Dear Myron:

"All's well that ends well." I think we can agree on that, in-so-far as our efforts to launch the Atlanta Guardsmen are concerned. Believe me, a job such as this of the National Secretary of the Guardsmen in which many of the procedures are made up as you go along is not an easy one. To me, the gratifying and rewarding thing has been the fact that the Atlanta Guardsmen are one "helluva" fine bunch - cut in true Guardsmen mold!

The "all out treatment" for the visiting brothers has been the constant conversation topic for the Richmond Guardsmen. Thanks are in order for a "fabulous" weekend - with all the trimmings (smile). In addition to the write-up which you sent me, I noticed another in the Afro-American.

I regret that I haven't been able to write sooner. Personal problems have prevented my doing so.

If there is anything with which I can be of help, please do not hesitate to call. In a few weeks (I hope) you will receive the minutes of our last National Conclave and that will bring your chapter up to date as to current affairs in Guardsmendom.

I am enclosing a price list of Guardsmen jewelry for those desirous of making purchase of the same. Orders will have to be placed through the National Secretary's office.

Please remember me to the Atlanta Guardsmen.

Yours very sincerely,

best wishes and many thanks*
