Dear Ms. Klausner:

Thank you very much for sending to me Hoyt Fuller's proposal for the Best Of Black World. I think that this could become a very important literary work however I do think that the proposal needs a little further elaboration. In our editorial meeting it was suggested that Hoyt developd the book along thematic lines. I agree. Also, in this regard I would like very much to see some of the selected pieces to be included in this anthology. As you may know, I have the greatest respect for Hoyt Fuller and his dedication to black arts and culture. I would very much like to do this book but I must have a fuller outline as well as some indication of what the permissions cost would be for this volume. Thank you for submitting it to me for our consideration. I look forward to hearing from you at your earliest convenience.

Sincerely,

Marie D. Brown
