Note-Concerns graduating exercises of the Citizenship School, of which Mrs. Hope was Chairman. These notes are intended for Miss Feger's use who was also a member of the Citizenship Committee. Mrs. Hope was asking Miss Feger to speak, as a representative of the Neighborhood Union.

The Note Book contains points on the Neighborhood Union with which Miss Feger was not familiar, which Mrs. Hope jotted down for her. L.D. Shivery, Secretary Executive Board, Neighborhood Union.

*Dear Mrs. Hope:*

*How are you?*

*Since neither I nor my children knew just where to find Miss Feger, I'm sending the book to you as requested.*

*You can explain to her just what you want her to do Friday night at West Hunter St. I'll be at Allen Temple.*

*How's the doggie? Pat him for me. Smile. A pleasant and safe trip for you!*

*R. M. Cosby.*
