Dedication

With affectionate remembrance do we dedicate our book of memoirs to Mrs. Helen Rice Walker whose life was selflessly devoted to inspire, guide, and direct us in all our attempts to make successful adjustments to a college community. Her understanding and her ardent attempts to promote harmonious group living will long be remembered by those who knew her.

The musical score is written on eight staves. The key signature has three flats (B-flat, E-flat, A-flat) and the time signature is common time (C). The melody is simple and hymn-like, with lyrics written below each staff. The final staff ends with a double bar line and repeat dots.

EDUCATION OPENS THE WAY TO GREATER OPPORTUNITIES!

*We speak too often of "giving" a child an education.
It's a debt due him, not a gift!*

While college entrance days seem a long way off for the "wee tot" now, the intervening years will slip by altogether too rapidly. Recognizing this fact and realizing how often the loss of a father has deprived a boy or girl of a college career, the Atlanta Life has devised a plan for underwriting college education.

By means of a Child's Educational Endowment Policy, taken out when the boy or girl is a mere youngster, the money is forthcoming when the child becomes eighteen years of age—just about the time he or she enters college.

How simply and conveniently you can thus assure the funds for your children's college course will be explained in detail by "Your Atlanta Life Man." Call him today!
