

# CAMERA'S REPORT

**WAITING ON ROBOTS:** City commuters "live it up again" as the city returns to normalcy following a series of lootings, shootings, and arson on Wednesday. Here scores of people seen at West Parade, yesterday afternoon, waiting on "robot vehicles" to take them home.

**SOME OF THE JOS buses** which were destroyed by fire on Wednesday when thugs menaced the city with fire and other weapons of violence, following a demonstration by UWI students. Picture was taken from a high point at the Industrial Terrace garage yesterday. According to reports 35 buses are badly damaged—14 has been completely destroyed.
