends  
If you loved me then you would've shown me  
And if you'd shown me then I'd know  
Now its much too late for you to hold me  
So you'd better let me go

Why do we wait for the luminaries to die  
Before we recognize their sparkle  
Why do we squint our yes in their shine  
And curse the darkness of our tomorrow  
If you can't stand the way I glow  
Or think my protests are much too loud  
Against the way you abate my art  
Then kindly step off my cloud.

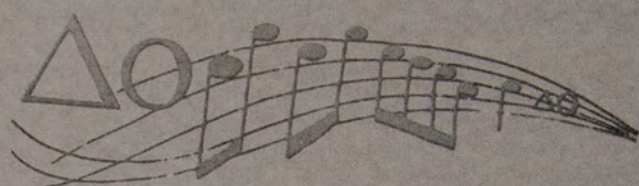

Why do we wait for the love to die  
Never believing in its immortality  
Why do we walk through the labyrinth blind  
And not even imagine ourselves free  
I'll be a lone star in the heavens  
And you'll be amongst the many wrinkles in time  
And die a thousand deaths in your life  
While I live through the love of mine.

# Delta Omicron International Professional Music Fraternity, Inc. Gamma Beta Chapter — Chartered February 18, 1973

**D**elta Omicron is a professional music fraternity in the field of music with collegiate chapters established throughout the United States and abroad. The fraternity was founded September 6, 1909 at the Cincinnati Conservatory of Music by three undergraduate students. Delta Omicron is the only organization of its kind founded by students for students.

Gamma Beta Chapter was chartered at Morris Brown College on February 18, 1973 and since then has set the standard for superior musicianship, professionalism and sisterhood.

2001 Georgia Music Educators In-Service

Friday, January 26, 2001

Mr. Eddie B. Ellis, Band Director  
Mr. Melvin J. Hodges, Associate Director

Dr. Jeleen Cross, President - Morris Brown College

### Eddie B. Ellis, Director of Bands

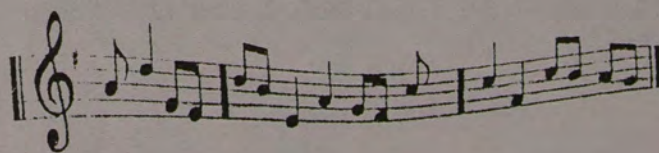

Mr. Eddie Ellis is a native of Atlanta, Georgia and a product of the Atlanta Public School System. He graduated from Luther Judson Price High School where his deep devoted interest in music was realized. He earned his Bachelor of Arts Degree in Music Education from Morris Brown College and his Masters of Music Education Degree from Georgia State University. He continued to expand his musical expertise with further studies at Florida State University and the prestigious Conservatory of Music in Cincinnati, Ohio.

His career in teaching music has spanned over twenty-two years. Mr. Ellis taught in the Randolph County and DeKalb County Public School Systems, where he served as Director of Bands at Randolph County High and Ronald E. McNair Senior High School. While taking personal pride in the achievements of his students, his McNair bands received numerous awards in Marching, Concert, and Jazz Band Idiom.

Eddie Ellis is an active director and a well-respected music leader. He has received numerous awards throughout his career, including the "Star Teaching Award", "Teacher of the Year", the honored Southern Bell "12 Outstanding Teachers Award" and the "Teacher of Excellence Award." He is a member of GMEA, MENC, IAJE, Phi Beta Sigma, Kappa Kappa Psi, and Phi Mu Alpha.

Mr. Ellis has served as Director of Bands for Morris Brown College since August of 1996. He was highly honored to replace the previous director and his former instructor, the beloved Cleopus R. Johnson. Great strides have been made to increase the size and quality of the band. It has grown from 96 members to its present size of 270. Students take great pride in being a member of this outstanding musical organization. The Morris Brown Band Program consists of a Symphonic Band, Jazz Band, Marching Band, Percussion Ensemble, Woodwind and Brass Ensemble, and a Basketball Pep Band.

It is through Mr. Ellis' sincere love of music that he is preparing young students of today with the self-confidence needed for success in the world of tomorrow.

## MBC COMES UP SHORT IN DIVISION I SEASON OPENER

BY: MARK LITTLES  
MBC Sports Correspondent

3,724 people came to witness Morris Brown College's highly anticipated Division I opener on Saturday against Gardner-Webb College who also made their Division I debut. Gardner-Webb and Morris Brown put on a great show the entire contest, but Gardner-Webb held on to win by a score of 24-19.

Both teams seemed to be playing each other as if they were playing an intense game of chess, both teams seemed to be very conservative to see what the other team would do. Gardner-Webb took advantage of James Stevens' missed 44 yard field goal and began their scoring drive on MBC's 32 yard line. Gardner-Webb marched down the field by throwing 5-yard hitches to the right and left receivers. 9:00 minutes left in the first quarter 5-9 240 pound Justin Richardson went 19 yards untouched up the middle for a 7-0 lead.

Morris Brown held their ground on defense by pressuring Gardner-Webb quarterback Jeremy Martin by sending blitzes and doing stunts on the defensive line. Morris Brown's pressure finally got to Gardner-Webb as Justin Richardson was stripped by a MBC defender and Lemuel Mullins recovered the loose ball to set up MBC's first score of the season. After MBC's drive stalled at the 12 yard line James Stevens hit a 29 yard field goal to put MBC on the scoreboard by the score of 7-3 with 12:15 left in the second quarter.

The 7-3 lead expanded on the ensuing drive when Gardner-Webb quarterback Jeremy Martin hit Wide Receiver Willie Buchanan down the far sideline for a 63 yard touchdown for a 14-3 lead with the extra point.

After another MBC stalled drive, Gardner-Webb running back Justin Richardson eluded MBC defenders in the middle, turned on the jets and ran down the far sideline for a 67 yard touchdown which broke the game open for a 21-3 lead with 8:15 left in the half. Richardson finished the game with 159 yards on 20 carries.

MBC finally put together a touchdown drive with the running of running back Bobby Wilson who finished the game with 95 yards on 25 carries. Quarterback Stanley Hardy hit a wide open Rodrigo Scott for a 9-yard touchdown pass that made the score 21-10.

Gardner-Webb closed out the first half when place kicker Andrew Harmon hit a 49-yard field goal with no time remaining on the clock for a 24-10 halftime lead.

The second half was a defensive struggle but MBC got the upper hand by not allowing Gardner-Webb to score in the second half. The defense of MBC was led by Co-Captain Joe Williams, linebacker Corry Williams, and Co-Captain Donte Curry. Joe Williams had seven tackles and two interceptions and continued to slam Gardner-Webb receivers to the ground almost every time a receiver caught a ball in front of him. Corry Williams recorded 12 tackles and helped contain Justin Richardson. Donte Curry harassed Quarterback Jeremy Martin all day by blitzing up the middle and continued to deflect passes. Curry finished with 9 tackles.

Morris Brown's defense came through on a critical fourth down and one with 2:48 left in the game. MBC's defense stopped Justin Richardson and gave the ball back to the Wolverines with 2:48 left in the game. Down by five points, MBC quarterback Kalley Young led the Wolverines down the field by completing passes to receivers Laquonne Holden, Hilton Alexander and Rodrigo Scott. Morris Brown had 4 shots inside the ten yard line with under a minute to play, the first two passes fell incomplete, a reverse on third down caused Morris Brown to lose yardage. The last play of the game came on a roll out to the left side of MBC quarterback Kalley Young and a pass intended for Wide Receiver Hilton Alexander was deflected by Gardner-Webb's Lamar Ingram to end the game.

## MBC LOSES IN POOR OFFENSIVE EFFORT

BY: MARK J. LITTLES  
MBC Sports Writer

Whether or not Morris Brown was scouted really well, it was very obvious that MBC couldn't get any kind of offensive rhythm. Fumbled snaps, dropped balls and fumbles pretty much told the story of this game as Morris Brown loses 23-9 in a sloppily played game against the Tuskegee Golden Tigers in Tuskegee, Alabama.

From MBC's opening possession a three-and-out trend was pretty much all that the Wolverines could muster in their first three possessions which led to a poor offensive game. MBC's quarterbacks combined for just 163 yards passing, completing just 13 passes out of 40 attempts. They accumulated about 52 yards of total offense in the first half.

Despite that the MBC defense was on the field the majority of the game, the defense held their ground as Corry Williams, Donte Curry and Joe Williams led the defense with seven tackles each. Joe Williams also had an interception in the first quarter.

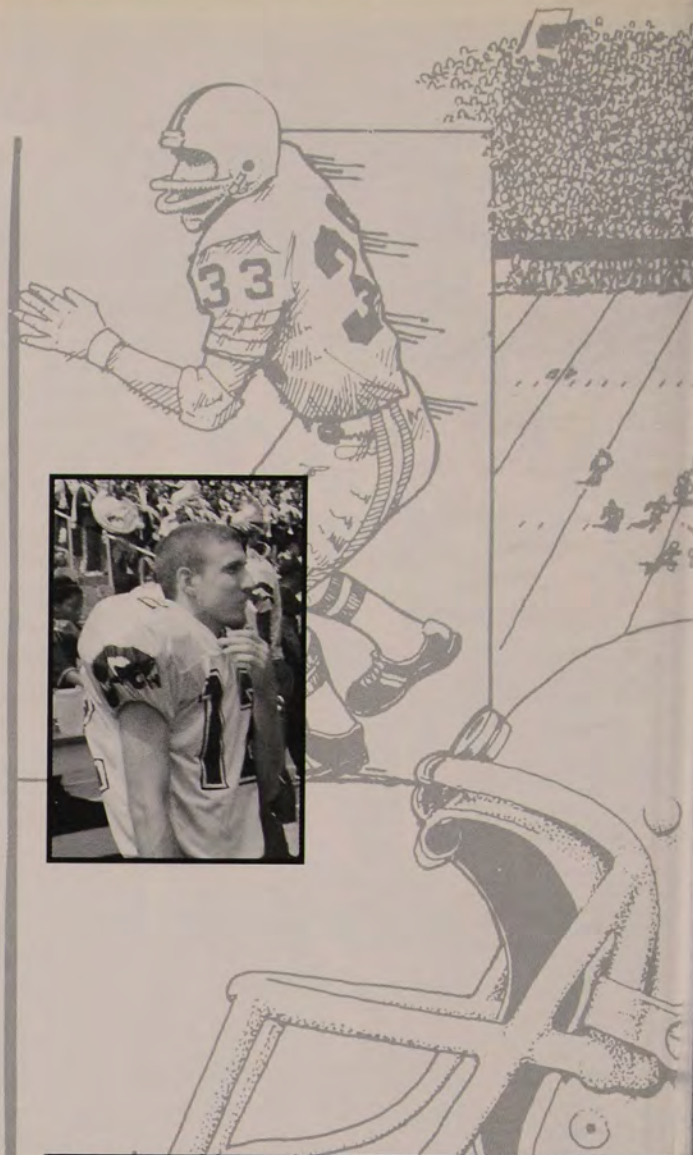

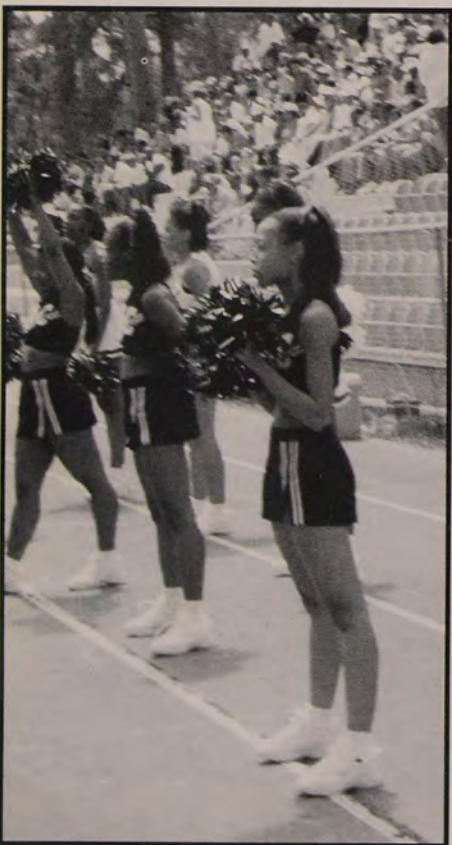

The scoring began when Tuskegee quarterback Aaron James connected on a 3-yard touchdown pass to wide receiver MarQuez Thomas for a 6-0 lead with 1:58 left in the first quarter. Two drives later, fullback Chad Williams plowed his way into the endzone from 1-yard out giving Tuskegee a 13-0 with the extra point with 12:23 left in the half.

MBC got the board after a Tuskegee fumble. Bobby Wilson, who finished the game with 100 yards on 14 carries, plunged his way in the endzone from 1-yard-out with 4:40 left in the third quarter, cutting the lead to 13-6.

After MBC kicker James Stevens and Tuskegee kicker Jason Lee traded field goals to bring the score to 16-9, the game came down to which team would make the fewest mistakes, unfortunately the team that made the fewest mistakes was Tuskegee. With 6:40 left in the game, a James Stevens field goal was blocked, and defensive back Willie Washington scooped up the loose ball and raced 72 yards down the sidelines for the game's final score.

MBC wide receiver Rodrigo Scott finished the game with 98 yards on 5 receptions and running back James Thornton finished the game with 45 yards on 11 carries.

MBC's next game is against our arch-rival the Clark-Atlanta University Panthers next Saturday at 7:00 at Clark Atlanta's Stadium.

## MBC POUNDS CLARK ATLANTA UNIVERSITY

BY: MARK J. LITTLES

MBC Sports Writer

Apparently the Morris Brown College football team received a wake-up call during the halftime of MBC's 40-7 blowout of rival the Clark-

Atlanta University Saturday night because the Wolverines delivered a complete onslaught to a simply tired and bewildered CAU football team.

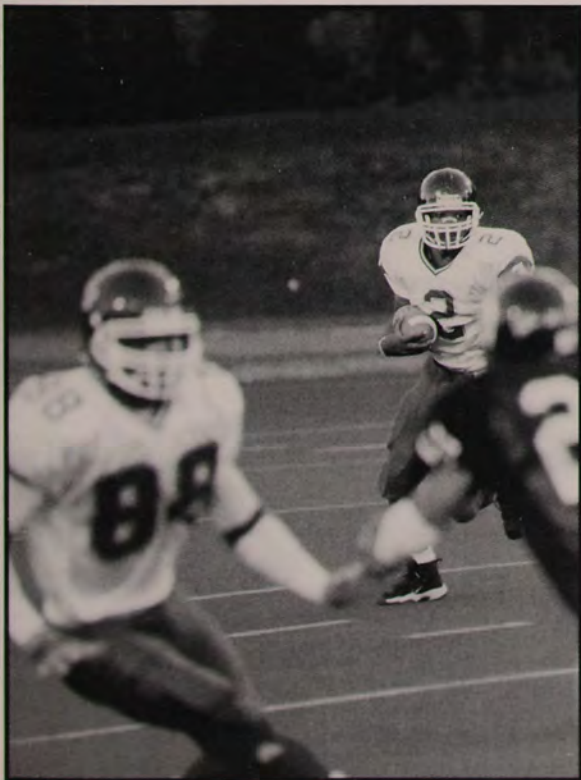

The first half was basically a punt-a-thon, since both teams could not get anything going. Both teams had turnovers and both quarterbacks were getting sacked repeatedly. The game would be decided by which team would make the first costly mistake and survive it, and MBC and CAU played an entire half before the Panthers made that momentum switching mistake. With 8:12 left in the third quarter and the score 7-6 in favor of MBC. Running back Bobby Wilson scored on a 2-yard touchdown run which literally opened up the flood gates for the Wolverines.

On the ensuing drive MBC defensive back Carlos Leggins intercepted a CAU pass and ran it back 33 yards

for the touchdown which brought the score to 20-7 after the extra point. After a CAU punt, MBC's offense took over and Wilson scored on a 3-yard run to make the score 27-7 with the extra point. Morris Brown kept the onslaught going in the fourth quarter when fullback Jason Drayton ran around the left side to extend the score to 34-7 with the extra point with 12:18 left in the game.

MBC showed some mercy by taking out starting quarterback Stanley Hardy and putting in backup quarterback Kewan Dewberry. Dewberry didn't waste any time to make his presence felt. With 8:00 left in the game he hooked up with wide receiver Laquonne Holden for an 18-yard touchdown and a final score of 40-7.

This victory should give Morris Brown confidence as they ended their winless season and improved to 1-2. MBC will need the confidence because their next opponent will be Bethune-Cookman, who is undefeated and always is a powerhouse team. The two teams meet next Saturday at 7:00 at Herndon Stadium.

## WILLIAM C. LINDSEY

SPORTS INFORMATION DIRECTOR  
MEDIA RELATIONS

William C. Lindsey joined the Wolverine athletic staff in September of this year. A native of Washington, D.C. Lindsey earned his Bachelors of Science degree from South Carolina State University in 1985. After college Lindsey competed on the United States Tennis Associations Satellite Circuit. He then went on to manage and own a retail sporting goods establishment in Aiken, South Carolina.

As a free-lance writer and photographer Lindsey earned the "1986 South Carolina Recreation and Parks Award" for a welcome center brochure that was circulated throughout the State. He also was

the recipient of the "1980 Washington Star Journalistic Award".

William's journalistic experience led him to his next adventure with the United States Secret Service. Lindsey spent ten years protecting Presidents Bush, Clinton and a host of other world renown dignitaries. He was assigned to the Special Operations and Training Branch/White House.

Lindsey has been playing and coaching tennis for the past thirty years and is a certified United States Tennis Professional. In conjunctions with his sports information duties Coach Lindsey is also in his first year as the administrator of the Wolverine Tennis Program.

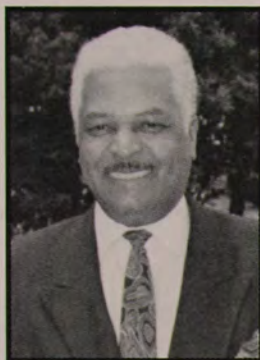

Lindsey and his wife Dr. Helena Mitchell enjoy a host of athletic pursuits and are passionate about mentoring youth.

# In Loving Memory James T. Abrams "Abe" Former Head Football Coach

Coach "Abe" with Athletic Foundation president, Robert Barnett

James "Big Abe" Abrams

**M**r. James T. Abrams, longtime Principal, Assistant Principal, Teacher/Coach in the Fulton County Public School System and former Head Football Coach at Morris Brown College, succumbed April 4, 2000 after a recurring illness.

He was born in Shellman, Georgia to the late Lonnie Abrams and Pheobe Majors Abrams Shead. The family later relocated to Jacksonville, Florida. Mr. Abrams received his early education in Jacksonville, Florida and graduated from the Old Stanton High School in Jacksonville. After graduation, he attended Morris Brown College in Atlanta, Georgia on a football scholarship, where he earned the nickname "Abe" or "Big Abe." This term was frequently and affectionately used among the players at Morris Brown.

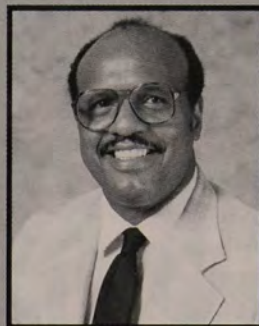

After receiving his B.S. Degree from Morris Brown College, his first teaching/coaching position was at South Fulton High School in East Point, Georgia under the principalship of the late Frank McClarin. He served as Head Basketball Coach and Assistant Football Coach. Mr. Abrams earned his Master's Degree from New York University in New York City and has received his Administrative Certification from Georgia State University in Atlanta, Georgia.

Mr. Abrams married Blanche Woods (Abrams) in 1954 and to this union were born two (2) sons, James Tyrone Abrams (Corky) and Wayne Cedric Abrams. They were married for 46 years.

In the late 1960's, Mr. Abrams left the Fulton County Public School System to become Head Football Coach at his Alma Mater, Morris Brown College. He coached at Morris Brown College for three years before returning to the Fulton County Public School System. There, he served as Teacher/Coach, Assistant Principal at Russell High School and Principal of Woodland High School and Camp Creek Middle School, where he retired in 1989.

During his college and career years, Abrams received many awards, honors and achieved many accomplishments. Among them were: College—Captain of Morris Brown College Football Team, recipient of the William A. Fountain Linesman of the Year Award and Honorable Mention for All America. Career—Coached several State Football, Basketball and Baseball Championship Teams while at South Fulton High School, recipient of the WSB Radio White Columns Outstanding Achievement in the World of Sports Scroll (1967), WAOK Radio Station Basketball Coach of the Year (1969), Coached the Georgia Interscholastic Association All Star Basketball Team during the years 1960, 1961 and 1966. Mr. Abrams also coached the Girls Basketball Sub Region Championship team at Hapeville High School, 1974-75. He was the 1961 Coach of the Year for the Atlanta Quarterback Club and Georgia High School Association AAA Basketball finalist Head Coach in 1967. Mr. Abrams was inducted into the Sports Hall of Fame (Extra Point Club, Inc.), the Morris Brown College Athletic Hall of Fame and the SIAC Hall of Fame. As a testament to Mr. Abrams' coaching ability, several of his players went on to play professional Football, Basketball and Baseball. Among them, Alfred Jenkins, Atlanta Falcons, Donald Adams, Atlanta Hawks, Charles Greer, Denver Broncos and John Milner, New York Mets.

Mr. Abrams' many interests including fishing, cooking and catering. He was active in several organizations: the Morris Brown College Athletic Foundation, where he served as Director; one of the Founders of the TAY Club, MBC-CAU Labor Day Football Classic Committee and the Extra Point Club, Inc. Additional memberships include Morris Brown College National Alumni Association, the Handy Park Community Club (President 1981) and Phi Beta Sigma Fraternity. Mr. Abrams was a member of Cascade United Methodist Church.

Alumnus James T. Abrams

Coach "Abe" with wife Alumna Blanch Woods Abrams (A Former Miss Morris Brown) in California

Coach Abrams with sons — James Tyrone Abrams (Corky) and Wayne Cedric Abrams

Coach "Abe" with QB / Greg Thompson during the early days ...

"A precious one from us has gone,  
A voice we loved is stilled,  
A place is vacant in our hearts,  
Which never can be filled.  
After a lonely heartache  
And many a silent tear,  
But always a beautiful memory,  
Of One We Love So Dear."

Curry energized about SU  
By SCOTT HOTARD

Special to The Advocate

**M**orris Brown's history of the South-

band. television, heard about the big crowds So at 6:30 p.m. Saturday, when Curry the field against the Jaguars on home-

dium, the senior linebacker will enjoy to for quite some time.

"When I found out we had them on Jaguars, "this was the first team I game for me."

Perhaps the 6-foot-2, 225-pound big games.

Curry's speed — he runs the 40-yard Wolverines coach Joe Crosby — and attention of pro scouts, who appear "He needs to get a little bigger," good team and they put him on a If Curry does make it to the NFL, he like road.

Curry did not play football his first School. He was academically ineligi- a disciplinarian at a charter school in After one season as a defensive tackle Curry joined the Wolverines in 1999 He racked up 88 tackles, including a intercepted four passes as the Wolver- Division II.

"He's really been consistent since he's every Saturday like he practices. He the ball."

Curry was listed as a junior during — just before the Wolverines' third would be his star linebacker's last year Under Division I rules, a player has moment he enrolls in college. Crosby ing the fall of 1996, and that's when not two years later, when he played his

"Everything is tightening up," Curry said, "and (the eligibility news) really didn't give me the extra year to do what I think I have to do to prepare myself for the next level."

Curry played mostly on the weak side last year. But in the off-season he was moved to middle linebacker, a position that requires him to both captain the defensive huddle and call for pre-snap adjustments along the defensive line.

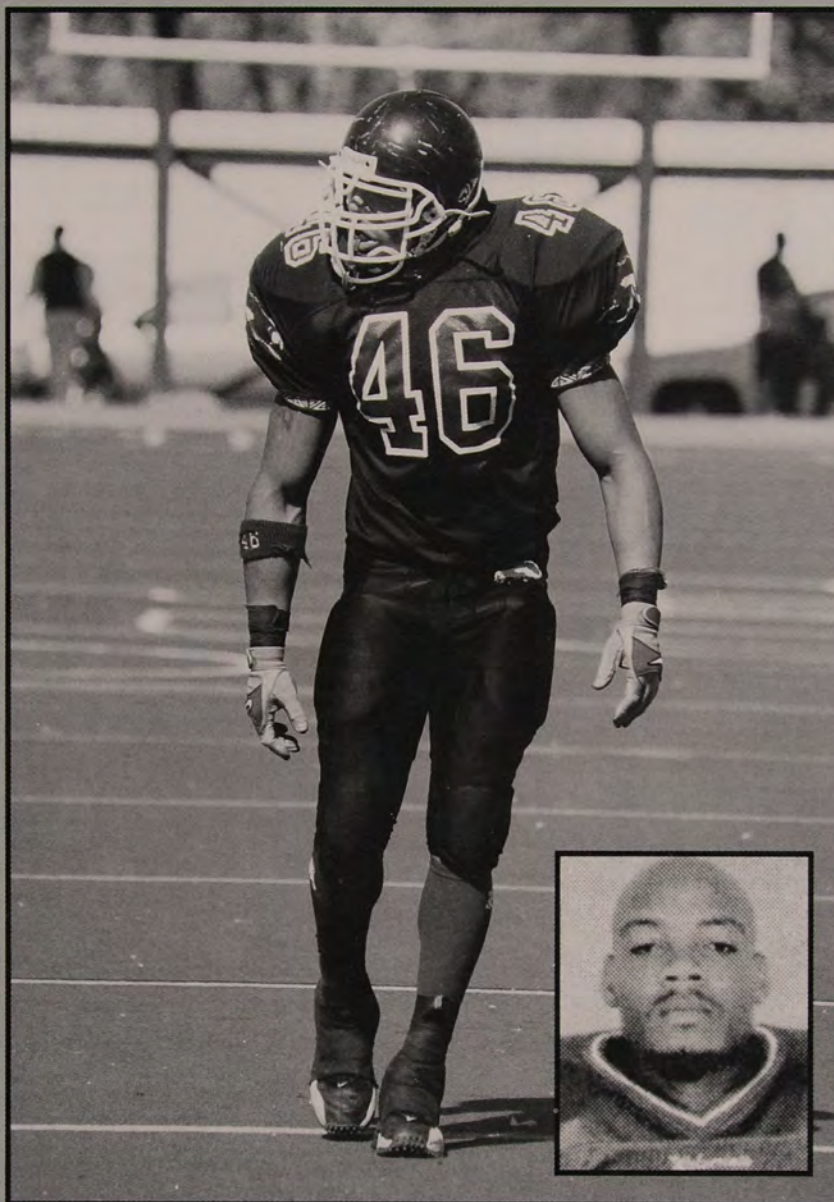

So far, the transition has been a smooth one. Curry, a member of Street and Smith magazine's preseason black college All-America team, has recorded 39 tackles (11 for a loss) and picked off three passes through seven games from the middle linebacker spot — or wherever else the coaches ask him to line up.

"He can moved around," Crosby said of Curry, who's also blocked both a punt and a field goal. "He's a football player. That's what I say about him."

Crosby said he thought about playing background music during practices this week to prepare his players for the noise he suspects they'll hear Saturday at Mumford, easily the most hostile environ- ment the Wolverines will encounter this season.

"That's what college football is all about," Crosby said. "If you can't get pumped up for this one, you might as well not be living."

Curry could not agree more.

Donte Curry knows about the storied ern football team, its fans and its

Melva Bell — MBC 1st Attendant

**M**elva Bell was born in East Point, GA to the late Melvin E. Bell and Dr. Florence J. Bell. She is a graduating senior, Mass Communications major with a concentration in television broadcasting. She is also pursuing a minor in music. Upon graduation Melva hopes to become a broadcast journalist for television news. She is also very interested in singing gospel.

Melva is involved in many activities at Morris Brown College. She is a member of the Marching Wolverine Band, The Morris Brown Concert Band; she is the president of Tau Beta Sigma National Honorary Band Sorority, as well as a member of Alpha Kappa Alpha Sorority, Inc. She was inducted into the Golden Key National Honor Society and is featured in the National Dean's List publication as well as Who's Who Among High School Students. Her motto that she lives by comes from Proverbs 31:30, "Beauty is Vain and Favor is Deceitful but a woman who feareth the Lord, she is worthy to be praised."

KiTonya McCoy — MBC 2nd Attendant

**O**n December 28, 1978 KiTonya Toynise McCoy was born in Augusta, GA to Roger Lane and Josie McCoy. KiTonya spent her childhood years in Stone Mountain, GA where she attended Redan High School. At Redan she was Miss Redan High School 1997, a member of the dance auxiliary, gymnastics team, senior council, marching band, and various clubs. As a freshman at Morris Brown College, KiTonya joined the Bubblin' Brown Sugar Dance Team. In her junior year she also became a member of the Student Senate, Junior Council, and Ecstasy Dance Team. KiTonya's most memorable experience was becoming a part of the talented Synfonette Society, Ladies of the Performing Arts.

Upon graduation, this early childhood education major plans to become an elementary school principal. She also hopes to open a dance studio and an elementary school of the arts and sciences. KiTonya believes that if you put God first in everything you do, there is no limit to your blessings.

# Morris Brown College

**Miss Freshman:** Aku Attipoe was born in Athens, Georgia on January 20, 1982. She is the proud daughter of Ama and Titrim Attipoe, native Ghanaians.

She graduated from Clarke Central High School located in Athens, Georgia, where her love for school-spirit emerged. Some of Aku's extracurricular activities during her high school years included the Black History Choir, Varsity Track, Cheerleading and was Captain of the Pep Squad. Aku was also crowned Miss Black Athens-Clarke County 1st Runner-up 1999 and 2nd Runner-up 2000. Her hobbies include singing, dancing and shopping.

She would like to take this time to acknowledge those persons who have helped her achieve all she has and will have. First her lovely father and saviour the almighty Lord, Jesus Christ. Second her mother Ama Attioe and her sister Melody and the remaining Attipoe family. And finally Monica Willie and Julius Huff thank you so much. "I love you all and will continue to keep you in my prayers always."

**Miss Sophomore:** Zaneda LaRae Brown, the daughter of Mrs. Celita Brown, was born on April 13, 1981. Zaneda is a native of Winder, Georgia where she attended Winder-Barrow High School. Zaneda is majoring in Early Childhood Education and with this degree, plans on starting her own Child Day Care Center.

Zaneda is a member of White Oak Springs Missionary Baptist Church in Winder, Georgia. She is a member of the WOSMBC youth choir. Some of her hobbies are swimming, playing basketball and softball, last but not least, playing with children. She says, "I really enjoy being around children as well as babies." Zaneda believes that all things are possible if you keep your trust in God. She also believes that you should always keep God first in your life and everything will fall in place.

As part of her reign she dedicates her crown to her father who passed when she was three years old. She said, "Although he is not here physically I know that he is watching from above and I will always be daddy's little girl." She also wants to thank her mother for always being there for her and never letting her down. Zaneda would also like to thank Mrs. Ina Pearl for all of her support. To her family she says thanks for all of your love, prayers and support.

# Class Queens

**M**iss Junior: Torri Deondra Durham was born in Warner Robins, Georgia. She is the daughter of Eddie and Jean C. Durham and the sister of Shae Durham, who is a member of the Marching Wolverine Band. In 1998, Torri graduated from Northside High School.

Torri is a W.E.B. in Business Administration. She plans to attend graduate school and major in Speech-Language Pathology (SLP). Her hopes are to work within the school system as a SLP.

Currently, Torri's extracurricular activities include; MBC-TV News Anchor, MBC Senate, Collegiate 100, Albert Edmonds Leadership, and Freshman Orientation Guide. She is a member of Unionville Missionary Baptist Church of Macon, Georgia.

This past summer, Torri interned at The Georgia Lottery Corporation in Atlanta. She enjoyed the internship and net-working opportunities. Torri believes her internship and extracurricular activities have contributed to making her a better and brighter Black woman and a leader for the new millennium.

**M**iss Senior: Kenyatta Denise Phillips is the proud daughter of Ella Louise Phillips and Michael Choates and the big sister of Michael DéAngelo. She is a senior psychology major from Clover, South Carolina.

Kenyatta is very active here at Morris Brown College. She is a W.E.B. Dubois Scholar, a Vice-presidential Honour Student, a member of the National Dean's List, a student senator, a member of the Psychology Club, and president of Alpha Kappa Alpha Sorority, Inc.

Kenyatta believes that the sky is the limit and that anything is possible when you put your trust in the Lord, and believe that he will never put more on you than you can bear; a lesson that was taught to her early on in life by the person she holds dearest to her heart, her paternal grandmother, Marjorie Choates. Upon graduation Kenyatta plans to attend graduate school and obtain a M.S.W. in Child Social Work.

# *In Loving Memory Mrs. Edith White Ming*

*"Sing unto the Lord a new song. Come before His presence with singing and into His courts with praise."*

**E**DITH WHITE MING was the extraordinarily gifted orator, vocalist, pianist, organist, conductor, and internationally respected church leader who, in partnership with her husband of 43 years, Bishop Donald George Kenneth Ming, tirelessly dedicated her many gifts and talents in the service of her Lord and Savior Jesus Christ.

Born February 12, 1932 in Sheridan, Pennsylvania, Mrs. Ming was the youngest of five children born to William M. White and Cristabelle Williams. She graduated with honors from the Millcreek Township High School. She then went on to attend Temple University Teachers College-School of Music, where she further refined her musical talent while earning a Bachelor of Science degree.

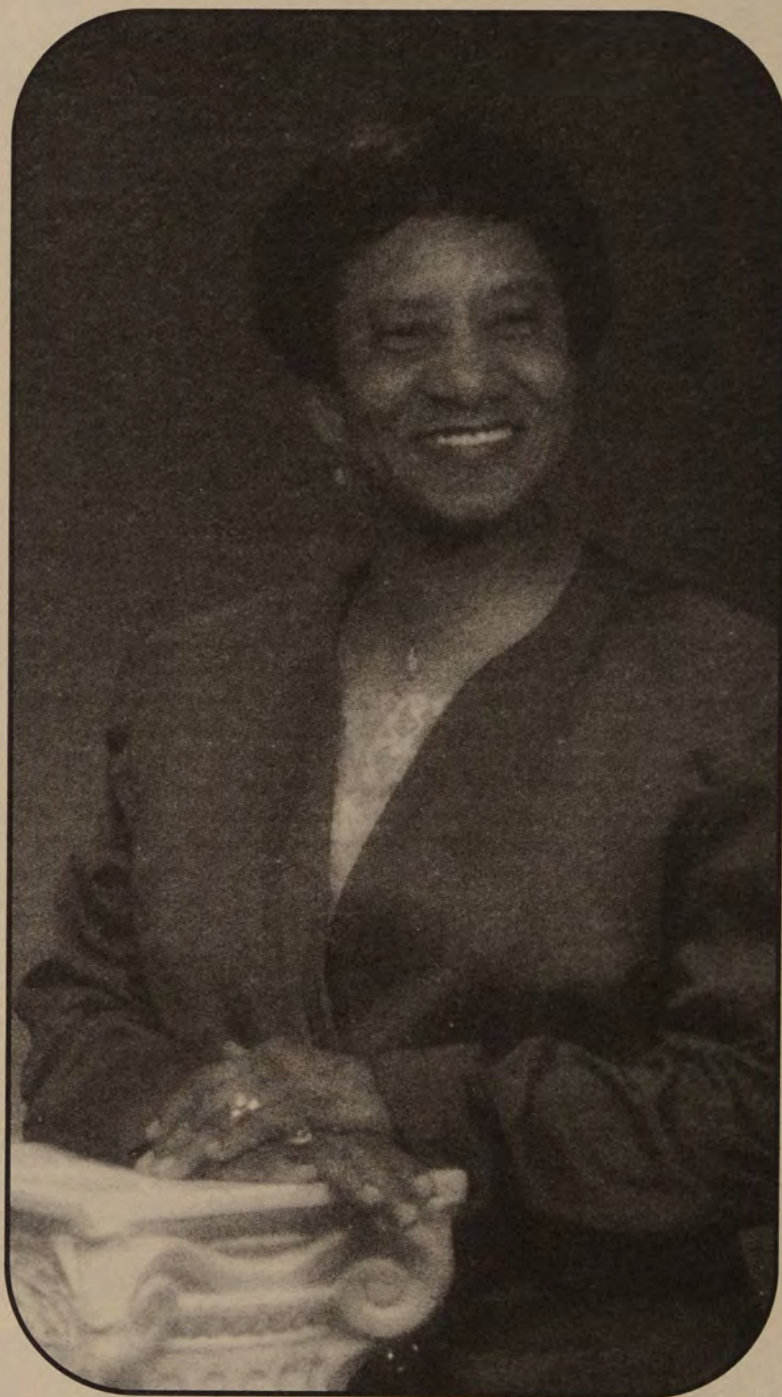

On July 3, 1957, Edith married Donald George Kenneth Ming at Jones Tabernacle African Methodist Episcopal Church in Philadelphia, beginning a partnership of matrimony and ministry that would send them in service to God's people in South Africa, the Caribbean, parts of South America, Louisiana, Mississippi, and Georgia. Along the way, the "Ming Team" distinguished themselves throughout African Methodism and the global faith community at large.

In addition to her role as the supportive and gracious wife of the Bishop, Mrs. Ming ascended to heights of individual notoriety and personal achievement. She was a member of many organizations, including Church Women United; the NAACP; the Association of University Women; Women for Morris Brown; and Delta Sigma Theta, Inc. She served as Vice Chairperson of the Family Life Committee of the World Methodist Church; a board member of Georgia Health Decisions; and a board member of Prison Ministries with Women; and she was a charter member of the National Museum of Women in the Arts. As a member of the Commission on Worship and Liturgy of the African Methodist Episcopal Church, Mrs. Ming made invaluable contributions to the AMEC Bicentennial Hymn Book. Mrs. Ming was the first African American elected president of the World Federation of Methodist Women and served in that capacity for five years.

Mrs. Ming received many honors and awards, including the Excellence With Courage Award from Edward Waters College in Jacksonville, Florida; the Women's Missionary Award of Merit; the prestigious Sarah Allen Award for exceptional leadership; the Women for Morris Brown Award; The Georgia Coalition for Black Women's Award, and many others.

With all of her activities, Mrs. Ming maintained, first and foremost, a warm and inspirational presence within the African Methodist Episcopal connection, ever displaying particular affinity and concern for youth and women's concerns. Her trademark, "Press On!" reflected the joy and gladness she displayed in her work for the Lord.

Mrs. Ming is survived by her husband, Bishop Donald G. K. Ming; a brother and sister-in-law, Charles and Mary White

Sr.: two sisters, Mildred Lofton and Lois Norris, and a host of nieces, nephews, and grandchildren.

We celebrate her life and coronation on high. She was loved by us all, and though she will be deeply missed, she will be fondly remembered.

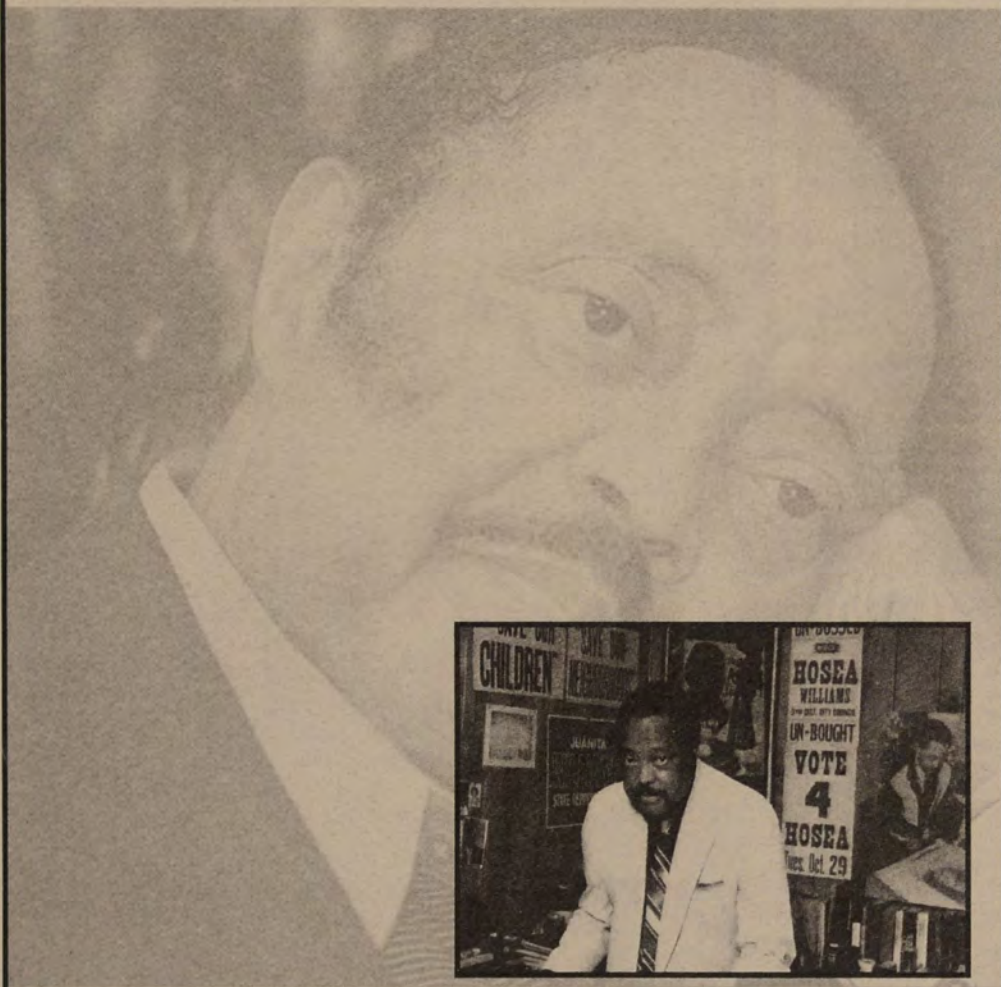

# A Tribute To Alumnus Hosea L. Williams '51 "Still Unbossed ... Still Unbought" — We Love You!

HOSEA WILLIAMS: 1926-2000

## Fight is over for civil rights

When the 12-year-old Hosea Williams can away from the tobacco plantation on which he worked in North Florida, he defined his life's work. Although he went on to acquire an extraordinary formal education for a black man in that era, his life went far beyond the education and training he received as a research scientist. At 12 years old, Hosea became the kind of activist he would continue to be — aggressive, political, and compassionate. Activism conducted on a local, national and international scale; activism fueled by compassionate understanding and raw courage, Hosea Williams served God, his family, his people, the national and all of humanity.

Born January 5, 1926, in Vilence, Florida to LaCenia Williams and William Wiggins, Hosea grew up in rural Atapulgus, Georgia. After graduating from Hurto High School in Bainbridge, Georgia, he earned a B.S. degree in Chemistry from Morris Brown College and completed graduate work at Atlanta University. He received the Purple Heart as a Staff Sergeant in the United States Army during World War II. After his return he married the late educator, businesswoman, and former Georgia State Representative Juanita Terry Williams.

Hosea began his career as a "Freedom Fighter" and civil rights activist, a career that spanned nearly four decades, when he led the integration of the South's first passenger train. The Nancy Hanks, that ran from Savannah to Atlanta. In 1957, he led the Human Rights Movement that integrated the South's first public beach, Tybee Beach, also in Savannah. Having been kicked out of the NAACP for militancy in 1961, Hosea organized the Chatham County Crusade for Voters, which later became an affiliate of the Southern Christian Leadership Conference (SCLC). Under his leadership, the Chatham County Crusade for Voters mounted Georgia's first non-violent direct action campaign. In 1962, Martin Luther King, Jr. declared Savannah the most integrated city South of the Mason Dixon Line as a direct result of Hosea Williams' leadership.

Because he challenged the racism on his job as a research chemist and the conservatism of older black leaders, Hosea was fired from his position in 1964. Although he successfully appealed the firing and was rehired as a government scientist, Hosea resigned his position that same year and accepted Dr. King's offer to become one of the top field generals of the Southern Christian Leadership Conference. As National Director of Community Organization and Political Education Project (SCOPE) during which over 1,100 northern students and professionals registered over three million new black voters in 11 states. It was in leading the historic march across the Edmund Pettus Bridge on "Bloody Sunday" in 1965 that Hosea's raw courage was not only immortalized for the nation and the world to see, but was also instrumental in forcing the passage of the 1965 Voting Rights Bill. Having organized the "Meredit March against Fear" in 1967, Hosea spearheaded the field organization of the Poor People's Campaign, which brought thousands of poor Americans of all races and backgrounds together from across the country to demand a minimum standard of living. After Dr. King's death, Hosea became "Mayor" of Resurrection City, a tent city erected on the Mall between the U.S. Capitol and the Lincoln Memorial to protest national economic inequality.

After seeing that many religious leaders encouraged their membership not to participate in Dr. King's non-violent movement, Hosea was ordained by Rev. Ralph David Abernathy and organized the Martin Luther King, Jr. People's Church of Love to full support and carry on the movement to free all Americans. In 1971, as International Ambassadors of SCLC, Rev. Williams and Juanita Terry Williams completed a Worldwide Brotherhood Tour of 19 countries, a tour that included 10 African nations, India, Vietnam and the Peoples Republic of China. Elected in 1974 as the Georgia State Representative from the 54th District, he served with distinction as a State Legislator until 1983. He authored House Bill 473, which made it illegal for utility companies to cut off a customer's service for repair costs or delinquent payments for appliances purchased from that utility company. Because of his relentless championing of the rights of the voiceless, Rev. Williams was elected Councilman for the 5th District of the City of Atlanta, serving from 1986 to 1990 and 3rd District Commissioner for DeKalb County where he served from 1991 to 1994. Hosea was founder and CEO of the Southeastern Chemical Manufacturing and Distribution Corporation and later President and CEO of Hosea's Bonding Company. He received an Honorary Doctorate of Humanities from Morris Brown College in 1985.

As Chief Executive of "Hosea's Feed the Hungry and Homeless in Metro Atlanta," founded in 1970, Rev. Williams assumed responsibility annually for feeding thousands of Atlanta's homeless during the holidays. Last year, the program served dinners and provided social services to more than 32,000 people on Thanksgiving day and another 31,000 on Christmas Day. As the creator, publisher, and Executive Director of the "Voice of the Crusader," and investigative newspaper as well as one of Atlanta's most popular public access television programs, Hosea Williams has remained a committed, hard working, God-fearing revolutionary. Armed with philosophy anchored in the Movement anthem, "Ain't Gonna Let Nobody Turn Me Around," and a steadfast determination to remain "Un-bossed and Un-bought," Hosea, known as "the Mighty Hosea" and "Little David withstood the acid test of time, repression, and racism.

A recipient of thousands of honors and awards for this leadership, humanitarianism, courage, and "Keeping the Dream Alive," Hosea was enthroned as Chief Sorboth (Rock) by several African tribes on this past Father's Day. He was a member of Phi Beta Sigma, National Order of Elks and Free Accepted Masons; Veterans of Foreign Wars; Disabled American Veterans; and the American Legion.

# A Brownite Salute

## Ms. Vista H. Bryant

**7**his year's edition of the Brownite salute one of Morris Brown College's most outstanding and respected Assistant Professors of HPER, Ms. Vista H. Bryant. Ms. Bryant, received her Bachelor of Science Health from Tuskegee Institute, Tuskegee, Alabama, and her Master of Science Physical Education from Ithaca College, Ithaca, New York.

She began her teaching career in the Dekalb County Public School System prior to her arrival here at Morris Brown College. While teaching at the high school level, Ms. Bryant also coached basketball and track & field. Here at MBC Ms. Bryant re-started the Women's Basketball program in 1979 and also claimed the Coach of the Year award for that same year, along with the recognition of the Extra Point Club as Coach of the Year for 1980-81 & 1981-82. Ms. Bryant has also coached the Women's Volleyball and Cheerleading teams here at MBC. In addition to her coaching duties, Ms. Bryant has served as Coordinator of Women's Athletics and Chair of the Athletic Committee.

On the academic level, Ms. Bryant has over 25 years of experience in the area of Health, Physical Education and Recreation. She is currently an associate professor in the department of HPER with the responsibilities of teaching, supervising student teachers, and advising the Major's Club. Ms. Bryant is highly regarded by her students and is lovingly referred to by some as "Ms. B". She is a very dedicated, caring teacher and truly has her students' best interest at heart — sometimes taking on the role of "mom-away-from-home" which has resulted in many "adopted children". She always has a kind or encouraging word to share with her students, while at the same time demanding the respect and discipline it takes to make them successful graduates. And speaking of successful graduates, Kathy Washington, former Wolverette and local high school coach, coached her high school basketball team on to win the Georgia State Championship. A former cheerleader, Charles Barker, is now working with the MBC yearbook staff. Some of Ms. Bryant's other accomplishments and recognitions include, but are not limited to: Chair of the Department of HPER, Who's Who Among America's Teachers 1996, The Vista H. Bryant Award, Annual Basketball Trophy (given to the most outstanding female player each year), Atlanta Tuskegee Alumni Club Service Award 1990 (for most supportive of activities), and the Morris Brown College Service Award from the Division of Student Affairs 1994, by the Women's Week Committee.

She is also affiliated with such professional organizations as Omicron Delta Kappa, American Association of Health, Physical Education, Recreation and Dance (AAHPERD), Southern District of American Alliance for Health, Physical Education and Recreation, among many others. She is also an active member in her church, Central United Methodist.

Ms. Bryant and daughter  
Valencia T. Bryant

On October 16, 1995 a historical event occurred. Minister Louis Farrakhan called for one million men to march on Washington DC. This day was used for all the men to atone. Over one million men took a pledge to strengthen their family and community. Five years later the call was made again. This time the call was for the entire human family. On October 16, 2000 History would be made again.

Extensive planning went into bringing the entire human family together.

There was an invite to about one hundred and forty religious groups. The Baptist ministers, Catholic Bishops, Evangelicals, Lutherans Imans and Buddhist all pledged to encourage members of their group to attend. The religious leaders who attended also declared that they would stand with the Honorable Minister Louis Farrakhan. Support for the march came from all places. Hip-Hop Mogul and CEO of Rush communicate and Def Jam records Russell Simions was a chairman of the million family march committee. He organized entertainers from the music industry to support, perform, and bring the families out to unite. There was a tremendous amount of support and endorsement both publicly and privately.

My family was one of the million families who made the march. We came from Washington State and Georgia. There were events planned throughout the weekend and the day of the march was incredible. One would expect to have seen a sea of black families like five years prior. That was not the case. The call was to the entire human family so that did not exclude any race. The march was very multicultural and it seemed to me that no matter what race you were there was a representative from your community. This representative spoke onstage about the thing that plagued their community. From the Native Americans to Hispanic Americans and Asian Americans every ethnic group present asked for unity, changes, and advancement in their community.

During the march there was a feeling of pride knowing that you were making history and doing something good with your family. There were a great number of speakers all with educational information that even the smallest child understand. When Minister Louis Farrakhan spoke it was a message not like his other. He spoke to all of the people. No matter your nationality he was speaking to you which made you feel close to the person you were next to. No one would ever think there could be too much love being shared but it was. At the end of Minister Farrakhan's lecture a mass wedding took place. The wedding was held for every religion so everyone was included. Along with the wedding Minister Farrakhan asked the married couples in the audience to renew their vows. To be able to love being shared to me was very spiritual. My only wish is to have the unity and love shared on October 16, 2000 continues throughout the community.

—Kenyatta Alexander

## Morris Brown's Own Making History: Angelo Taylor

—Renata Robertson

Angelo Taylor, a business administration major at Morris Brown College, has made history while competing in the 2000 Olympic Track and Field events in Sydney, Australia. The 22-year-old student from Decatur, Georgia will go down in history for his victorious win of two gold medals for the USA in the 400-meter hurdles and 4x4 relay at his first Olympics. He won his spot on the team by clocking a person-

al best time of 47.62 seconds at the 2000 U.S. Olympic Trials, the fastest time in the world this year.

When he first began running track, nine years ago, he tried every event. Deciding which events he would specialize in was not a hard task at all. "When I tired the hurdles, I automatically knew that was the event for me." For Taylor, preparation of each run consists of "First, trying to visualize my race." he said. "I just concentrate and focus on what I am there to do."

Taylor describes himself as being, "tenacious, funny and modest." He has many goals that he is forging forth to achieve including making it to the 2004 Olympics.

Taylor also attended Georgia Tech University where he excelled as a dominant force in the NCAA, winning numerous awards and medals. He is a graduate of Southwest Dekalb High School, where he shined in track, conquering five state titles. He was profiled in Sports Illustrated in May 1996 as the Old Spice Athlete of the Month, and later named Old Spice Athlete of the Year.

Angelo Taylor is the son of Subrena Everett and Angelo Taylor Sr. and he has two younger siblings. Aside from running, he enjoys playing football, basketball, video games and watching college football and basketball.

### Black Family Pledge

*Because we have forgotten our ancestors, our children no longer give us honor.*

*Because we have lost the path our ancestors cleared, kneeling in perilous undergrowth, our children cannot find their way.*

*Because we have banished the God of our ancestors, our children cannot pray.*

*Because the old wails of our ancestors have faded beyond our hearing, our children cannot bear us crying.*

*Because we have abandoned our wisdom of mothering and fathering, our befuddled children give birth to children they neither want nor understand.*

*Because we have forgotten how to love, the adversary is within our gates, and holds us up to the mirror of the world, shouting, "Regard the loveless."*

*Therefore we pledge to bind ourselves again to one another,*

*To embrace our lowliest,*

*To keep company with our loneliest,*

*To educate our illiterate,*

*To feed our starving,*

*To clothe our ragged,*

*to do all good things, knowing that we are more than keepers of our brothers and sisters.*

*We are our brothers and sisters.*

*In honor of those who toiled and implored God with golden tongues, and in gratitude to the same God who brought us out of hopeless desolation.*

*We make this pledge.*

—Maya Angelou

### Love Of My Life

As salt is to the salty inhabitants of the sea, so art thou to me.

O dearest, what beauty is to be compared to thee.

Surely, a rose is no match for thee, for today it is, but tomorrow it is gone.

Even a thousand stars in all their splendor

on a mid summer night is nothing to be compared to thee, for they are born and are destined to die.

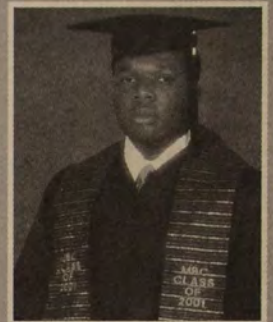

But thou, my beloved, is immortalized in these words of mine.

Cursed am I, that I am allowed to see such virtue and beauty that will never be for me.

Yet, a day without beholding thee, put my mind in misery.

O love of my life, be ye immortalized with me.

—Honeil Nelson

**M**ario Howard, the son of Betty Howard and native of Augusta, Georgia, wears the title of Mr. Jr. Atlanta University Center with excellence.

Howard, a biology major, is a highly recognized for his academic achievements. Aside from being a HOPE Scholar, his name holds a place on the National Dean's List. He is also a member of the Golden Key Honor Society, the National Pre-medical Honor Society and the National Scholar's Honor Society.

Not only does Howard stand out academically, he shines as a leader in many campus organizations. He is a proud member of Alpha Phi Alpha Fraternity Inc., Marching Wolverine Band, and a Residential Assistant. The Morris Brown College Family salutes Mario Howard.

—Renata Robinson

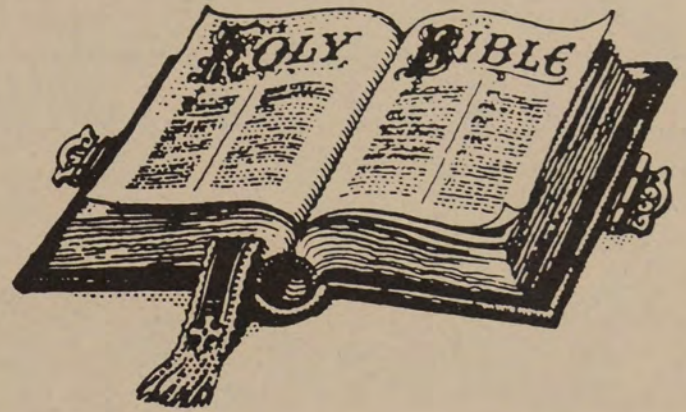

Jamie Patrice Mulligan departed this life on Wednesday, November 15, 2000 in Atlanta, Georgia. She was born on August 19, 1980, in Dayton, Ohio to the late Huston and Donna Mulligan. Jamie attended the Dayton Public Schools and graduated with honors from Patterson Cooperative High School in 1998. She was well-liked and enjoyed memberships in the Spanish Club, the Student Council, the American Youth Foundation, and Vocational Industrial Club of America. Jamie maintained honor roll status during most of her school years. In 1998, Jamie was a recipient of an Alpha Kappa Alpha Scholarship award. Her dedication to academics led to her later enrollment at Morris Brown College in Atlanta, Georgia. God became an important part of Jamie's life at the early age of seven, when she accepted Christ at Residence Park Church of Christ. Whenever time permitted, Jamie volunteered her services at Mulligan Stew Academy, a private school, cofounded by her mother, Donna Mulligan. Jamie's favorite leisure activities included movies, all kinds of music, and of course, shopping. Jamie was indeed a blessing to our family. She always had a big smile and kind words, especially for her cousins.

#### *Beyond Life's Gateway*

*There's an open gate at the end of the road  
Through which each must go alone,  
And there in a light we cannot see  
Our Father claims His own.*

*Beyond the gate our loved one  
Finds happiness, sweet peace and rest;  
And there I comfort in the thought  
That a loving God knows best.*

## *First Annual Facilities Management Staff Award Honoring Alumnus Roscoe Murchison*

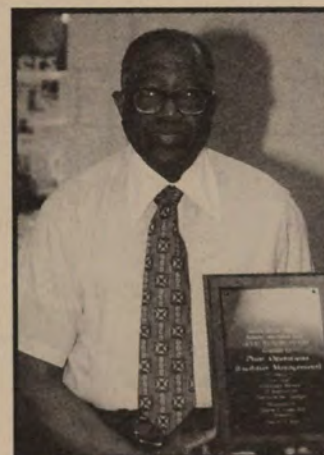

Rodney Dwayne Smith

Came to Morris Brown College in the fall of 1994. His first year at the school he was a member of the Fighting Wolverines Football team. Following his freshman year he became heavily involved in Morris Brown College activities by holding many positions, such as Student Leader, Resident Assistant for 3 years, Junior Class Vice President, Chief of Staff for the Student Government Association and a member of Phi Beta Sigma Fraternity, Inc. Upon graduation Rodney became Co-Director of Alumni Affairs and then a Resident Director for the Morris Brown College Housing Department. Rodney continues to give back to his prestigious Alma Mater. He pledges his Heart, Mind and Soul to nurture to hungry Souls of Dear Ole Morris Brown.

Giving honor to the Creator, my family and friends, and the **Morris Brown Family**. I would like to thank my family for giving me the opportunities that has made me the woman I am today. To my parents who has given me support spiritually, mentally and financially I send special thanks and blessings to you both. To my cousin **Ebony Brown**, you are a sister in my eyes and I love you very much. I would like to thank the rest of family for their love and support. Throughout my years at **Morris Brown College** I have grown and been a part of several activities and organizations. I am a member of **I.S.I.S. (Intelligent Sister In Service)** and a former member of **Bubbling Brown Sugar**, both of these organizations allowed me to accumulate friendships that are very meaningful and will last a lifetime. By being a Peer Counselor and an officer in the Sociology Club, I have gained knowledge and obtained tools that has shaped my personality both socially and professionally.

Last but not least to the entire **Morris Brown College** family, thank you for allowing me to use my talents to the fullest and for the opportunity to blossom into a productive **Brownite**. My heart is saddened by the thought that it is time to leave dear **OLE Morris Brown College**, however I do embrace the new transition that I must take in the upcoming months. I will always remember my experiences and the lessons that were taught to me throughout my duration at this prestigious institution.

It is my hope and prayer that the **Morris Brown** tradition is upheld forever and ever.

God Bless,

# Morris Brown College Administration 2000-2001

Greetings from Dr. Cross:

**C**ongratulations to the **Brownite** yearbook staffs, past and present, on the 60th Anniversary of the book's publication. For 60 years, the **Brownite** has annually captured the essence of our lives as members of the **Morris Brown College** family. This year, as we celebrate the 60th **Brownite** anniversary, we also celebrate the 120th Anniversary of our beloved **Morris Brown's** founding.

Over the years, there indeed has been much to celebrate. Reaccreditations, commencements, successful alumni, publication awards and so much more. Through

pictures, text and first-hand accounts, we

have seen the years unfold in the

**Brownite**. I so look forward to

each publication, and I know

that this year's celebration will

be immortalized in the pages

herein. It is also appropriate

to recognize the 35th

Anniversary of **Charles**

**Barker's** volunteer efforts

with the **Brownite**. His hard

work and dedication to his

**Alma Mater** are exemplified in

each edition of this fine publica-

tion.

In closing,

warmest regards and

best wishes to our

graduating seniors to

whom this year's

**Brownite** will hold

dear and infinite

memories.

Sincerely,

**Dolores E. Cross**

President

In case you hadn't noticed,  
the faces at AFC Enterprises represent  
*diversity and opportunity.*

“ I often tell people that we are not in the restaurant business, but we are in the opportunity business. If there is no affirmative action, there is no action. ”

~ Frank Belatti,  
Chairman & CEO of AFC Enterprises

The people you see and those you don't see are important ingredients to our success. Our mission is to create equity by providing opportunity and then sharing our successes with the many people of AFC. People like Chicago based PENMAN Partners, an African American-owned investment banking firm which owns a six percent stake in AFC; or like our suppliers, where expenditures have increased from \$250,000 to \$10 million since 1993. Twenty percent of our top-paid officers are African American. Minorities and women own forty-eight percent of our franchises. Those actions and others like them are part of our New Age of Opportunity® philosophy, based on our conviction that inclusion and equal opportunity are for all people of AFC regardless of their race, religion or gender. For us, this is a core business strategy.

Lower left photo: (l-r) Leon J. Oldham, Special Assistant to the CEO and Director of Minority Affairs and Frank Belatti, Chairman & CEO of AFC Enterprises. ## Take Note of Our Diversity

As musical notes blend and dance together to create harmony, so must individuals who compose a business.

At UPS, diversity has always been written into our musical score. Our employees come from the very neighborhoods we serve all over the world. A medley of ideas enable us to set the standard for quality service in package distribution.

There is a shared vision at UPS of professional harmony in a company where each person's input is essential to what we do best — serve others.

At UPS, we value diversity. And that makes for beautiful music.

# Beyond a Career ... at OAO, it is not just a job

We recruit personnel for the best in their field of expertise; however, we also realize how quickly the information technology industry changes. As a result, we do not look for someone to just "fill" a job today. We want an individual who is highly competent and flexible, someone who can move from simply performing a job to adding new value to the team. We make a commitment to our associates to provide the technology, training and challenging tasks to provide them with more than just a job.

**The Freedom of Liberty, The Power of Strength.** As a leading diversified financial services company, and one of the largest multi-line insurers in the property/casualty field, Liberty Mutual Group stands alone when it comes to commitment, opportunity and achievement. With \$10 billion in consolidated revenue and more than \$45 billion in consolidated assets, we have the vision and financial strength to take your career to great heights. Liberty Mutual Group - the freedom to succeed, the power to achieve.

## The Challenge, The Reward, And The Freedom Of Liberty!

### SALES REPRESENTATIVES

You know what it takes to succeed in sales, and you have the experience to prove it. All you need is an organization that will provide you with a solid foundation. Liberty Mutual provides training, a national call center to assist servicing our customers and advanced technology that includes laptop equipment for on-line quoting. From the first day of employment you will earn a base salary, receive reimbursement for business expenses and have the office equipment needed to help you achieve. With all this and a strategic customer focus, Liberty Mutual gives you the freedom to be your best.

**We offer:**

- a competitive salary plus earned commission
- a complete line of auto, home, life and financial services products
- competitive, flexible benefits package
- career advancement opportunities

Upon hire, requires Property and Casualty licensing attainment (training provided). Ideal candidates will possess excellent communication skills. Previous sales or customer service experience is preferred. To join our growing company, please forward your resume to:

## IT'S MORE THAN HOW YOU LOOK IT'S HOW GOOD YOU ARE

That warm satisfied feeling isn't just the steak. It's our people. And our commitment to the communities where we do business. At Longhorn Steakhouse, we're not only about great benefits, advancement opportunities and outstanding compensation. Sure, we can offer you all that, but what separates us from the crowd is the passion our people have for their careers and the passion RARE has for its people. We have management opportunities available nationwide.
