Dear Mrs Shivers,

At last I have acknowledge-
ment and expression from both of our white
daily papers concerning the Court House situation

Hon Wright Bryan of the Journal says I am
right in the resentment and Hon Ralph McGill of
the Constitution says he intends to "Do something about it."

Since our letter of one year ago, the "Contemplable
yellow shirt," has figured in the court records of
two separate cases. and I am anxious to con-
fer with you on future strategy when your
school closes; I want you to ^{see} the written expression
of both editors over their signature.

With kindest regards and best wishes
for your health and happiness I am

Sincerely yours

A. H. Janney
