DEDICATION

We, the Seniors of the Class of 1951, dedicate this edition of *THE PANTHER* to Mr. Edward F. Sweat and Mr. M. Carl Holman, our professors and friends.

Mr. Sweat, who has served as our class sponsor from 1949 to 1951, gave his time and his sincere friendship to us when we needed them most. He patiently guided and directed us when many tasks seemed insurmountable. Each passing day revealed him to be our ardent admirer. Our hopes, our ideals and our dreams have been nurtured by him and his faith in us has given us courage to face tomorrow—its successes and its failures.

Quite aptly, we wish to recognize all that Mr. Holman has done for us. Although we have not had a lengthy association with him, we could not depart from this institution without showing him how much we appreciate his untiring efforts to make this *PANTHER* the best that has ever been produced. Mr. Holman made us realize that anything we desired to accomplish could be done. Because his interest in us never wavered, we felt that his faith had to be justified.

EDWARD F. SWEAT

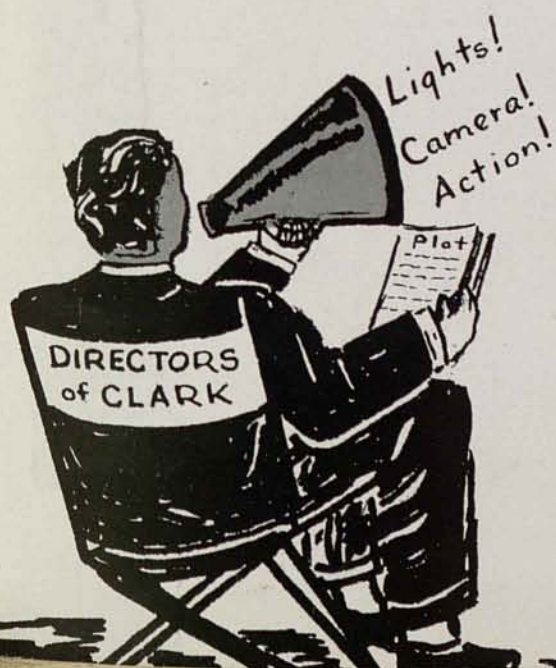

M. CARL HOLMAN

INTRODUCING...

Those who have tirelessly endeavored to make these "The Best Years of Our Lives"—Our Producer, his Screen Director's Guild and the skilled technicians listed in Screen Credits.

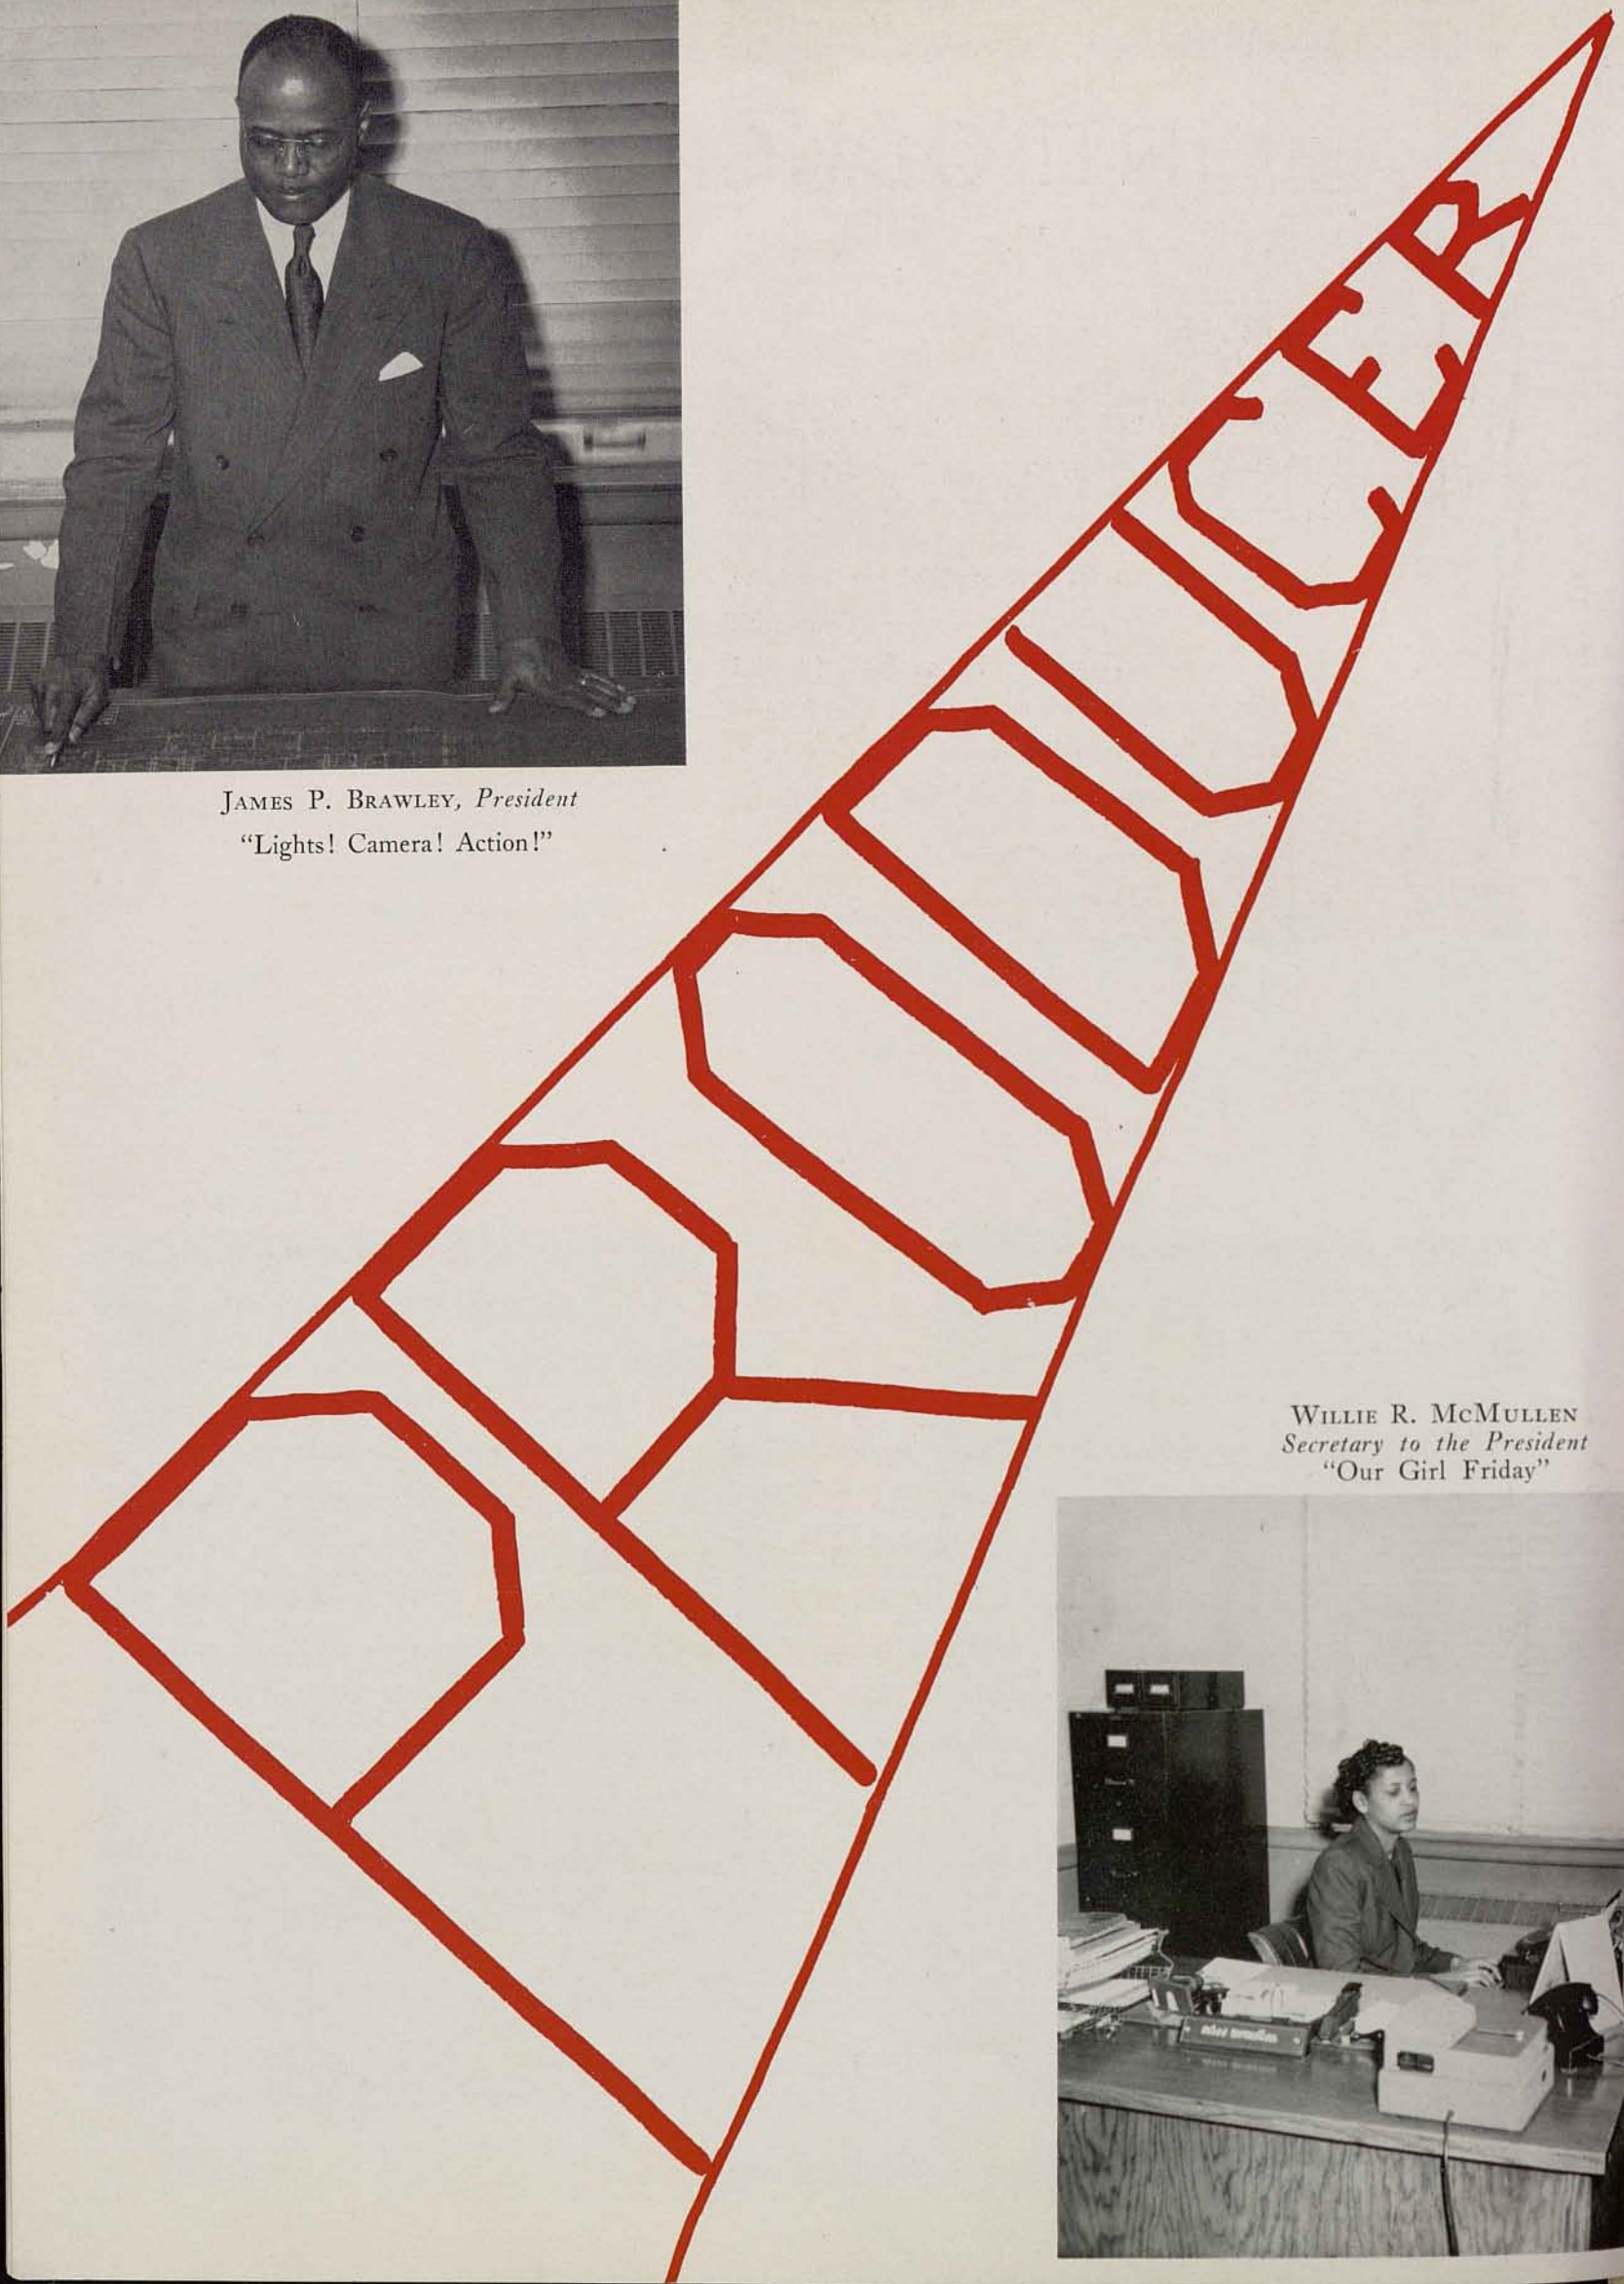

For four years we have watched our Producer, a careful craftsman, focus his camera on a Bigger and Better Clark—a Clark which we have helped to mold. The Screen Director's Guild, drawing on its wealth of directorial talent, has adapted the script in accordance with our individual needs in order to help us go forth as well prepared individuals and the technicians in Screen Credits have helped us to synchronize our roles in accordance with the general theme, "Culture for Service".

We take pride in introducing these dedicated mentors who have striven to place in lights after each Senior's name "A Star is Born". We therefore hand an Oscar to those who cared enough to give us "The Keys of the Kingdom".

JAMES P. BRAWLEY, *President*
"Lights! Camera! Action!"

WILLIE R. McMULLEN
Secretary to the President
"Our Girl Friday"

"Greetings from the Producer"

GREETINGS:

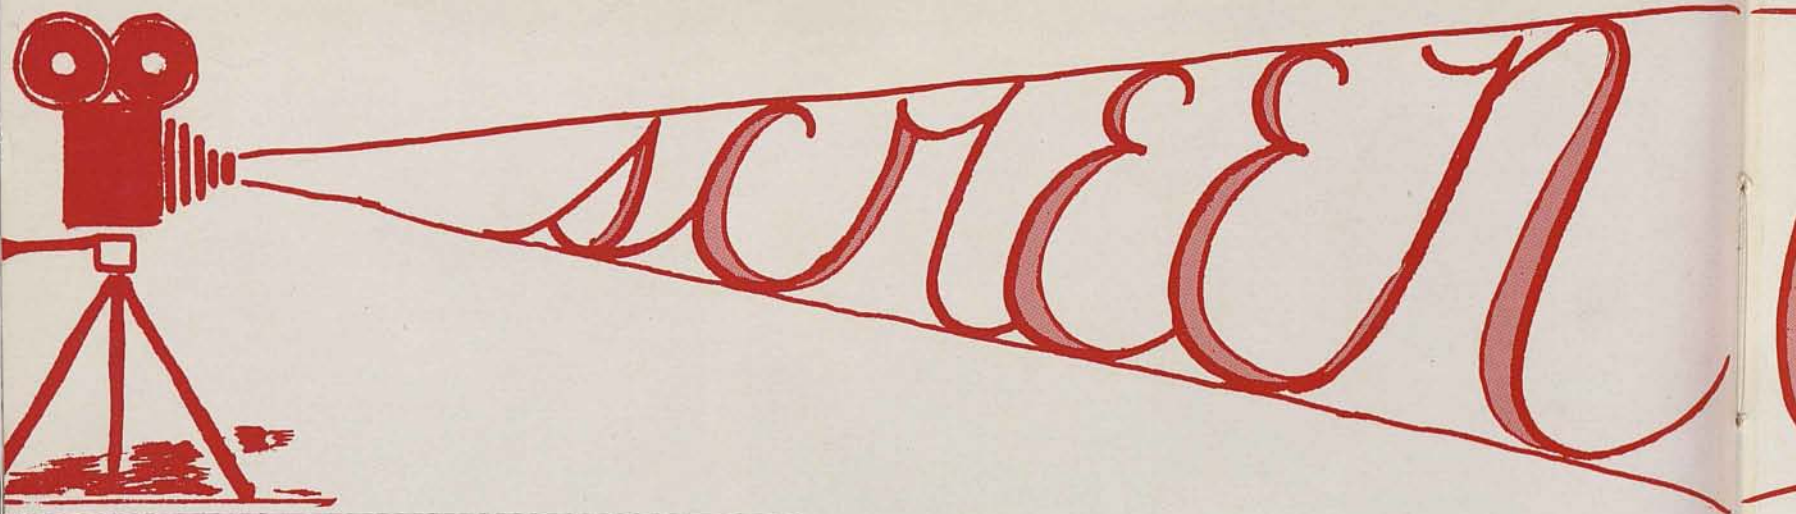

It is with very great pleasure that I extend greetings to the members of THE PANTHER staff and the faculty sponsors, and to the entire Clark College family on this page of this significant volume. Let me congratulate you, the staff, upon your hard work and untiring efforts to make this the most splendid issue of THE PANTHER we have had.

I am especially happy to greet the seniors of 1951 who look forward to June 5 as the crowning day of an eventful four-year period in which you have worked so ardently and lived so richly that the events and activities of your sojourn at Clark College make a most interesting record of achievements. You have aptly designated these as the best years of your lives. It is my hope that the pleasant memories of your years at Clark College will always keep your hearts warm for your Alma Mater and those friends you have come to know and love. It is also my hope that these best years of your lives will always inspire you to richer and more fruitful living, to greater undertakings, and to successful achievements.

"This Above All"

THE MOVIE LOT

ON LOCATION

SET I—Our production, like most epics, requires several locations. And like most productions, ours has a main set. Focal point of activity for us is Haven-Warren Hall and it is here that we strive valiantly for “The Keys of the Kingdom”.

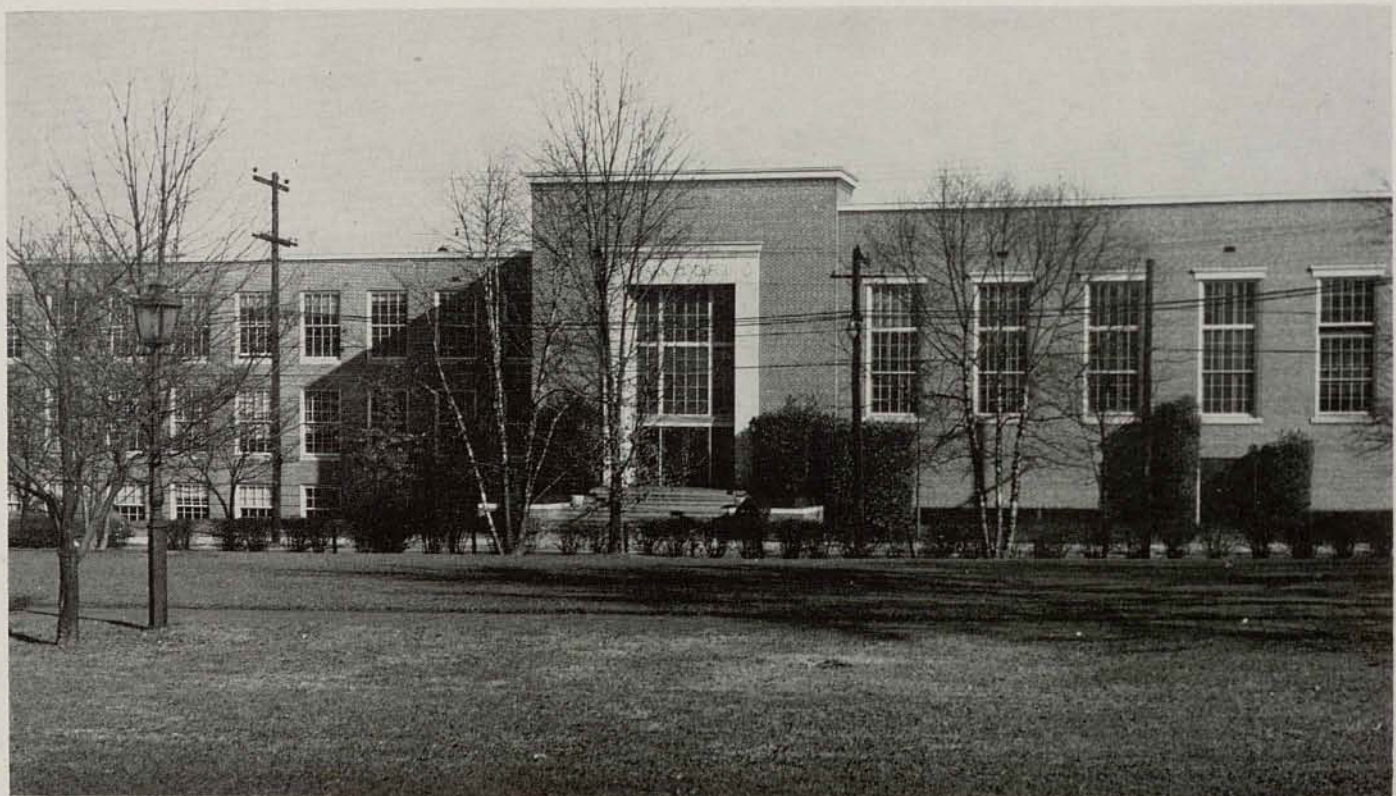

SET II—To perform well, actors and actresses must be contented and well fed. Do our actors really feast on “Chicken Every Sunday” in dear old Thayer? Well... we can dream, can't we!

SET III—Actresses must look their best, whatever the occasion. Fledgling stars may sport noses as shiny as beacons, but for the upperclass women of Holmes Hall it's: Look Good for your Public and . . . “Keep Your Powder Dry”!

SET IV—Each year the Freshman class is as plentiful as corn in Kansas and at least twice as green. And that goes for those over-confident Sophomores too . . . still trying to get their names in lights. May the “Merner Crop” learn what the Seniors already know: Fresh corn and would-be-stars can stand a lot of seasoning.

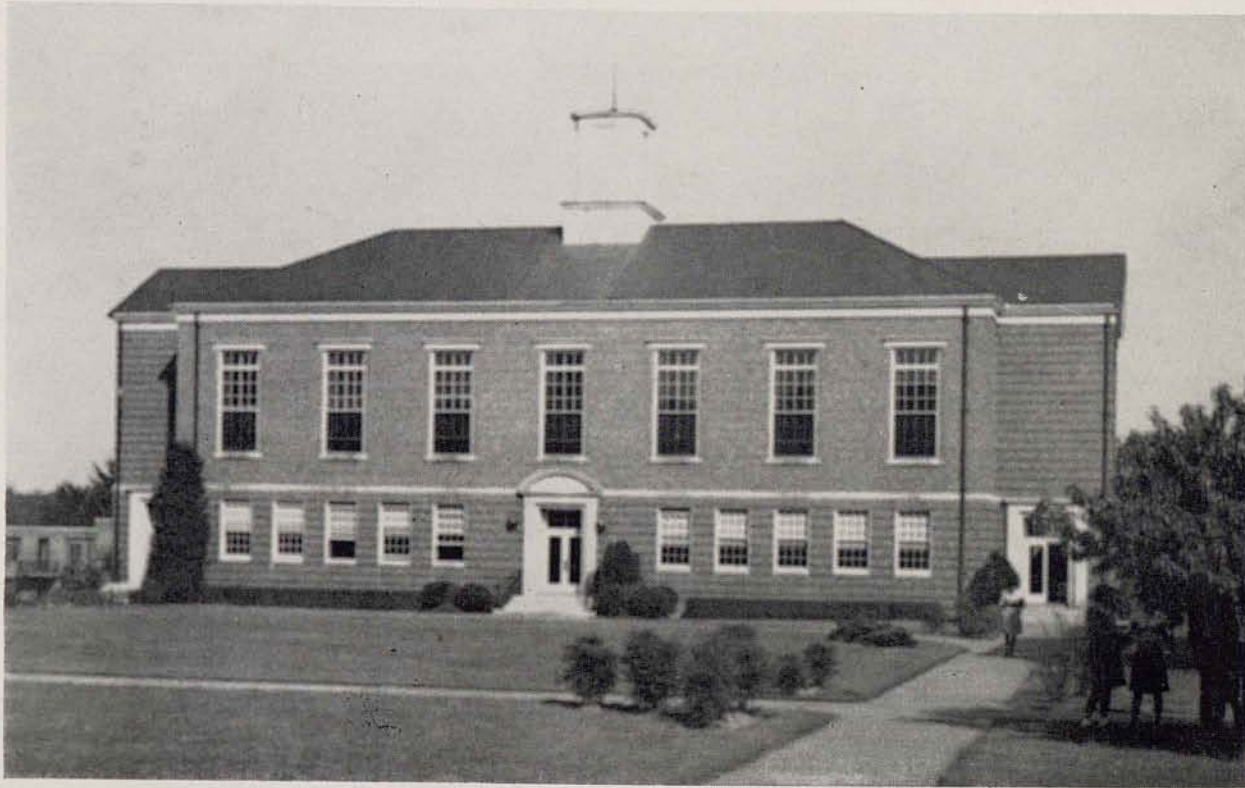

SET V—Pfeiffer Hall is “home” to “All the King's Men”—and what regal airs the lads put on at times! The average Pfeiffer Hall ‘Pfellow’ can out-swagger a carload of cowpunchers. But whether or not they're the gifts to Clark College they sometimes seem to think they are . . . what would the girls do without them!

Set I Haven—Warren

“The Keys of The Kingdom”

Set II Thayer Hall

"Chicken Every Sunday"

Set III Holmes Hall

"Keep Your Powder Dry"

Set IV Merner Hall

"The Corn Is Green"

Set V Pfeiffer Hall

"All The King's Men"

THE SPORTS ARENA

THE BOARD OF STRATEGY

Left to right . . . Jones . . . Curry . . . Epps

In the fall of 1934 Coach Curry, a native of Corpus Christi, Texas, came to Clark. A versatile athlete, he captained both the football and basketball teams. He was chosen as All-S.I.A.C. end in football and All-S.I.A.C. guard in basketball. After finishing Clark with honors in 1938, he taught at David T. Howard High School in Atlanta. In addition to his football coaching chores here at Clark, he also heads the Physical Education Department.

Coach Epps, who hails from East St. Louis, Illinois, is a product of Xavier University. His coaching experiences include a stint with the Xavier freshman basket-

ball squad, a five year period as track and basketball mentor at Gilbert Academy in New Orleans, topped off with more of the same while serving with the Second Air Force Command.

At present he is basketball and track coach at Clark.

A recent graduate of Clark College, Coach Jones coached at Lincoln Academy, King's Mountain, North Carolina, for one year before returning to his Alma Mater to assist in coaching duties. While at Clark, "Biff" was one of the most outstanding halfbacks in the S.I.A.C. Conference.

Ready for Action

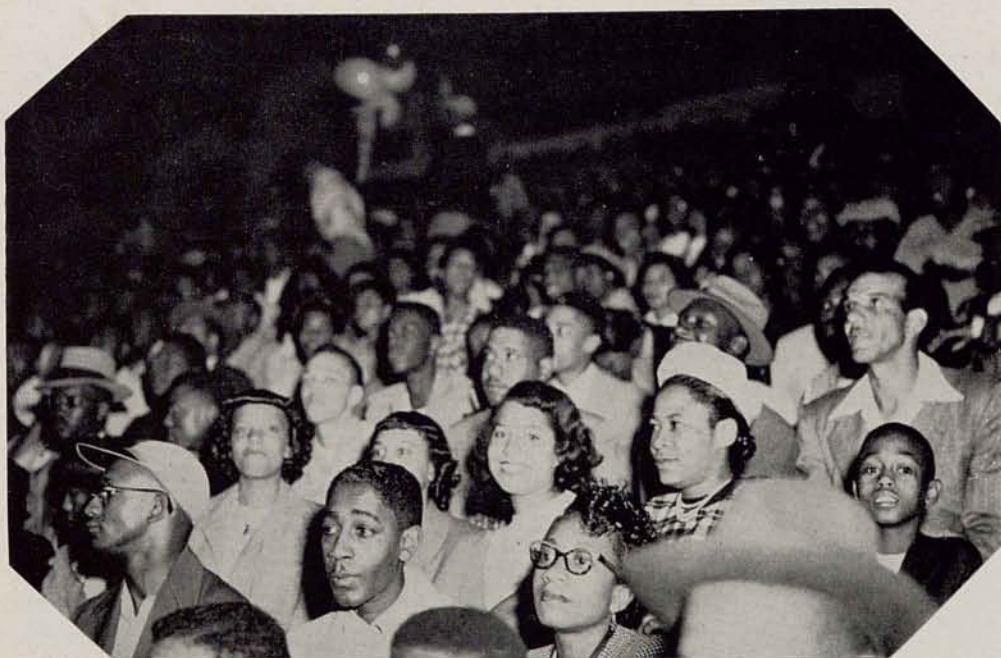

Stepping High

Go, Panthers! Go!

Thrilling Moments During '50 Season

Clark's upset victory over Fort Valley. The Panthers had gone into this game the underdog by 3 to 1.

Rogers' 43-yard run against Tuskegee. This play, on a heave by Wolfe, enabled us to defeat Tuskegee for the first time in five years.

Ellis' right-end run which covered 15 yards. By virtue of this trip to pay dirt we defeated Morehouse for the ninth consecutive season.

Harden's 63-yard kick against the Marion Tigers.

Clark's 38-yard run through the big Morris Brown line.

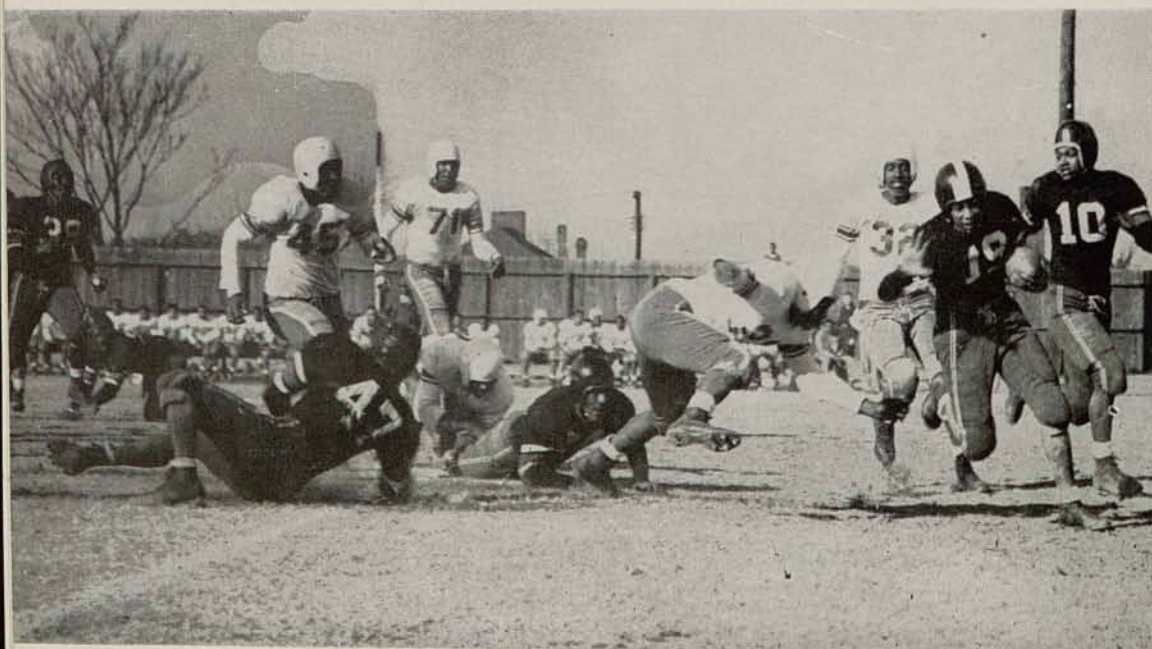

"Rock" Muldrow's sharpness during Brown Game. "Rock" was in on the majority of the defensive plays.

Ponder's cunningness and pass interception ability on Homecoming Day.

Bell and Sanderson's election as Captain and Co-Captain of the football team.

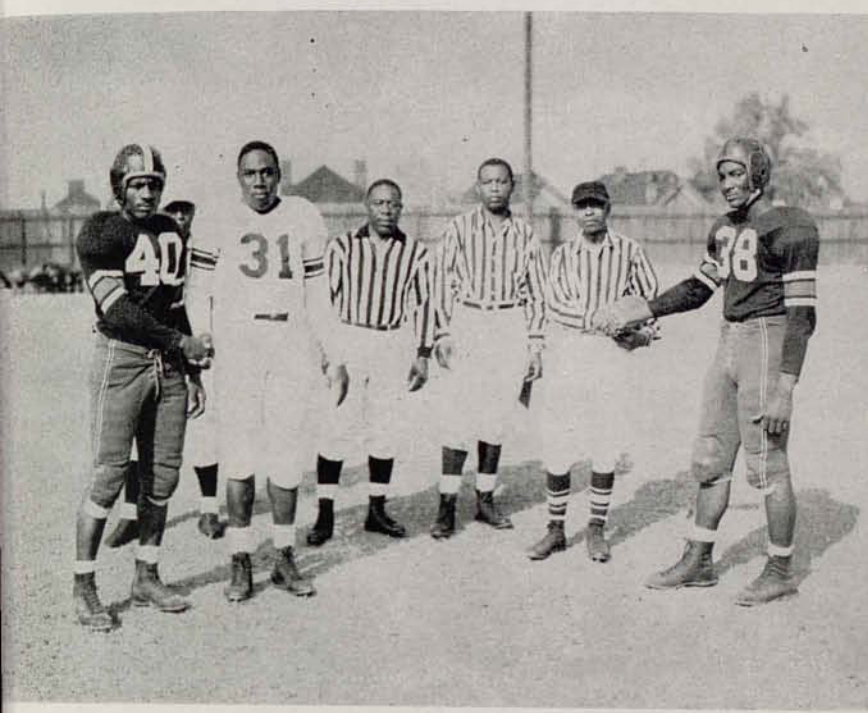

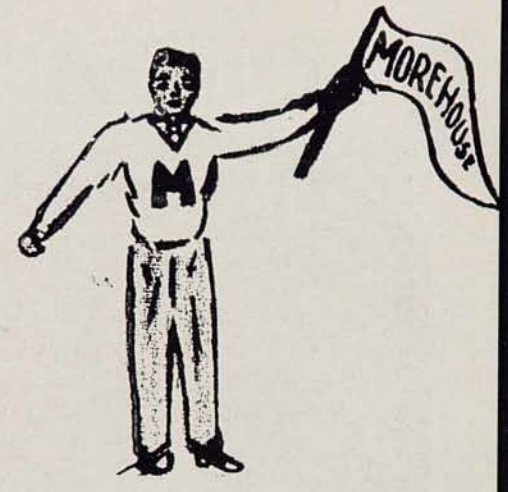

Juanita Marshall's coronation as "Miss Clark," with Constance Burts and Ella Derricotte as her attendants.

Turmon and Rogers' selection to the third string All-S.I.A.C. team.

BASKETBALL SQUAD

Meet one of the top hardwood aggregations in the S. I. A. C. — the '50-'51 Panthers. Beginning with the back row and reading downward, left to right: Ellis, Waynes, Turmon, Rolle, Clark, Lowe, Powell, Barham, Trice, Jackson, Scoggins, Carlton, Burress, Patterson, and Captain Phillips.

OUTSTANDING PERFORMANCES

Coach Epps congratulates Turmon as he sends Clifton's S.I.A.C. record sailing. Doc hooped in his 42nd point three minutes before the game between Clark and Morehouse ended.

BOOM SHOTS

TOURNAMENT — 1951

The Clark College Panthers went into the 18th annual S.I.A.C. Tournament slotted with the dark horses. In the first canto a well-polished Panther five trampled Alabama A. & M. by a 62-34 score. This was to be the first and last easy victory for the Cardinal and Black troupe of Coach Leonidas Epps. In the quarter-finals on the following day the Panthers tangled with the Lane College Dragons. The high hopes of the men from Jackson, Tennessee, were wrecked as the Thomaston Terrors, Turmon and Lowe, hit from every angle of the court. The small opening lead established by the Dragons crumbled before the stellar play of Trice, Burress, Phillips, Lowe and Turmon. The game ended in a hard-won 59-62 triumph for Clark . . . Victory Number Two.

In the semi-finals the tough Florida A. & M. Rattlers turned the tide. The Rattlers, paced by Pittman and Bostic, racked up an early 20-15 lead. But at the half

the bewildered Rattlers were staring at an 8-point advantage piled up by Clark. In the second half, however, the Rattlers came surging back to close the gap and surge ahead, defeating Clark by a 66-57 count.

Their hopes for the big prize crushed, the Panthers now drew a bead on the Consolation title—and found their way apparently blocked by an Xavier team which had lost to championship-bound Morris Brown by only three points. But again Clark upset the dope, sometimes leading the Gold Rush by as much as 30 points and finally wrapping up the Third Place trophy with a 67-50 victory over Xavier.

President James P. Brawley made the formal presentation to a fighting Panther team which boasted in Turmon—who made 97 points in four games—the top-scorer for the tournament.

STRICTLY FOR WOMEN

CLARK'S COEDS MAKE SPORTS DEBUT

This year's intra-mural program will include the women of Clark for the first time. They will have basketball, volleyball, tennis and ping pong teams. Competitions will be held between Merner and Holmes Hall and the various clubs and sororities.

Arrangements have been made for a softball match between the women of Clark and Morris Brown.

The Heart of an Institution

A cluster of modern buildings which includes a new \$400,000 women's dormitory, an enrollment which has climbed from 431 to 800 students, a physical plant and endowment expanded from one and a half million to more than two million dollars, a well-trained faculty and staff—these and other handy yardsticks were used in measuring 25 years of achievement to which Dr. James P. Brawley made major contributions as teacher, Dean and President. It is safe to say that no one realizes the significance of these gains more keenly than President Brawley and his gracious wife, who is pictured above.

But the secret of the continued life and growth of Clark College lies deeper down—in the spirit which this dedicated couple and the others pictured on this page symbolize. We cannot, of course, portray here all of the players who ignore pre-game verdicts and win because

they flatly refuse to be beaten, the faculty and staff members who give of their energies and skills beyond the demands of the classroom and the office, the students who prepare to be free citizens through the selfless shouldering of responsibility.

In the Anniversary scene depicted below, President and Mrs. Brawley, a self-effacing Dean and his wife, a teacher who has for more than twenty-five years given nothing less than her best to her students, a young staff member chosen to say on behalf of her colleagues, "Well Done"—these and others like them exemplify something as vital to our college as it is difficult to measure.

In the next quarter century, as in the last, the life of the school will depend on that which is truly the heart of our institution—the spirit of those who love and serve Clark College.

And For The Plot

Although confronted with crowded schedules throughout the school year, some of us have sacrificed much time that we might participate in activities outside the classroom. These extra-curricular activities have served not only to enrich our leisure hours but to develop within us that spirit of fellowship and cooperation which directs our lives today and should make us better citizens tomorrow.

No program of education is truly complete unless it includes extra-curricular activities of some kind. Such activities constitute the basis of wholesome living by providing the cues which will prepare us for playing the responsible roles which life holds for us.

Having been integrated into the life of the campus community, those of us who have been participants in both the academic and non-academic activities of our college hope to achieve integration into the larger, more complex life of the modern world.

Academy Award

I. IN JOURNALISM

William J. Breeding, as Sports Editor of the college publications, *The Panther* and the '51 PANTHER Yearbook, has suffered many headaches. Although he was a constant worker on the staff, his activities include Kappa Alpha Psi, Y. M. C. A., Dramatics Club, N. A. A. C. P., Ala-Missi Club, intra-mural sports, and the Presidency of the Student Council.

II. FOR PERSONALITY

Emma Johnson has for four years been the epitome of friendliness, cheerfulness, and charm. She awakes with a smile and enjoys helping others to smile. Among the outstanding organizations whose sessions have been brightened by her presence are Alpha Kappa Alpha, Alpha Kappa Mu, Y. W. C. A., and the N. A. A. C. P.

III. IN MUSIC

Gerald W. Johnson has been an outstanding student in piano and voice. Notwithstanding the time spent in studying music, he devoted many of his out-of-class hours to the Philharmonic Society, Y. M. C. A., Omega Psi Phi, and the N. A. A. C. P.

IV. IN DANCING

Eula Jones has danced her way into our hearts. More than that, she has been outstanding scholastically and a tireless worker. Her varied interests include Alpha Kappa Alpha, Alpha Kappa Mu, Alpha Kappa Delta, Les Bon Bon, and the Social Science Club.

V. IN SECRETARIAL WORK

Lois C. Richardson has been signally honored by the students of Clark College. She is admired for, among many things, her beauty and grace. In addition to having been chosen "Miss Clark" 1949-50, she is active in the Business Forum, Delta Sigma Theta, Les Bon Bon, and the N. A. A. C. P.

Winners

I. IN ATHLETICS

Samuel E. Sanderson, after four years as a star quarterback and halfback, ended his glorious career as co-captain of the '51 Panther Football team. In spite of time spent in athletics, he found time to participate in other extra-curricular activities including the Dramatics Club, Social Science Club, Omega Psi Phi, Manager of basketball and track teams, and Sports Editor of the '51 Yearbook.

II. In SCIENCE

Horace W. Scott has been a prominent figure in Chemistry and Biology. Aside from his excellence in those fields, Scott's talents are amply evidenced by membership in Alpha Phi Alpha, Alpha Kappa Mu, College Band, Pan-Hellenic Council, Student Loan Board, and the Presidency of the Senior Class.

III. FOR AMBITION

William L. Stanley has impressed all of us as being the most ambitious student in the senior class. He might well have been voted Most Likely To Succeed. In addition to being active in Alpha Kappa Mu, Alpha Kappa Delta, Alpha Phi Alpha, the Social Science Club, Y. M. C. A., N. A. A. C. P., and intra-mural sports, he is the Feature Editor of the '51 PANTHER Yearbook and the Vice President of the Senior Class.

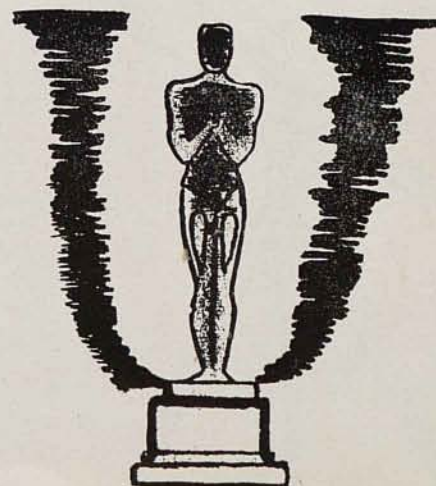

IV. IN MUSIC

Ethel Watkins is one of Clark's outstanding personalities. Her beautiful mezzo-soprano voice has added to the glory of the Clark Music department and student body. Her achievements included membership in Alpha Kappa Alpha, Alpha Kappa Mu, Alpha Kappa Delta, the Philharmonic Society, Social Science Club, Tokyo Club, and the position of Editor-in-Chief of the '51 Yearbook.

V. IN ENGLISH LITERATURE

Marie A. Young, as Copy Editor of the '51 Yearbook, has demonstrated her ability to evaluate creative art. She has been considered a distinguished student in the field of literature, though her interests have not been confined to English. She has been active in Alpha Kappa Alpha, Alpha Kappa Mu, the Literary Symposium, Spanish Club, N. A. A. C. P., and Dramatics Club.

"THE BEST YEARS of OUR LIVES"

SENIOR CLASS HISTORY

Tomorrow is Commencement Day and we are about to close the final chapter of "The Best Years of Our Lives." Remember those days when, laughing our way through previews, we looked on college as a glorified winter resort whose only function was to provide entertainment for some newly arrived celebrities?

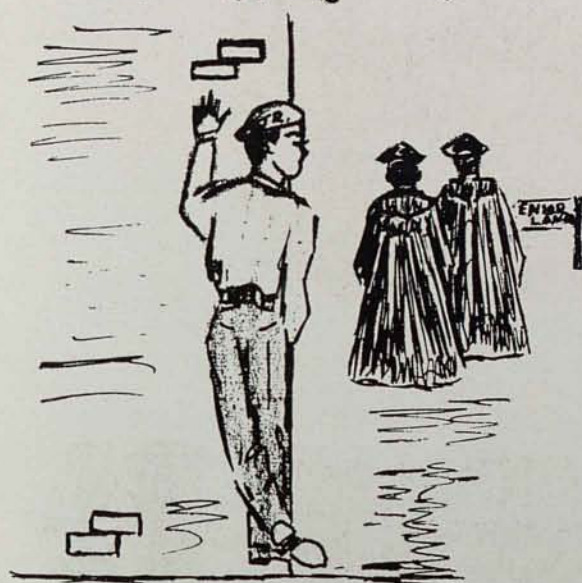

Little did we poor Freshmen realize that we were "Flirting With Fate" and that we would be shocked, stupefied and bewildered when "The Rains Came."

The cloudburst came and by our Sophomore year we were beginning to realize that college is a serious business, and as the result of our recently acquired insight we buckled down to the required tasks.

During our Junior year we had many accolades bestowed upon us. Class members starred in such roles as "Miss Clark: 1949-50," "Miss Loyalty," "Miss Alpha," "Miss Omega," "Miss Sigma," Personal Attendant to "Miss Clark" and "Miss UNCF." Notwithstanding our absorption in curricular and extra-curricular activities, we were becoming increasingly aware of the fact that the day was "Just Around the Corner."

Time passed swiftly and in spite of the hard-won academic and non-academic achievements represented by the Academy Award Winners, Six Charm Week Personalities, Miss UNCF, a bevy of queens and a host of honor students, before we knew it we were confronted with the age-old headache, the Comprehensive Examination. Descending into our "Valley of Decision" with only the mildest doubts as to the outcome, we achieved our goal—coming in on "A Wing and a Prayer."

Yes, tomorrow is Commencement Day. And on the threshold of our debut into the larger world, we realize more keenly than ever that the lasting friendships, the social activities, athletics, religious services and the satisfaction of mastering at least the fundamentals of our subject fields have truly made these "The Best Years of Our Lives."

EPILOGUE IN SPRING

The camera-men have packed their gear, the writers and directors have called it a production, the scene of activity has shifted to the cutting room from which the finished film must emerge in its final form. But new shots keep turning up—Pan-America, the Campaign Dinner-Dance for the victorious Class of '51, the Music Festival, the Trial Track Meet.

And there will be other shots . . . some previewed above, others destined for other cameras and other show-

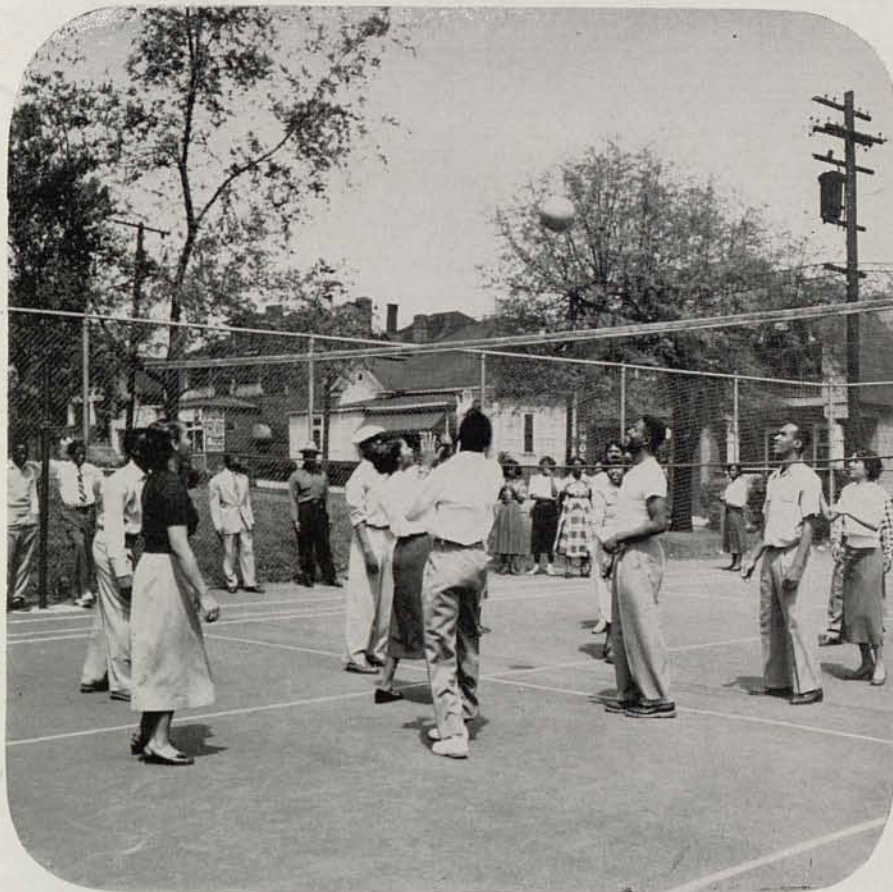

ings: Crogman Day, the Faculty production of "The Importance of Being Earnest," the SIAC Track Meet, the Junior-Senior Prom, Baccalaureate Sunday and the "Fabulous Fifth"—Commencement Day.

The play has not ended; the cast, the crews, the directors for the next production have already assembled. In these, our final pages, we bow out and leave the sound lots to them. May they have happy shooting!

MUSIC FESTIVAL

All the gaiety, glamour, and excitement of opening night performances were present when the College Band concert opened the annual music festival. This general atmosphere lingered throughout the entire festival period. The stirring tones of the Male Glee Club thrilled the audience while the "light as a feather" voices of the Women's Ensemble captivated everyone. An appreciative audience gathered to hear the popular concert rendered by the Philharmonic Society. The witty piano virtuoso, Henry L. Scott, performed superbly; and lovers of organ music and the dance had their innings . . . thanks to college organist LaVerne Gaither and to Mrs. Thelma Allison's dance group.

The "Ruler of the Queen's Navee"

The festival culminated with the Philharmonic Society's presentation of Gilbert and Sullivan's operetta, "H. M. S. Pinafore," the tale of the struggle between love and class distinction. The cast and chorus wound up the Festival brilliantly with a top-notch performance.
