REFLECTIONS
SPELMAN COLLEGE

And steady as the hand that sets the rhythm of life into motion
We place our sights on that which remains to be
An integral part of our existence.

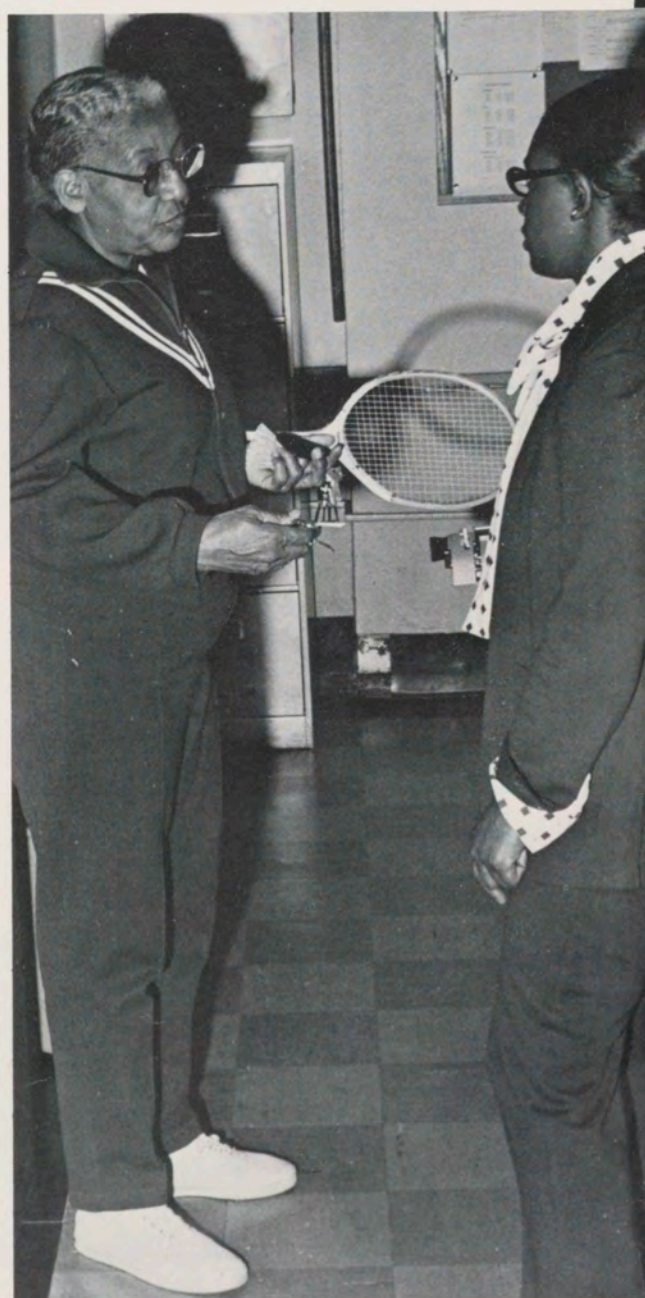

And, because we need all illustrations of what it means to possess
Such jewels as determination, devotion and honor,
We dedicate this book to an illustrator of those possessions,
A patron of determination,
A distributor of devotion,
A symbol of honor.
A dedicated instructor of physical education
For many years at Spelman,
A devoted alumna, colleague,
And friend.

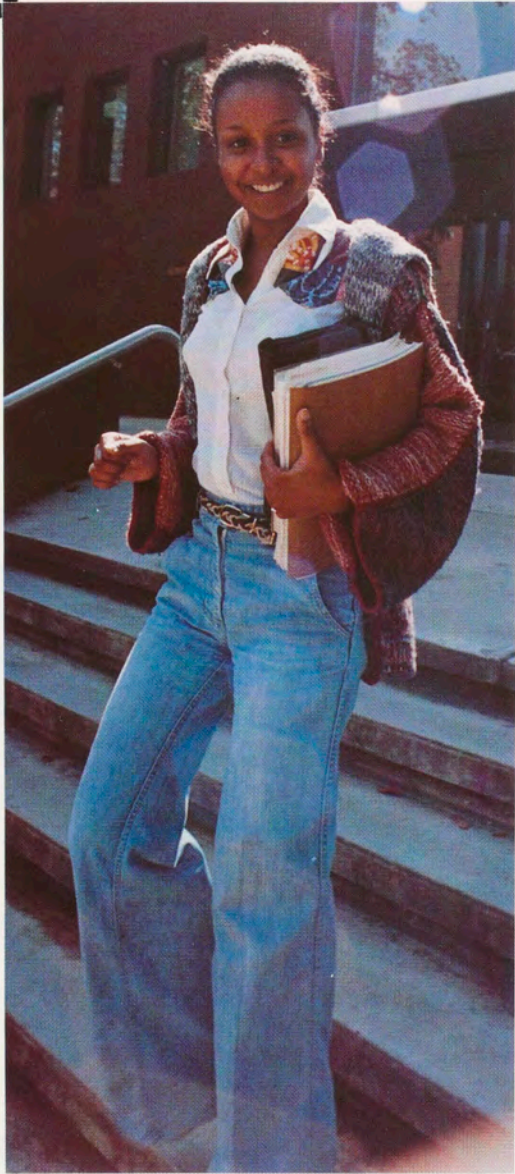

We dedicated this book
To a living hallmark,
Always ready to stand beside us
In our thirst for knowledge and awareness,
Margarite Simon.

Dedication . . .

They stand tall and proud.
 They stand,
 Each with its own historical significance.
 They stand steadfast
 Gracing our campus.
 They are the buildings that
 We have grown in,
 They are the buildings
 We have laughed and cried in,
 They are the buildings
 We have eaten and slept in,
 They are the buildings
 We have loved and hated in,
 They are the buildings
 We have studied, played, conversed
 And meditated in . . .

They are the buildings
We speak of when we sing —
"Through years of toil and pain
May Thy dear walls remain",
They are the buildings
Whose inner wealth
Has filled us with knowledge and insight,
They are Spelman.

We come wondering what each school year will bring. We come wondering what changes and additions will be made. This year among the changes a notable addition was made. On August 1, 1976 Donald Mitchell Stewart commenced his duties as the sixth president of Spelman College. He is married to the former Isabel Carter Johnston, and has two sons, Jay age 9 and Carter age 7. Dr. Stewart comes to us with an impressive background of educational experiences. He has studied overseas, has strong international interests, and has held many authoritative positions.

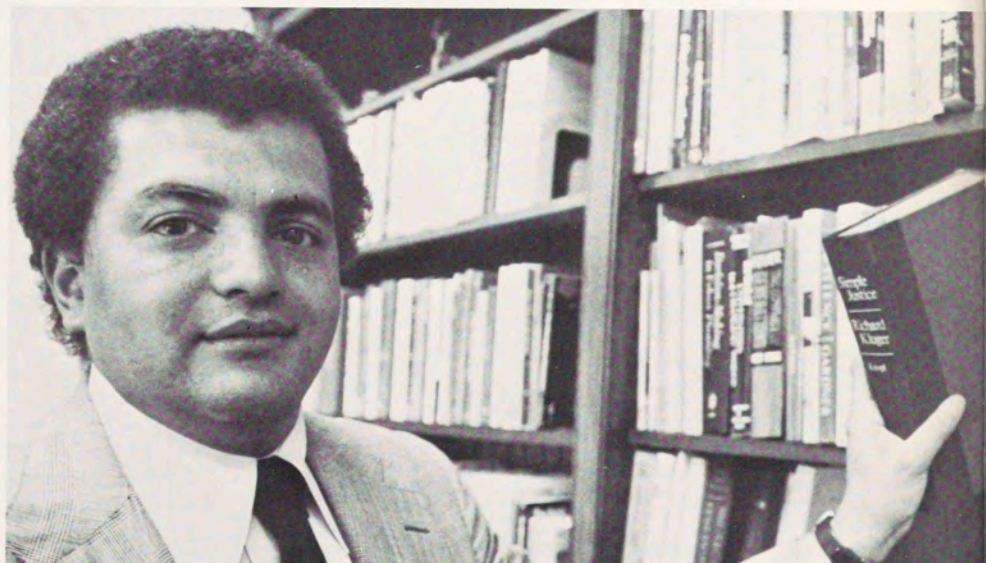

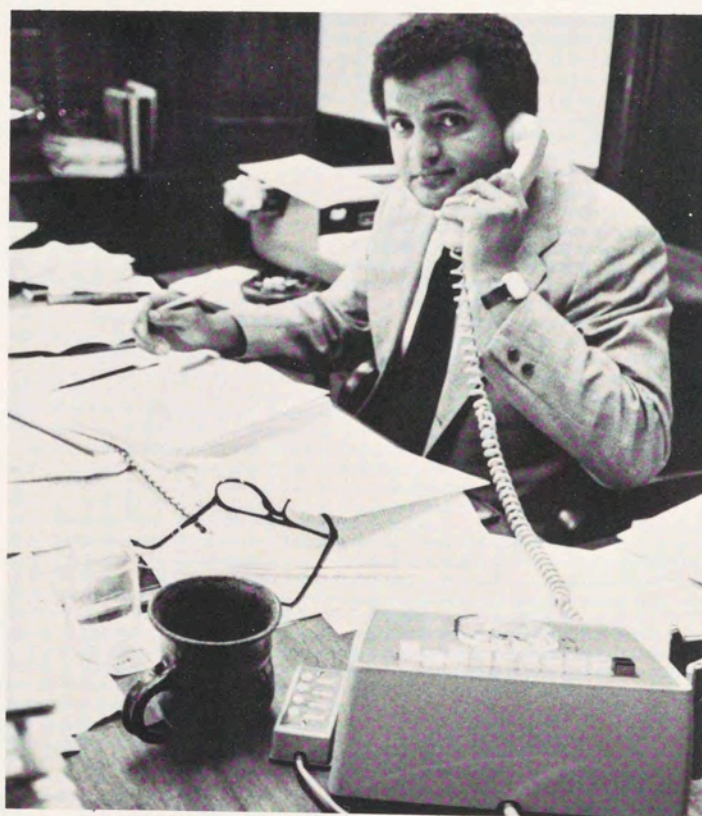

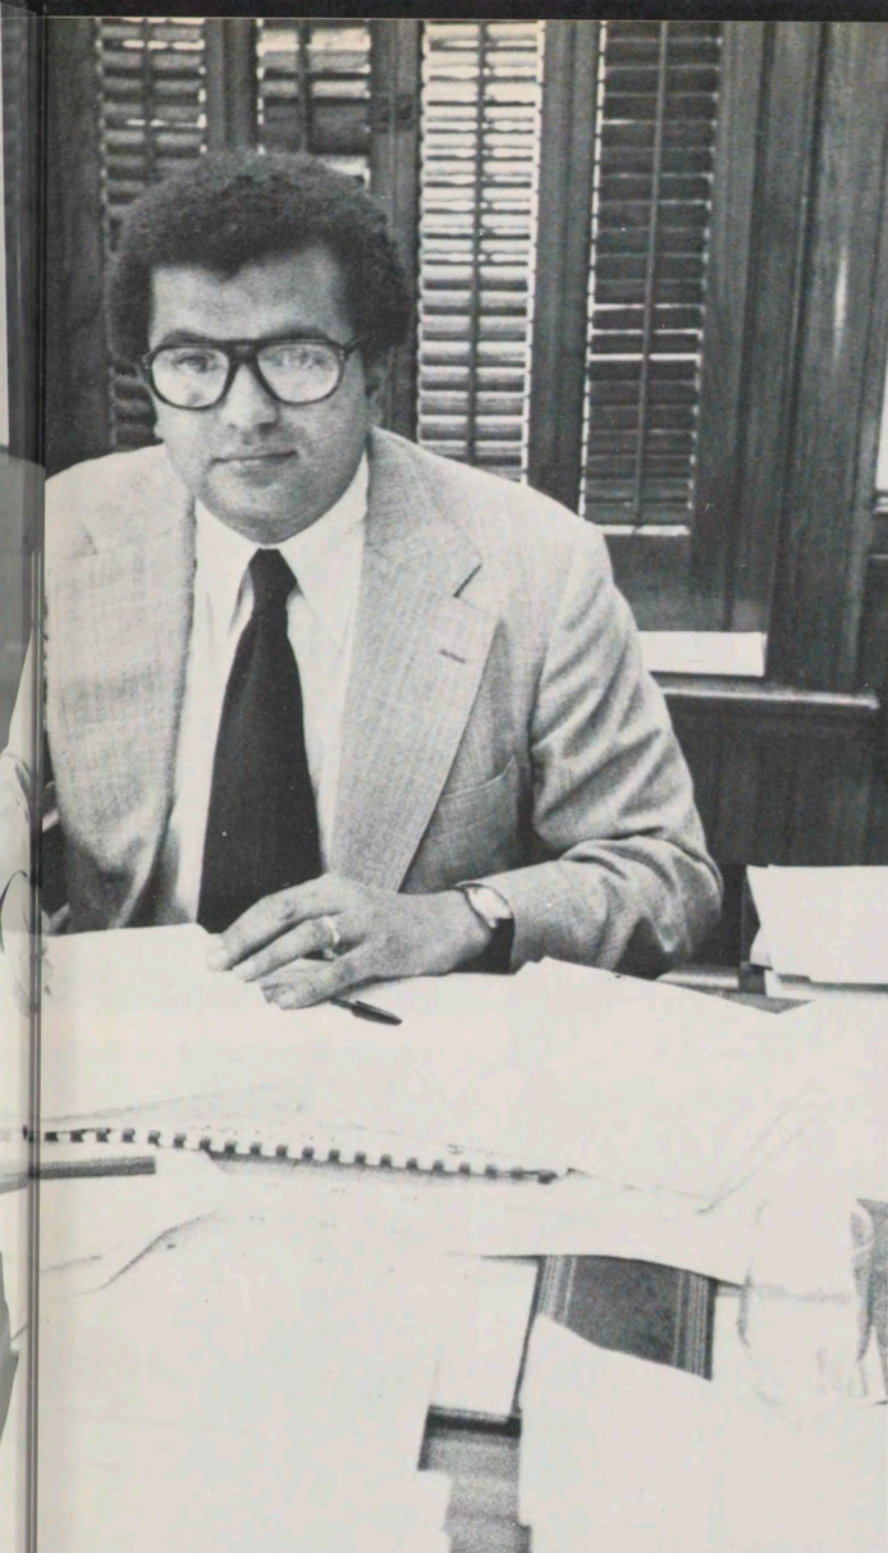

Dr. Stewart received his bachelors degree in Political Science from Grinnell College, his Masters degree from Yale with post graduate work in Switzerland's Graduate School of International Studies, and received his Doctrate degree from Harvard.

Dr. Stewart feels that he brings a set of experiences that can be used to the best interests of Spelman and that will add supportive dimensions to our institution.

Prior to coming to Spelman, he held the position of Executive Assistant to the President, Professor of the City Planning Department and Associate Dean of the Faculty of Arts and Sciences at the University of Pennsylvania where he served for 6 years.

He is concerned with the future of Spelman and feels that Spelman should fulfill the needs of those wanting continued educational enrichment and seeking to better understand the role of Black women. The Reflections staff on behalf of the Spelman family wishes to extend an optomistic and warm welcome to our own Dr. Donald M. Stewart.

Open wide your gates of
knowledge, Spelman,
For we have come seeking wisdom.

We have come to let your everlasting
flame of
Academic excellence and Black
Womanhood
Warm our innerselves.

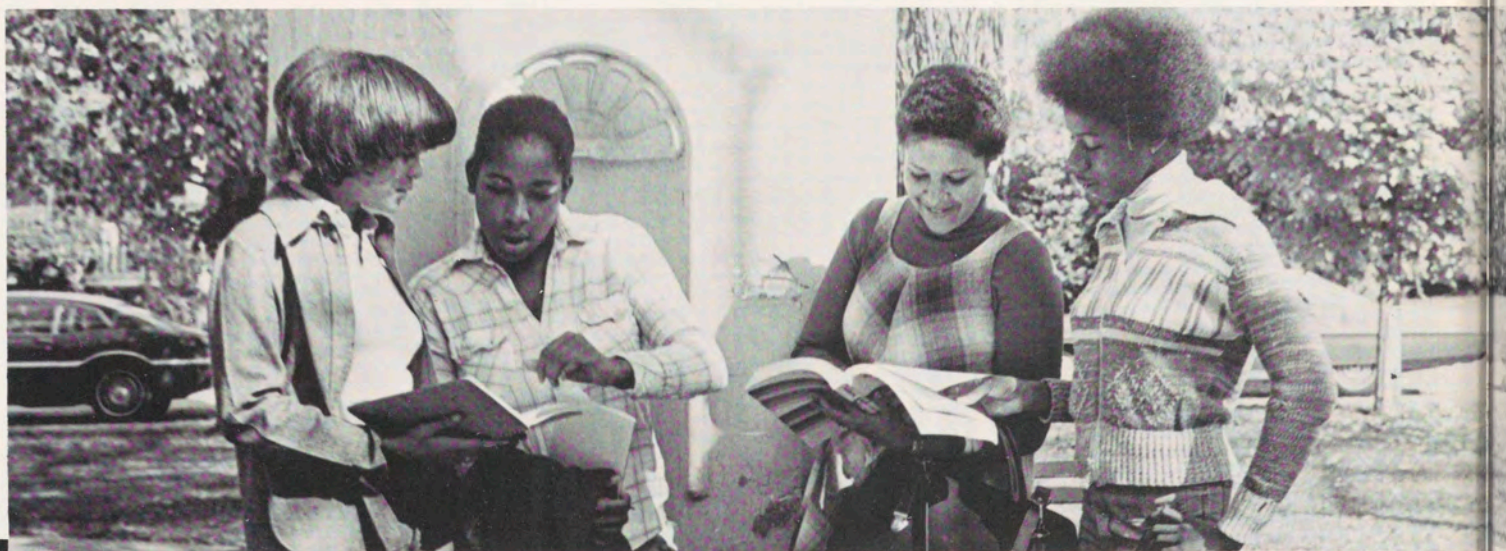

We have come to let you be our liason
In helping us to turn dreams, goals
and hopes into
Reality.

We have come to enter into the
inspiring and devotional
World of Spelman Sisterhood.

We have come willing to conquer any
challenge
That you will present us with.

We have come here in a continuing
"Search for Identity".

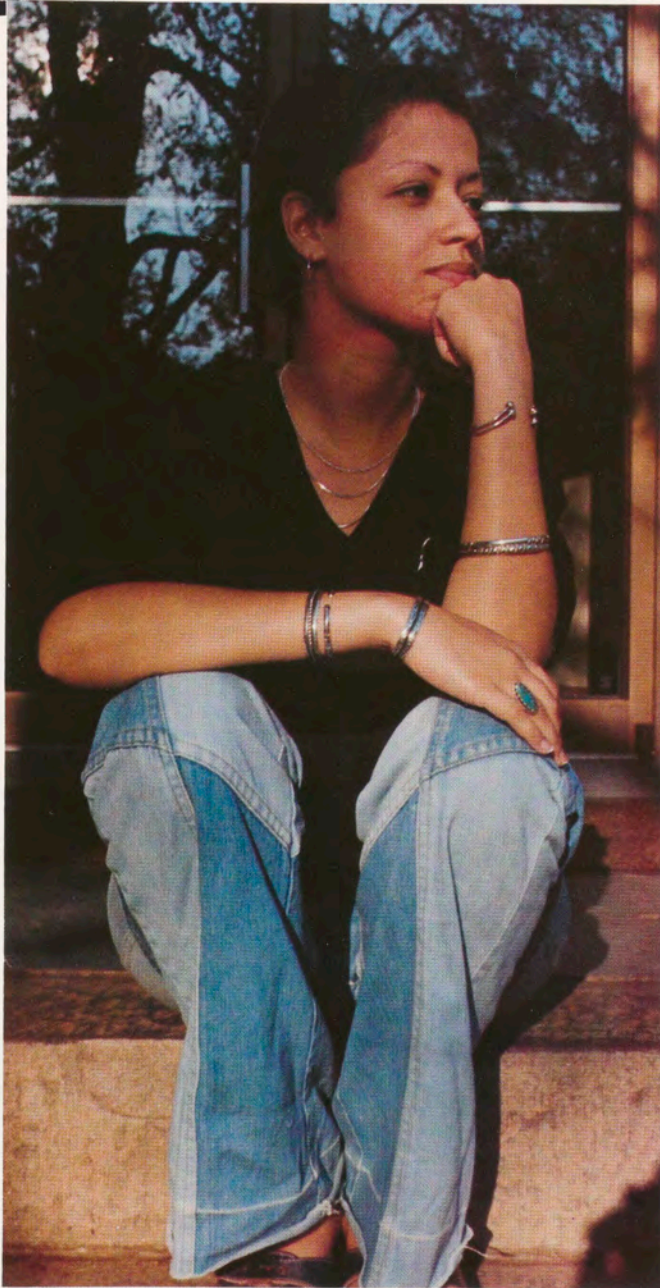

We are bright, breezy, bold,
Anxious, alert, and cautious.

Daring to achieve for the sake of
Self-satisfaction and diversity.
Moving to get ahead
Yet standing still long enough

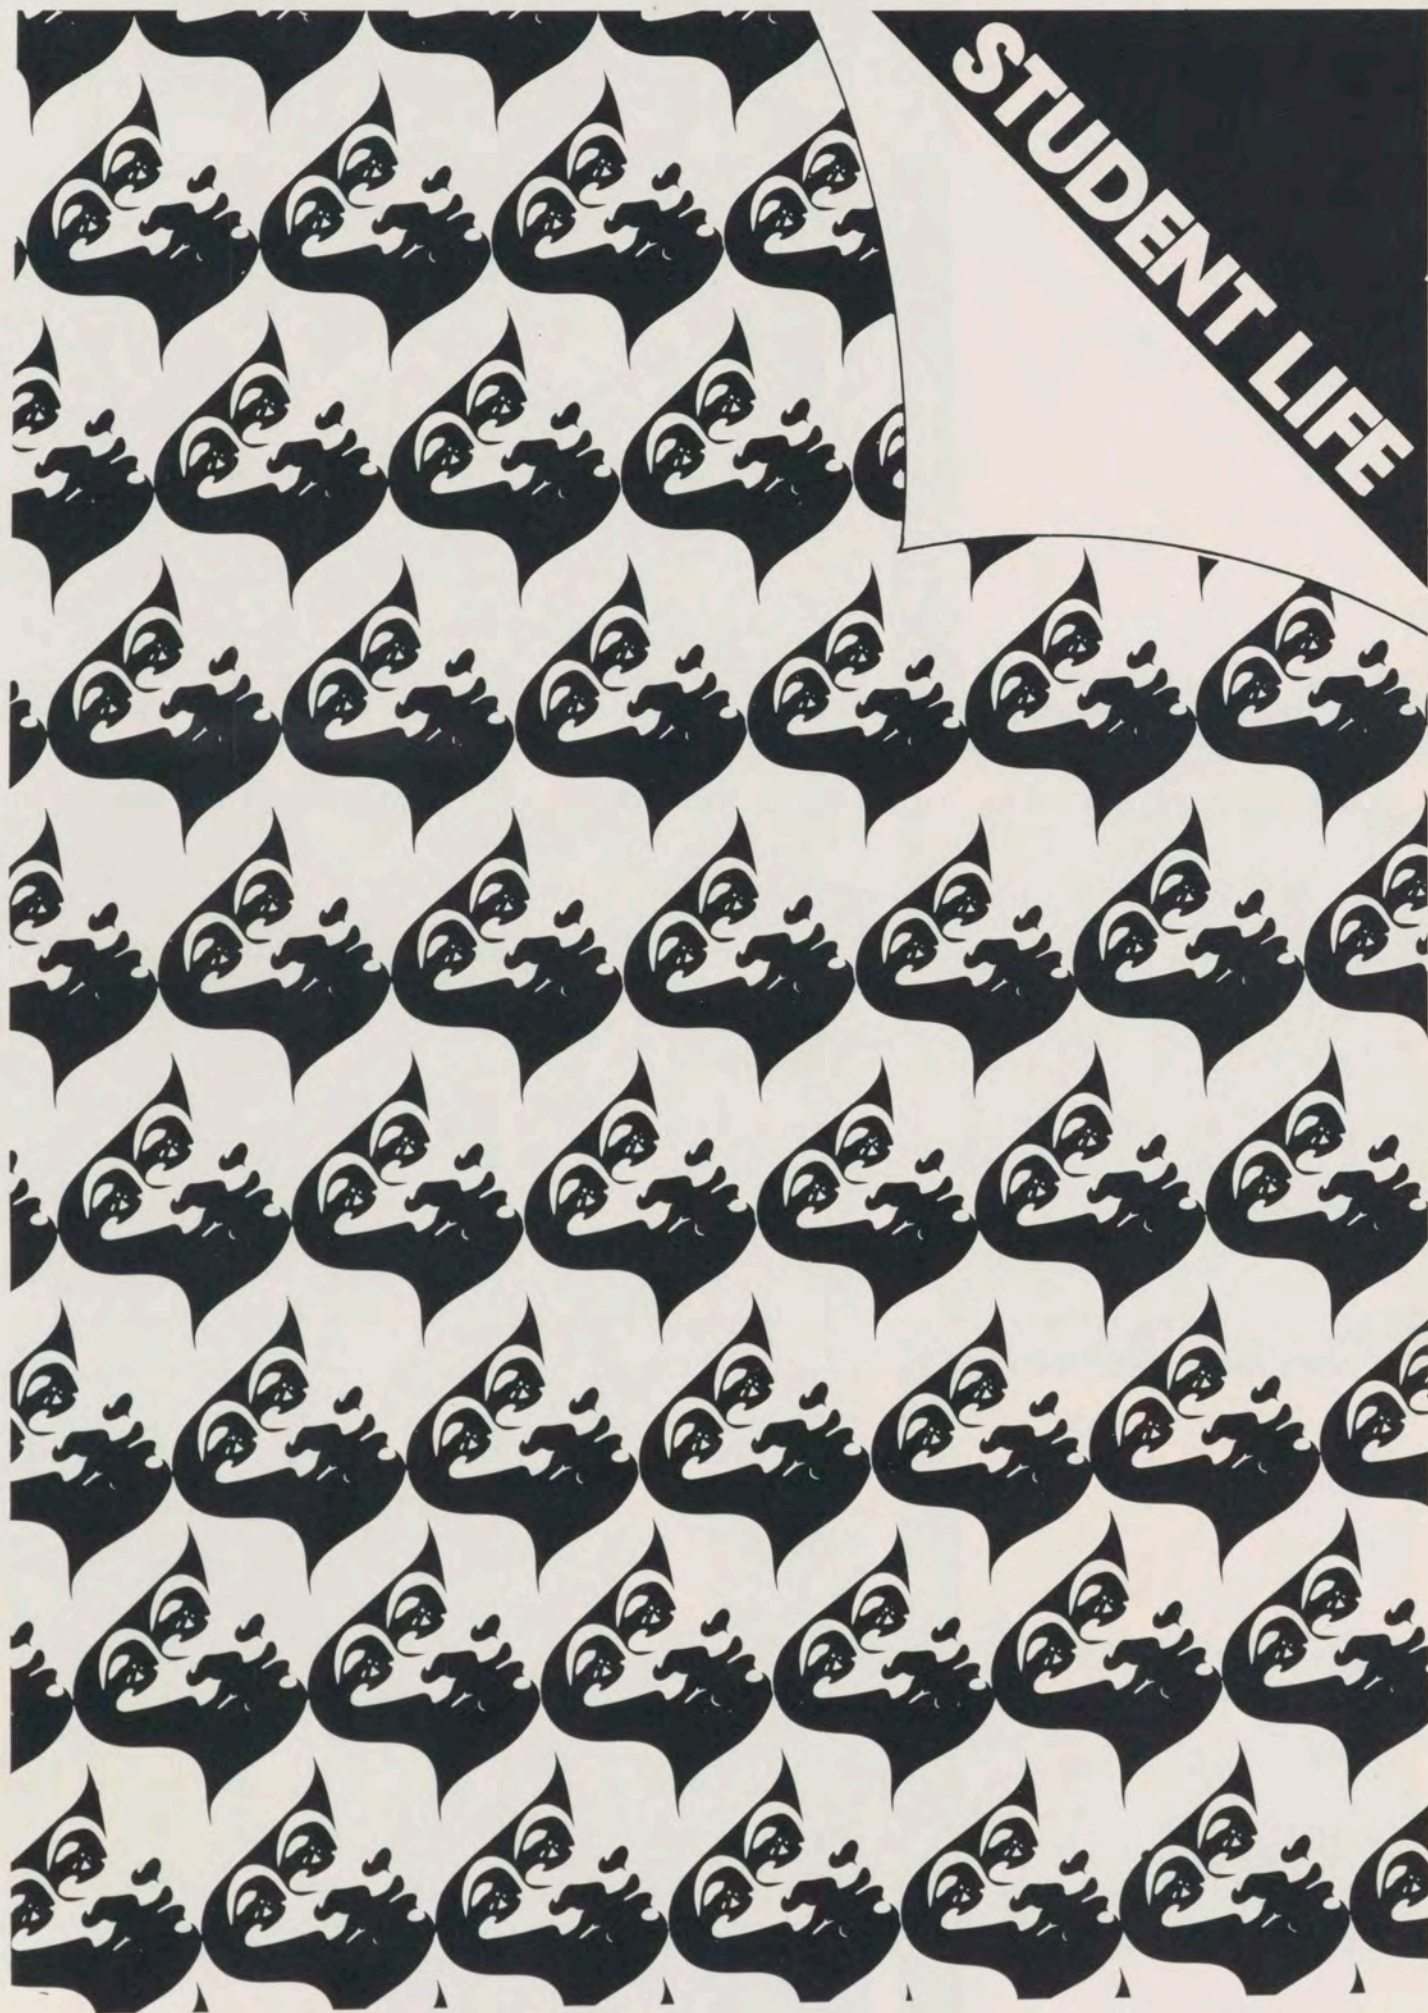

To see from whence we came
and how far we have gotten.

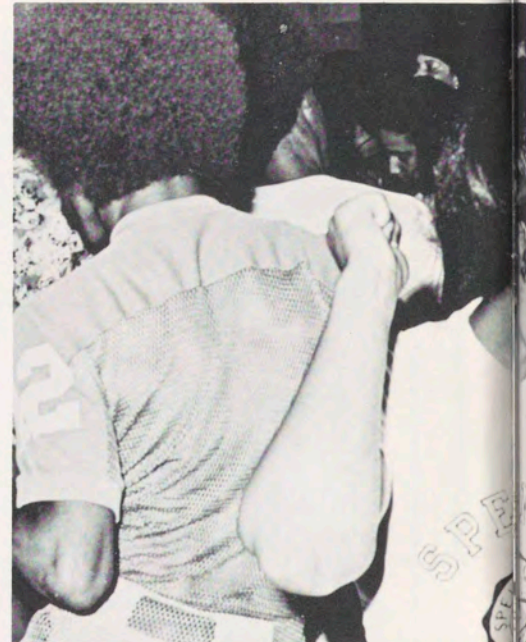

We are living our answer to the question
"What is a woman",
And, knowing that the world
Is a masquerade,
We must continue our
Search for Identity,
Because reality is no fool.

The student book and supply store of Spelman College is usually the center of attention with each new semester. It offers students everything needed in the way of required textbooks and supplies, as well as sweatshirts and gift items featuring the college's name and emblem. It also offers items such as cigarettes and counter drugs at discount prices.

Here at Spelman, students are fortunate to have a comprehensive health service which provides care to all paying college fees. Nurses are on duty at all hours, and physicians are available for emergency calls. The health service considers that no student that is too ill to be up and around should be permitted to stay in the dormitory. Provisions are made for bed care of physical and emotional illnesses and injuries.

Security at Spelman is a necessary luxury afforded by all Spelman students as well as students of the rest of the Atlanta University Center. A feeling of security exists throughout the campus, especially when your boyfriend is not allowed to walk you to your dorm after midnight "for security purposes only."

HISTORY

The tradition of excellence is legendary in the Spelman college Glee Club. In fact, the musical heritage of Spelman College is renowned, as it is inextricably entwined in the history of this famed institution and steeped in the hearts of its alumnae.

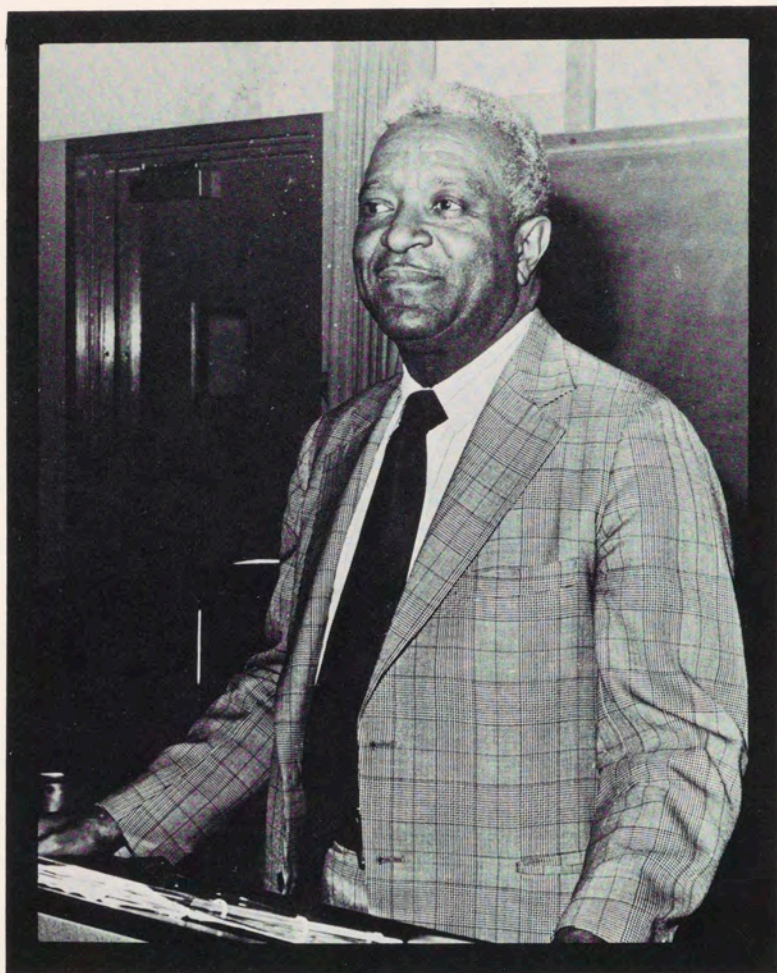

For approximately thirty-three years, Dr. Willis Laurence James carefully trained group after group of splendid singers, some of whom now are outstanding musicians in their own rights. Not only did Dr. James produce a vocally excellent ensemble, but he also wrote numerous compositions and arranged many Negro spirituals for the Glee Club and for the Atlanta-Morehouse-Spelman Chorus. Dr. James, the Glee Club Director, was known for his research and publications in Afro-American music.

After Dr. James' death in December, 1966, Dr. Grace B. Smith assumed the chairmanship of the department and, along with a colleague, directed the Glee Club's activities until the academic year ended.

The present director, Dr. Roland L. Allison, joined the Music Faculty as Professor of Music in 1967. After a year of absence, 1970-71, when Mr. Aldrich Adkins directed the Spelman College Glee Club, Dr. Allison returned to Spelman in 1971 as Chairman of the Department of Music and Director of the Glee Club.

During Dr. Allison's tenure the Glee Club has maintained its high-quality performances and has continued the tradition of excellence in choral work. He has been a highly successful Voice Teacher and Choral Director for more than twenty years and had no difficulty in carrying the ensemble to new heights of precision and tasteful interpretation by an enthusiastic aggregation of students from all areas of the college.

The Glee Club makes an annual tour of major cities of the North, the Mid-West, the East, and the Southeast. The excellent accompanist for the Glee Club is Dr. Joyce Finch Johnson, the College Organist. Dr. Johnson is a splendid concert artist who joined the Spelman College Music Faculty in 1953. After a period of absence for doctoral study, Dr. Johnson returned to Spelman in 1967 and has continued her career of excellence, firmly supported by a great talent. The Atlanta Symphony Orchestra's current Series includes Dr. Johnson as soloist with the orchestra. She joins the ranks of internationally renowned artists who are performing in the 1976-77 Season.

We are part of a group who attend numerous activities at the Atlanta stadium, the Omni and the World Congress Center, a group that finds the Peachtree Plaza admiring its architectural genius, peering down over a city too busy to hate . . .

We are part of a group who attend cultural affairs at the Fox, the High, the Memorial Arts Theatre and the Civic Center, eagerly watching a good black mayor try to keep this golden city of the South alive ...

We are part of a group who watch convention visitors rush in and out of the Hyatt Regency, the Marriott, the Atlanta International, the Hilton, the Omni International and numerous others, while shopping anywhere from the elegance of Phipps Plaza to the casualness of the Mall West End and the House of Fashion . . .

We are part of a group who dine anywhere from restaurants with a continental cuisine to Church's Chicken, while attending an institution in the uniqueness of the AU Center.

Guest Speaker — Dr. Geraldine Rickman

Dr. Geraldine Rickman, minority education consultant and president of Geraldine Rickman Associates Inc., gave a lecture on Tuesday, November 9, in Sisters Chapel entitled, "Black Women in Higher Education, Leadership and Administration: Plans for the Future". Dr. Rickman is presently on a John Hay Whitney Individual Grant of \$30,000 to continue research on the status of black women in higher education, in both black and predominately white schools. The Spelman family is most grateful to Dr. Rickman for coming to share her knowledge and experiences with us.

GUEST SPEAKER — DR. GORDON ROHLEHR

The Spelman Family was indeed honored to have as a guest speaker Dr. Gordon Rohlehr, Head of the Department of English at the St. Augustine branch of the University of the West Indies, on January 28, 1977. Dr. Rohlehr, a native of Guyana, was educated there at Queens College and at the University of the West Indies, Mona, Jamaica. He received his doctorate from the University of Birmingham, Birmingham, England in 1967. Since then, Dr. Rohlehr has returned to the West Indies and has been lecturing on English and West Indian literature at the St. Augustine Trinidad branch of the University of the West Indies. He holds the positions there of Head of the Department of English, Moderator of Caribbean Studies and Senior Lecturer in English. Dr. Rohlehr has published several articles on various aspects of West Indian literature and is particularly interested in the Calypso, on which he has done extensive research. We at Spelman wish to thank Dr. Rohlehr for such an interesting and informative lecture.

PRESIDENT'S MESSAGE

Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed and the way in which the obstacles are overcome.

Life is sometimes described in one of four ways: A journey, a battle, a pilgrimage, or a race. Select your own metaphors, but the necessity of finishing is all the same. For if life is a journey, it must be completed. If life is a battle, it must be finished. If life is a pilgrimage, it must be concluded. And if life is a race, it must be won.

The future lies before us, we are now faced with the challenge of how we will accept it. Will we contribute positively in the days ahead or will we be selfish and shun our obligations to continue in the building of this society?

Yours in the true sisterhood of Spelman,

Janice L. Robinson
SSGA President 1976-77

In celebration of the forty-eighth birthday of the late Reverend Doctor Martin Luther King, Jr. a schedule of events were held ranging from a Conference on Full Employment to the Ecumenical Service, and dedication of the Permanent Entombment and Interfaith Peace Chapel. The theme of the Ninth Annual Birthday Celebration honoring Dr. King was "A New Order For A New Age," A FULL EMPLOYMENT ECONOMY. The activities honoring this great man began on Thursday, January 13, 1977 and came to a grand climax on his birthday, Saturday, January 15. The Conference on Full Employment held on January 13, 1977 focused on the RELATIONSHIP OF FULL EMPLOYMENT to: Decent Housing, Quality Education, Criminal Justice, Adequate Health Care, and the Arts. The Second Annual Labor-Management Awards Breakfast with Mr. Ivan Allen, Jr. presiding was held Friday, January 14, 1977. The music was provided by the Freedom Choir, a group of Atlanta University Center students directed by Ms. Robin Brown, a sophomore student attending Spelman College.

On Friday evening a rally was held in Read Hall, the colleg's gymnasium, stating the importance of marching and encouraging us to participate. Attending the rally were such distinguished guests as: Mrs. Coretta Scott King, "Daddy" King, actor Brock Peters, and representatives from the Atlanta University Center schools. At the Ecumenical Service held at Ebenezer Baptist Church on January 15, Senator Edward M. Kennedy gave the address, and the Martin Luther King, Jr. Nonviolent Peace Prize was presented to Dr. Benjamin Mays by Mrs. King. The music was provided by the Ecumenical Service Choir. This choir is composed of members from the Ebenezer Baptist Church Choir, the Glee Club members of Spelman and Morehouse Colleges, and the Atlanta Symphony Orchestra Chorus. The organist was Mr. Myron Monday, an instructor of Music at Spelman College. The choir was directed by Dr. Wendell P. Whalum, Calloway Professor of Music at Morehouse College, and Robert Shaw, the conductor of the Atlanta Symphony Orchestra. The march followed the dedication service at Dr. King's tomb. The march began at Ebenezer Baptist Church and ended at the Federal Reserve Bank in Downtown Atlanta. The Honorable Mayor Maynard H. Jackson presided as all of the marchers congregated to hear the words of distinguished guests from all over the nation. After a benediction from "Daddy" King the birthday celebration came to a close, but the King dream lives on.

VINCENT STOVALL*

THE BLUE AND WHITE COURT

Vincent Stovall is a junior at Morehouse College majoring in psychology, with aspirations to also venture out into the musical entertainment field. Vincent enjoys composing music, fishing, skating, meeting people, sculpting and participating in musicals and drama. Vincent's aspiration to become Mr. Blue and White was mainly due to the fact that he wanted to find out what Mr. Blue and White's position was and, if chosen, to make him functional. He feels that this year's Mr. Blue and White court is unique because of their unity as a group, their sincerity and their overall efforts to bring students of Spelman and Morehouse together. Vincent's vibrant personality, talent and concern made him the perfect choice for the 1977 Mr. Blue and White.

Vincent is assisted by Willie T. Closs Jr., senior from Raleigh, North Carolina. Willie is majoring in Accounting/Business Administration at Morehouse, and enjoys sports, horticulture and interior decorating. He aspires to become a certified public accountant.

George Folks is also a member of the Mr. Blue and White court. "Gentle George" is a junior from the Bronx, New York, majoring in Mass Communications. He enjoys people, especially children, and makes the dance his favorite pastime. He is a member of the Joint Effort dance ensemble.

The Mr. Blue and White court is complete with the presence of James D. Thomas, a fourth-year Dual Degree Morehouse student from Gary Indiana. He is majoring in chemistry/chemical engineering, and enjoys sports and singing. James hopes to go to medical school and become a bio-medical engineer.

We at Spelman are very proud and happy to have such fine young men as these represent us as the 1977 Mr. Blue and White court.

CREME DE COCO

Rosalyn R. Lewter
Karen R. Lockett
Debra E. Gill
Deborah J. Stewart

Rosalyn, Debra, Karen, and Deborah began singing together in the fall of 1974, their sophomore year at Spelman. They did recording sessions as studio background vocalists for various artists in the Atlanta area. In January of 1975, Rosalyn, Debra and Deborah recorded background vocals for Hamilton Bohannon's "Insides Out" album, which contained the hits, "Foot Stomping Music" and "Thoughts and Wishes." Until February 1976, when the three-partied "Creme De Coco" began touring with Johnny Taylor, the group recorded for such artists as Tommy Stewart, Tamiko Jones, Clinton Harmon, Bill Right, Richard Marks and others. The group traveled with Johnny Taylor for four months which provided an opportunity for Debra, and Deborah to tour the west coast and appear on "The Midnight Special" in August 1976. In March of 1976 the group was fortunate enough to cut "Disco Strut" and "Wiggle, Wiggle, Wiggle" at Sound Pit Studios in Atlanta Georgia. Presently the four young ladies are working hard preparing for an extensive summer tour. Their manager is Tommy Stewart, who has been the guiding light in this organization. He writes and arranges all of "Creme De CoCo's" materials.

Rosalyn is a Child Development major from Amityville, New York. She was born under the sign of Leo. Debra, a Biology Pre-Med major, is from Dickinson, Texas. She is a Pisces. Karen is also a Child Development major from Cleveland, Ohio. She is a Libra. Deborah is a Drama major from Toledo, Ohio and was born under the sign of Sagittarius.

And what will you do
When faced with unasked opinions
Designed to defer you
From your dreams?

And what will you think
When shown so-called friendship and kindness
Seeing all this tenderness and concern,
Knowing that not one ounce is intended for true belief?

And what will you say
When confronted with recollected information
So complex that you will never reach your goad
From having to wade through its thick madness?

Just tell them that
This is your song,
And anybody that won't hum
Don't sing ...

My Sisters,

We have walked a long and hard path to get to this resting point, this temporary close. We have had many experiences along the way and have gathered a great deal of information to practice in the outside world. We are armed with beauty and intelligence, with stamina and sympathy, with cunning and wit, ready to tackle any challenge that awaits us. It is difficult to reason that success will not be the end result with such fine input.

It is just as difficult to find a concrete object to represent the ideas, standards, expressions, feelings and knowledge of today's aware black woman, but the 1976-77 Reflections staff and I have made every effort to do so. I offer this book to each of you as a treasure of memories, no matter how large or small, to keep with you and remind you of pleasant days past. To the freshman, this is a record of your beginnings at Spelman and in life, a starting guide from which you will shape your destiny. To the sophomores, who are reflecting and comparing the year past with the year present, and the juniors, who are comparing the year present with the year future, you have a collection of pictorial collection of experiences from which you may pattern you futures. And to the seniors, this is but a visual diary of all the joys, tears, excitement and disappointments that have constituted four years of your lives. For others there will be more, but your limit has finally been reached. Yet, this is by no means an end, and I offer this record to you, a recollection of past and present to remind of the great beginning which awaits you in the future.

This book has a lot of meaning to each one of you, yet the most important factor is that without each of you to contribute a part of your entity, this book would not be possible. Thank you sincerely for making this happen.

Yours, in the search,

Deirdra Y. Yarbrough
