Working So Hard

Working so hard so hard to make Delta  
So hard, so hard to make Delta  
So hard to make Delta Sigma Theta

No no, no no its not Zeta  
No no, its just Delta Sigma Theta

We Are Bound

We are bound for Delta Land  
You know we're seeking, we're seeking the golden strand  
We're on our way, we're on our way to a Delta Day  
We're bound for Delta Land  
Delta Sigma Theta

Thank-you Delta

You're the one who stole my heart one day  
And you, re the one who chased my doubts away  
I ~~never thought that I could~~ make the line of DST  
For this I'm so thankful  
For this I'm so thankful for DST  
OOH thank-you Delta  
OOH ~~thankyou~~ Delta Sigma Theta

I use to think that AKA was the one for me  
Or maybe Sigma Gamma Rho or ZGB  
But now I'm glad I'm pledging DST  
The best sorority  
For this I'm so thankful  
For this I'm so thankful for DST  
OOH thankyou Delta  
OOh thank-you Delta Sigma Theta

We Want To Be Deltas

One day someone said to me  
You'd better go pledge DST  
So I made up my mind and made a vow  
I was gonna make Delta someday, somehow

You knew there wasn't an Alpha bad enough  
Wasn't a Sigma rough enough  
Wasn't a Zeta tough enough  
To keep me from making Delta

You know that we want to be Deltas  
Mighty, mighty, mighty bad Deltas  
We want to be Deltas, Bad Delta Girl's

Just To Be

Just to be, to be a Delta Girl  
A Delta Girl, the best in all the world  
Because its  
Sigma Chapter . Delta Sigma Theta  
Sigma Chapter, Delta Sigma Thata  
(back to beginning)

DOROTHY I. HEIGHT, GRAND PRESIDENT

### TRIBUTE FROM A FOUNDER

*Delta Sigma Theta Sorority has been indeed, greatly honored to have had as its Grand President, a woman of keen insight and far reaching vision such as Soror Height. She has steered us into participation in world affairs, human relations and cultural projects far in advance of awareness of their importance by the general public. Thus in many instances, Delta Sigma Theta Sorority has been "A FIRST."*

*Soror Height's greatness, beyond her own intellectual ability and achievements, is portrayed in the constructive use she made of those sorors with talent, keen minds, a love for all mankind, and above all of those imbued with a deep sense of loyalty to Delta Sigma Theta Sorority. Her expressed wish was that the name of Delta Sigma Theta should represent the BEST everywhere a chapter or a Delta woman existed.*

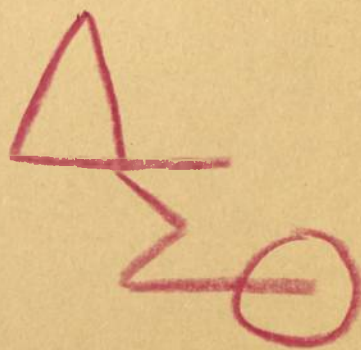

*Whatever she achieved, recognition or honor, Soror Height shared with our sisterhood. The period of Dorothy Height's presidency of Delta Sigma Theta Sorority was good. It will always be a landmark in our history and growth. Under such a deep thinker, capable of achieving great things we have matured into a world organization of renown and of unlimited scope. All honor and praise to our past Grand President, Dorothy I. Height.*
